Ministry Gifts:

The Five-Fold Ministry Gifts Clement C. Butler, 2021-04-09 Why does the Lord appoint apostles prophets evangelists pastors and teachers to the church Ephesians 4 12 says they are bestowed for the perfecting of the saints the work of the ministry and to edify the body of Christ However these three objectives are best understood in the context of God's purpose His purpose provides the why for understanding the five fold ministry gifts or the gifts of Christ From before the foundation of the world the Father predetermined spiritual blessings in Christ for all humanity In essence His purpose is one of unity The blessings outlined in Ephesians Chapter 1 says that He chose humanity to be His sons who would share His very nature and be like Him In short the Father's simply wanted a family born of His nature who would reflect His character and on whom He could bestow an eternal inheritance Therefore the gifts of Christ exist in accordance with this purpose Indeed each gift has individual responsibilities but collectively they serve to bring the entire body of Christ into maturity a unified body that manifests the Father's glory or character The gifts exist to fulfill the purpose that the Father predetermined from before the foundation of the world This book discusses all these elements in detail and brings the Father's purpose for the church into perspective in relation to the gifts

The Ministry Gifts of the Holy Spirit Billy M. Lauderdale, 2017-06-23 Perhaps one of the most misunderstood things in the Bible is the Holy Spirit Most people know that it is a part of the Holy trinity some may even know about the baptism of the Holy Spirit however most people rarely go beyond that The Holy Spirit is significantly more important than most Christians understand It's not only important to us but the Church as well Today more than ever we need to understand the Holy Spirit as well as the gifting of the Spirit We read in Ephesians 4 11 that the Lord gave us gifts to be used These gifts are known as ministry gifts they are to be used to perfect the church They were all but forgotten however they were restored to the church by the reawakening of the charismatic movement Like all things of God the Devil has a counterfeit which had led to much confusion and misunderstanding it has also led to much abuse Today He is restoring a biblical understanding of what these roles and callings mean The church has come a long way even though there is still a lot of wrong conceptions and rejection due to the abuse prevalent in His body However when the gifts are recognized and they start taking their rightful places the Church can come into its maturity Having all five offices in place in the church does not mean it is free from all work and responsibilities on the contrary It will find itself in a place of growth and equipping that nobody has ever dreamed possible Only when the church becomes what God meant it to be with all of the gifts of the Holy Spirit as well as the five fold ministry gifts in place will we truly come into full maturity and have the ability to fulfill the commission our Master Jesus gave us to make disciples of all nations doing the same works He did and even greater That is why now more than ever there is a need to understand the Gifts of the Spirit more than ever Over the years there have been volumes written on the subject of spiritual gifts Lists have been compiled and test written and administered with various degrees of success and understanding Even with all the differing opinions from various people the study and

application of knowing one's spiritual gift can have the greatest of impacts on the character of the church and its membership. Once you understand what your gifting is, it will bring a greater sense of pleasure, purpose, and security. In today's Church, the gifts of ministry are needed more than ever; however, we don't see them in action very often. Some people may even have gone their entire life and not see the gifts working. Some may have a general idea of what they are, while others may not know what they are. Most who do know of the Gifts of the Spirit are often confused about them. How often does someone misunderstand how they work and confuse the use of them? Such as the prophet and the gift of Prophecy: both are gifts of the Spirit, but each is different in how they are used. For example, all prophets have the gift of prophecy and can use the gift of prophecy, but not all people who can prophecy are prophets. With the reawakening of the charismatic movement, the gifts of the Spirit have been reawakened and brought back into the church. It is sad to say that in today's church, the use of Spiritual gifts is the source of much controversy and confusion among believers. Some churches and their denominations won't allow them because they don't know them or they fear them. This is interesting and something of a sad commentary since these gifts are meant to be graces from God for the edification of the church. Even today, as in the early church, the misuse and misunderstanding of spiritual gifts have brought division, splitting up rather than building up in the church. Here in this book, I seek to avoid the controversies by simply exploring what the Bible says about spiritual gifts and help you to understand what the gifts are and how they can benefit the Church.

[For the Perfecting of the Saints](#)
 Dr. Jennifer Gilbert, 2014-05-27. Many churches lack a structured Christian Education program outside of the regular Sunday school and midweek Bible Study, which leaves a large void in the lives of believers and forces them to adopt erroneous views and visions for the personal ministries and gifts. For the Perfecting of the Saints seeks to fill that void and empower individual Biblical-based education, including revelatory information, revelation to make their lives more relevant, application. This practical guide assists in addressing the ministry gift and the impact that it has on one's personal, professional, and ministerial life. Author Jennifer Gilbert explains the five ministry gifts in great depth and detail. Pastor, teacher, evangelist, and Apostle. She examines them from the Biblical standpoint, in addition to applying her thirty years of experience in the ministry and her fifteen years in education, spiritually and professionally combined. She considers the characteristics, both personally and spiritually, that are attributes of each gift. Further, she explains many of the ways that one can develop their God-given gift and calling, the danger of detouring from their calling, and most importantly, the manners by which each one operates. With the publication of For the Perfecting of the
