Paul Wilson,2010-09-28 Jack finds the secret behind 9 11 in this dark thriller in the bestselling Repairman Jack series **Gripless** Sophie Hannah,1999 Belinda Nield knows what she wants She wants Tony Lamb a beautiful but silent stranger who has been foisted on the school where she teaches But she isn t the only one who wants him **Lucky Dogs** Jerry E. Strahan,2016-09-21 When walking the French Quarter and watching a Lucky Dog salesman set up that colorful cart and call out to entice customers don t you wonder how such a business works As a knowing review in Rolling Stone stated People have always loved the cart and harbored a mysterious need to ride it Revelers have been known to climb on top of the rolling wienies screaming Yippee kaya as vendors stoically push them back to the barn at 4 a m Since 1947 the red and yellow carts have trumpeted good fortune and sustenance Jerry E Strahan recounts the wild adventures of the Bourbon Street wienie salesmen but also takes readers well beyond New Orleans In fact he takes them halfway around the world where this unique pushcart business maneuvered its way through the bureaucratic red tape of a communist country to become a licensed corporation in the People s Republic of China In China two points quickly became apparent to Strahan First 99 percent of the Chinese population had no idea what a Lucky Dog cart represented One elderly passerby declared it to be a missile Second the success or failure of any joint venture in the Asian nation is directly proportional to the political clout of that company s local partner Lucky Dogs also recounts how the business and its vendors survived Hurricane Katrina Miraculously it reopened only six months after the storm in a city where more than 80 percent of the landmass had been flooded and where less than 40 percent of the population had returned To reestablish itself in what many described as Third World conditions the company had to transform its operation This work mixes business history autobiography survival story and an insider s look at the bizarre lives of some of Bourbon Street s most quirky characters the dauntless Lucky Dog vendors Both humorous and tragic though it may read like fiction it is for

Radically Changed Christopher Wilson, 2010-04 I was inspired to write the book RADICALLY CHANGED as a result of my being exposed to people in the downtown eastside skid row of a large city Men and women come to the downtown eastside skid row with problems that often seem insurmountable Many have addictions while others are traumatized or victimized with little self esteem or self worth They try to drown their sorrows with mind altering substances Others have horrible nightmares as a reminder of something often horrendous that had happened to them or to a loved one There are those who have done something which they regret They are sorry but often plagued with memories of what they have done or failed to do Men and women abused and beaten down are appalled by what they have suffered at the hands of people they trusted and respected Some contemplate suicide in order to end their dependance on drugs or memories which impede their ability to function adequately in society the Mission on the worst street in the country is a gathering place for those who are plagued with these problems It is a safe place in the bowels of a hellish existence for many who are forced to live and interact in this setting and sub culture When they enter the Mission they feel the caring and concern of the staff and the students from the Bible College These are loving persons ready to brighten their day listen to their sordid stories and tell them about Jesus who is their hope Those who respond to the invitation and go to the Bible College are rewarded with knowledge and insight into methods of recovering and becoming new creations Many have become radically changed Their life changing adventures are exposed in the pages of this inspirational book
