Lucifer of Cagliari and Constantius II Mark T. Gustafson, 1994 *Olivier Messiaen's Opera, Saint Francois d'Assise* Vincent Perez Benitez, 2019-07-25 In this comprehensive study of Olivier Messiaen's magnum opus Saint Francois d'Assise Vincent Perez Benitez examines the opera from both theological and musical analytical perspectives to ask how Messiaen expresses his Catholic theology through his work Benitez combines a close reading of the opera score with accounts from Messiaen's associates studies of Messiaen's birdsong notebooks and other primary documents and an examination of the religious musical poetic and visual arts literature with which the composer was familiar to explore how the opera's harmonic language and sound color relationships motivate its musical meaning and expression Through his analysis of these diverse sources and comparisons of Saint Francois d'Assise with other works such as Berg's *Wozzeck* and Wagner's *Parsifal* Benitez places Messiaen's compositional practice within larger musical perspectives and historical contexts Renaissance Realism Alastair Fowler, 2003 This book questions the assumption of a single realism the continuous realism of novels Many suppose that narrative before the novel either looked forward to it or was medieval and allegorical and compare the introduction of single point perspective with the rise of the novel But continuous realism did not arise as soon as perspective was discovered In actuality a distinctive sort of Renaissance realism with its own conventions was practised from the late Middle Ages to the seventeenth century Renaissance Realism surveys the history of perspective showing that it only gradually came to dominate the western imagination and to become the default assumption for portrayal in the visual arts Looked at in this way correlates between literature and art emerge in the depiction of objects and events Treatment of spatial arrangement and time sequences for example closely parallel simultaneous narration in the visual arts Zion's Watch Tower and Herald of Christ's Presence, 1922 **Eleven More American Women Poets in the 21st Century** Claudia Rankine, Lisa
