Master Alfred Seymour:

Master Alfred Seymour Mary Martha Sherwood,2003 **Master Alfred Seymour** Mary Martha Sherwood,2004-06-01 Alfred had lingered longer at the shop than he had intended to do and he now had another affair to settle before he went home There was a youth called William of about fifteen or sixteen years of age who served in the mill and was a nephew of the miller and Alfred wanted to see him and to consult with him respecting the piece of disobedience on which he had resolved *Home stories for the young* Mary Martha Sherwood,1852 **The Academy** ,1892 **Mrs. Sherwood's juvenile library [selected stories].** Mary Martha Sherwood,1880 Master Alfred Seymour, and Martin Crook and the Lost Purse Sherwood,2008-04-01 Mary Martha Sherwood nee Butt 1775 1851 was a prolific and influential writer of children s literature in nineteenth century Britain She is known primarily for the strong evangelicalism that coloured her early writings however her later works are characterized by common Victorian themes such as colonialism and domesticity After she married Captain Henry Sherwood and moved to India she converted to evangelical Christianity and began to write for children Although her books were initially intended only for the children of the military encampments in India the British public also received them enthusiastically The Sherwoods returned to England after a decade in India and building upon her popularity Sherwood opened a boarding school and published scores of texts for children and the poor She composed over 400 books tracts magazine articles and chapbooks among the most famous are *The Story of Little Henry and His Bearer* Boosy 1814 *The History of Henry Milner* 1822 and *The History of the Fairchild Family* 1818 **The Academy and Literature** ,1879 *A Color Notation* A. H. Munsell,2022-11-13 A H Munsell s *A Color Notation* is a pioneering exploration of color theory that employs a systematic approach to color classification and identification Published during the early 20th century Munsell s work is marked by a meticulous organization of colors into categories based on hue value and chroma The richly illustrated volume serves as both an artistic manifesto and a scientific inquiry bridging the gap between aesthetic experience and empirical study Munsell s innovative color wheel and notation system not only challenged existing paradigms but also established a framework that continues to influence fields such as art design and education today A H Munsell a painter and educational reformer was deeply influenced by his interest in how color perception affects artistic expression and environmental design His experiences in teaching art and his frustrations with the vagueness of color terminology motivated him to create a comprehensive standardized system that would allow artists students and scientists alike to communicate more effectively about color Munsell s dedication to systematic observation and classification is evident throughout his work reflecting the scientific aspirations of his time Readers seeking a profound understanding of color and its applications will find *A Color Notation* an indispensable resource Munsell s groundbreaking insights not only foster enhanced visual literacy but also invite readers to reconsider how they perceive and utilize color across various disciplines This book is essential for artists designers educators and anyone interested in the intricate relationship between color and
