Ministry Formation for Effective Leadership William R. Nelson, 1988

If I were starting the ministry again - eBook

John M. Drescher, 2020-04-15 This book arose from the search and need of the author John M. Drescher to discern the real importance and what he would emphasize if he were starting the ministry again. His reflection considers what he would have liked someone to have shared with him when he started. It is a pious return to the most basic principles of the Gospel. With simple questions like "What was the impetus that motivated your Christian calling?" "What is the goal that currently guides your ministerial formation?" Drescher writes about cultivating one's spiritual life, reading the Scriptures, empowering by the Holy Spirit, prayer, forming leaders, visiting, planting churches, among other important topics. The contents of this book once practiced, transform the lives of those who take the ministry seriously. So serving Christ as his partner becomes a great privilege. Jos Carlos Pezini, Pastor, writer, professor, and church planting consultant, Brazil, USA.

MASTERS: Rediscovering Your Dominion In Your Sphere Of Influence Hosiah Tagara, The initial intention of God is still His ultimate agenda to have a people enforcing the dominion of the Kingdom in every part of the earth, not just the four walls of the church. There has been a great widespread and detrimental misunderstanding of the place of what people do in the rest of their lives apart from religious activities in the context of God's plan. What people don't understand, they trivialize, persecute, and criticize. In this explosive and reformatory book, THE DOMINION MASTERS: Rediscovering Your Dominion In Your Sphere Of Influence, Dr. Hosiah Tagara uncovers the principles of mastering wealth that brings meaning, legitimacy, and purpose to marketplace engagement. You will discover the relevance of your work, profession, and business in the context of the architecture and function of the kingdom.

Articles include "The Tasks of a Leader" by Ken Gangel, "The Character of a Leader" by Jack Hayford, "Prayer in Leading People" by Peter Wagner, and much more. 1 and 2 Timothy, Titus Walter L. Liefeld, 2011-03-01 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the

ideal resource for today's preachers, teachers and serious students of the Bible giving them the tools, ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written. *Effective Leadership*

Jonathan Lotson, 2019-11-08 There is without question a plethora of leaders in the world today. However, not every leader is effective according to God's design. This book highlights the importance of effective leadership with a concentration on ten key areas that every Christian leader should move towards. This book is both thorough and profound while holding a sincere commitment to Scripture. The studies found in this book examine far-ranging issues of effective leadership from internal character matters to external problems of systems. The goal of this book is to address the diverse aspects of leadership with a deep sensitivity to the realities of the twenty-first century and yet a deep commitment to the kingdom of God as revealed in Scripture. This book offers excellent development concepts for the beginning leader as well as for the seasoned leader. *Effective Leadership: Top 10 Areas Every Christian Leader Should Consider* brings cohesion to diverse issues in such a way as to form a holistic approach to leadership. This approach is both profoundly theological and yet practical in ways that can be applied in churches and organizations alike. The practical applications are simple enough to implement yet developed enough to provide ongoing guidance for leaders and their organizations. This is an insightful and needed book for leadership in the church and faith-based organizations at large. Christian leaders should provide effective leadership to their organizations, churches, denominations and the world, and the ten topics highlighted in this book will assist leaders in their pursuit of effective leadership. **Religious Education in the Small Membership Church** Dr. Nancy T.
