Children's Fiction about 9/11 Jo Lampert, 2009-09-10 Looking at examples including picture books young adult novels and DC Comics Lampert explores ethnic national and heroic identities in this pioneering and timely book that examines the ways in which cultural identities are constructed within young adult and children s literature about the attacks of September 11 2001

Children's Literature and New York City Padraic Whyte, Keith O'Sullivan, 2014-01-10 This collection explores the significance of New York City in children s literature stressing literary political and societal influences on writing for young people from the twentieth century to the present day Contextualized in light of contemporary critical and cultural theory the chapters examine the varying ways in which children s literature has engaged with New York City as a city space both in terms of urban realism and as an idea such as the fantasy of the city as a place of opportunity or other associations The collection visits not only dominant themes motifs and tropes but also the different narrative methods employed to tell readers about the history function physical structure and conceptualization of New York City acknowledging the shared or symbiotic relationship between literature and the city just as literature can give imaginative reality to the city the city has the potential to shape the literary text This book critically engages with most of the major forms and genres for children young adults that dialogue with New York City and considers such authors as Margaret Wise Brown Felice Holman E L Konigsburg Maurice Sendak J D Salinger John Donovan Shaun Tan Elizabeth Enright and Patti Smith

Leading Learning in a Changing World Jacqueline E. Jacobs, Julie A. Rotholz, 2005 Professional development activities have proven adequate to facilitate mastery of new content inform teachers of best practice and for dissemination of information however such efforts fail to address the emotional and personal aspects of the teaching profession Here is a hands on activities book that provides school leaders an easy to use format for the delivery of professional development sessions for K 12 personnel It details three major topics social realities e g societal trauma diversity e g Disabilities and community conundrums e g economic uncertainties The uniqueness of this book is the activity design using children s literature to provide a neutral framework for discussion of often difficult issues The authors provide an opportunity for teachers to explore their underlying assumptions unacknowledged biases or often unspoken feelings about issues that are central to student success They seek to regain professional responsibility to solve problems and improve education in our ever changing world For administrators or teacher leaders who are on the cutting edge of facilitating professional development for problem solving issues in our schools
