Lowneys Cookbook:

Lowney's Cook Book Maria Willett Howard, 2019-11-29 In *Lowney's Cook Book* Maria Willett Howard presents a quintessential guide to American cooking at the turn of the 20th century intertwining practical recipes with a wealth of cultural insights The book's literary style is characterized by its clear accessible prose making it an indispensable resource for both novice cooks and seasoned chefs The context of the era is significant as Howard's work reflects the burgeoning interest in home economics and the rise of culinary arts as a respected field highlighting not only recipes but also the importance of nutrition and household management in American life Maria Willett Howard a figure rooted in the culinary revival movement was inspired by her extensive experience in catering and education Her expertise was instrumental in crafting a text that sought to elevate everyday cooking while promoting the joys of home cooked meals Her dedication to making cooking approachable for a broader audience emerges from her background combining her culinary prowess with a progressive vision for food education in America's kitchens For anyone yearning to explore the rich tapestry of early American cuisine or seeking authentic recipes from a bygone era *Lowney's Cook Book* is an invaluable treasure Howard's work not only provides delectable dishes but also serves as a historical artifact encapsulating the evolving dynamics of American culture in the kitchen

Lowney's Cook Book Maria Willett Howard, 2016-09-28 We present this cook book with confidence that it brings up to date the modern possibilities of the table It is prepared by a woman who has devoted her life to scientific and artistic cooking and who has recently been honored by appointment to full charge of the culinary department of one of the most advanced colleges for self supporting women in the country She speaks with knowledge and authority We hope the book will contribute something to the fine art of living in many homes making those homes the happier and more attractive for the husband and children and solving many a problem for brides and beginners Thousands of our most valued customers cannot afford to prepare many of these dishes very often for their tables But there are special occasions when we all feel that we can have the best for ourselves and our guests This book will stand the strain of such occasions There are hundreds of simple dishes here for all tastes suitable for all pocket books With this book as a guide it will be possible for any woman to live within her means and still have that infinite variety on the table which means so much for appetite and health which we all wish for and which we wish for you all THE WALTER M LONEY CO Boston

Lowney's Cookbook Maria Howard, 2010-01-15 When *Lowney's Cook Book* was first published in 1907 it was heralded as a new guide for the housekeeper especially intended as a full record of delicious dishes sufficient for any well to do family clear enough for the beginner and complete enough for ambitious providers This new edition retains the original's consistent invaluable cooking instructions tips and copious numbers of chocolate recipes More than a century later the cookbook is still a staple in the collection of culinary historians and homemakers
