THE DARK SIDE OF LEADERSHIP Dr Tessie Herbst, 2014 This book highlights the fact that leaders do indeed affect the performance of organizations or the well being of society for better or worse to cast either a shadow or light by the exercise of their leadership Modern psychology with its theories of human behavior which

does not acknowledge the existence of the spiritual realm cannot explain the carnage and evil often associated with the dark side of leadership This book focuses on the dark side of leadership in a multidimensional manner and provides a psychospiritual approach toward understanding personality disorders and leader derailment It highlights an area that has not been exclusively studied by leadership researchers to date the influence of spiritual forces in personality disorders which lead to leadership failure and derailment This book calls for a more interdisciplinary approach and holistic understanding of the dark side of leadership inseparably relating body soul and spirit as they function individually and relationally It highlights the fact that the restoration of personality will require sustained dialogue between theologians and the medical and psychological professions This book provides solid information and new insights for anyone seeking to understand the dark side of leadership

Strategies and Tactics of Satan Theodore Lot, PhD, 2023-02-09 God the Father Jesus Christ God the Son and the Holy Spirit make up the Godhead who have been in existence since eternity past They constitute the Divine Trinity consisting of three distinct persons working in unity They then created the heavens and the earth out of nothing in the dateless past Among their creations were angels and pre Adam beings One of the chief angels created by God was called Lucifer He was an anointed cherub full of wisdom and perfect in beauty He was made ruler of the earth and was perfect in his walk until iniquity was found in him He became proud exalted himself and wanted to be like the Most High God This iniquity that originated from his heart led him to rebel against God making him the originator of sin He then slandered God causing numerous angels and the pre Adam beings of the earth to join him in the rebellion against God He and the rebellious angels were thrown out of heaven by God and he lost his position as ruler of the earth which had been destroyed as a result of the rebellion Lucifer became Satan adversary or the devil God recreated the heavens and the earth universe and formed man to rule over all the earth The universe formed by God was again perfect Since Satan s rebellion his main goal has been to incite all beings to join him in rebelling against God To achieve such objective he uses various strategies tactics and methods to cause man to join him in rebelling against God The strategies tactics and methods that Satan uses to deceive human beings are largely similar It is therefore important for us to understand them so that we can effectively resist him That has been the focus of this book Beginning with the causes of Lucifer s sin we have examined his strategies and tactics as he has applied them on some selected persons in the course of history These include his encounters with Adam and Eve Job Jesus Christ and Paul the apostle The aim of this approach has been to identify Satan s strategies tactics and methods which he employs as his tools of warfare against human beings Such knowledge will help us resist him

Creatures of the Night

Gregory L. Reece, 2012-02-28 Vampires and werewolves phantoms and phantasms looming out of the fog leaps the menacing spectre of the lycanthrope ghoul or blood crazed zombie Intrigued by some of the most sinister yet at the same time most compelling legends of western civilization Gregory L Reece dusts down his stake and crucifix loads his silver bullets and takes off into the wilds in search of answers and fresh adventures Rummaging around in crumbling tombs and cobwebbed

sarcophagi his latest quest leads him into the haunted realm of the dead and the undead of those carnivorous nocturnal hunters that might perhaps better be left undisturbed Why he asks is our culture obsessed by the eerie and the macabre Why despite its horrors does the dark side of the supernatural its seances and ghost hunting demonic possession and the occult call to us with such dangerous allure Whether tracking night stalking werewolves chanting black magic mantras with Satanists or interviewing a funereal modern day Count Dracula Reece is determined to uncover the truth A wry exploration of a secret and secretive subculture *Creatures of the Night* is at the same time a bold and startling journey into a wraithlike world that has so often seemed to lie beyond the limits of rational comprehension until now Edgar Cayce's Story of the Soul W.H. Church,1991 *Lost Continents Soul History* New age movement **Understanding the Book of Revelation** Ph D Donald E Mbosowo,Professor Donald E. Mbosowo,2010-11 This book is about the truth revealed from the mystery hidden in the Book of Revelation The Book of Revelation is about the missing information revealed to John because there was no record in the Bible about what happened to the perfect creation in Genesis 1 1 There was no record about Adam created by the I AM as the first God and his generations before this present world The Bible has not recorded the lineage of Jesus from the I AM in order to present to the world who is Jesus This is the truth that must be known The Book of Revelation had been misunderstood because of the political interpretation of its images In John 8 32 Jesus says And you shall know the truth and the truth shall make you free Here the truth refers to Jesus who has power to set humanity free from the bondage of the God of this world Jesus declares in John 14 6 that He is the Truth After the gospel had been preached for thousands of years humanity is still in captivity of the God of this world Many people keep asking why a good God can allow these types of suffering This shows that Jesus the Truth is not yet known Confessing Jesus as a Savior is different from knowing Him This has been done for thousands of years and the world is getting worst When Jesus the Truth is known He will set humanity free from this spiritual enslavement The revealed truth from the mystery in the Book of Revelation presented here is a divine journey toward knowing Jesus the Truth I encourage everyone to read this book The Sphere of Influence Edward Hendrie,2019-07-07 This book is a sequel to *The Greatest Lie on Earth Expanded Edition Proof That Our World Is Not a Moving Globe* It will primarily focus on the infiltration into the church of the superstitious myth of heliocentrism and how that infiltration has served to undermine the gospel The gospel is the entire Holy Bible not just some of it Matthew 4 4 Christian belief is an all or nothing proposition All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness 2 Timothy 3 16 God s account of his creation is part and parcel of the gospel A person with genuine faith believes what Jesus said about both heavenly and earthly things If I have told you earthly things and ye believe not how shall ye believe if I tell you of heavenly things John 3 12 Jesus is God Jesus created all things in heaven and on earth See Colossians 1 16 18 God has revealed himself through his creation That which may be known of God is manifest in them for God hath shewed it unto them For the invisible things of him from the creation of the world are clearly

seen being understood by the things that are made even his eternal power and Godhead so that they are without excuse
Romans 1 19 20 If men have a misunderstanding of God's creation they will also have a misunderstanding of who God is If people believe in a creation that does not exist they consequently also believe in a creator that does not exist It is essential therefore to have an accurate understanding of God's creation God did not make a movable spherical earth If men believe in a heliocentric creation they will necessarily believe in a heliocentric creator A heliocentric creation does not exist So also a heliocentric creator does not exist A heliocentric creator is a false god We have been warned to avoid the preaching of a false gospel which presents a false Jesus For if he that cometh preacheth another Jesus whom we have not preached or if ye receive another spirit which ye have not received or another gospel which ye have not accepted ye might well bear with him
