*Lucretia Borgia , Cesare and Lucrezia Borgia* Samantha Morris, 2020-12-28 This myth busting biography reveals the fascinating true lives of Renaissance Italy's most infamous brother and sister Salacious rumors have shrouded the Borgia family for centuries In particular tales of murder and incest have stuck to the names of Cesare and Lucrezia But in this enlightening biography Samantha Morris separates fact from fiction presenting these two fascinating individuals from their early lives through their years at the Vatican and their untimely deaths Morris begins her narrative in the bustling metropolis of Rome where the siblings were caught up in the dynastic plans of their father Pope Alexander VI Though they were not the villains depicted in popular media their intertwined lives were full of ambition intrigue and danger Drawing on both primary and secondary sources Morris follows Cesare through his cardinalship and military career and Lucrezia through her multiple arranged marriages and her rule over Spoleto

**Papal Genealogy** George L. Williams, 2024-10-14 The papacy has often resembled a secular European monarchy more than a divinely inspired institution Roman pontiffs bestowed great wealth on their families and forged strategic alliances with other powerful families to increase their power Pope Alexander VI Rodrigo Borgia for example forced his daughter Lucrezia into a series of marriages for political reasons When her marital alliance was no longer advantageous as was the case in her second marriage her husband was brutally murdered Many papal families also intermarried in hopes of forming a hereditary papacy at least two members of the Fieschi Piccolomini Della Rovere and Medici families served as pope Papal families since the early history of the church are fully covered in this comprehensive work Genealogical charts graphically show the descendants of the popes presenting in many cases the interrelationships between the papal families and their relationships with many of the leading families of Europe Detailed histories examine the impact of the papacy on each pope's family and how each influenced the history of the church
