The Ministry of Angels Godsword Godswill Onu, 2015-02-28 Angels are ministering spirits sent forth to minister for the heirs of salvation They are spirit messengers sent forth to minister for us And the roles of angels include among other things protecting God's people directing and guiding us bringing the answers to our prayers from God to us and carrying out God's Commands Angels occupy a very important place in the Plan and Purpose of God Jesus Christ spoke of His coming with the holy angels Angels drove the devil and his supporters out of Heaven and they are very necessary in the carrying out of God's Plans But never make the grave mistake of worshipping angels or praying to them That will be disastrous to your soul Yet they are our friends and co workers and therefore we shouldn't despise them

In the Shadow of His Wings Jonathan Macy, 2011-01-01 Historically angels have been viewed as either disconnected objects of speculative investigation or as mystifying beings mysteriously influencing our lives However this is not how the Bible describes them Scripture in sober and straightforward terms simply describes what angels do It is a practical depiction a pastoral presentation We see messages of encouragement revelation and guidance we see judgment and correction we see strengthening we see journeying we see prayer and worship The biblical focus concerning angels is on ministry to the people of God Angels are one way that God intervenes in human affairs in response to pastoral concerns or problems Using only Scripture and a classic model of pastoral theology as the framework this book shows practically how angels are employed by God to bless His church and people as His servant ministers who glorify Him alone
