Ministry And The Miraculous A Case Study At Fuller Theological Seminary:

Ministry and the Miraculous Lewis B. Smedes, 1987-01-01 **Ministry and the Miraculous** Lewis B. Smedes, 1987

Reforming Fundamentalism George M. Marsden, 1995 A sequel and companion to the author's widely acclaimed *Fundamentalism and American Culture* this book uses the history of Fuller Theological Seminary as a lens through which to focus an examination of the broader story of evangelicalism and fundamentalism since the 1940s **The Violent Take It by Force** Matthew D. Taylor, 2024-10-01 Required reading for anyone seeking to understand Christian nationalism Kristin Kobes Du Mez author of *Jesus and John Wayne* A propulsive account of the network of charismatic Christians that consolidated support for Donald Trump and is reshaping religion and politics in the US Over the last decade the Religious Right has evolved Some of the more extreme beliefs of American evangelicalism have begun to take hold in the mainstream Scholar Matthew D Taylor pulls back the curtain on a little known movement of evangelical Christians who see themselves waging spiritual battles on a massive scale Known as the New Apostolic Reformation this network of leaders and believers emerged only three decades ago but now yields colossal influence galvanizing support for Trump and far right leaders around the world In this groundbreaking account Taylor explores the New Apostolic Reformation from its inception in the work of a Fuller Seminary professor to its immense networks of apostles and prophets to its role in the January 6 riot Charismatic faith provided righteous fuel to the fire that day where symbols of spiritual warfare blazed rioters blew shofars worship music blared and people knelt in prayer This vision of charismatic Christianity now animates millions lured by Spirit filled revival and visions of Christian supremacy Taylor's unprecedented access to the movement's leaders archives internal conference calls and correspondence gives us an insider account of the connection between charismatic evangelicalism and hard right rhetoric Taylor delves into prophetic memes like the Seven Mountains Mandate the Appeal to Heaven flag and the Cyrus Anointing Trump's spiritual advisor Paula White's call for angelic reinforcements and Sean Feucht and Bethel Music's titanic command of worship styles across America Throughout Taylor maps a movement of magnetic leaders and their uncompromising beliefs and where it might be headed next When people long to conquer a nation for God democracy can be brought to the brink **Encyclopedia of Fundamentalism: Volume 3 of Religion & Society** Brenda Brasher, 2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others Carl F. H. Henry on the Holy Spirit Jesse M. Payne, 2021-07-07 Recover evangelicalism's foundations by returning to its architect None doubt the influence of Carl F H Henry the theological architect of contemporary evangelicalism Through his prolific writing and editorial role in Christianity Today Henry is known for addressing contemporary theology individual and social ethics and cultural criticism

But he has been critiqued for an underdeveloped pneumatology In Carl F H Henry on The Holy Spirit Jesse M Payne argues that Henry cannot truly be understood apart from his mature pneumatology The Spirit plays a vital role in three major areas of Henry s theology revelation ecclesiology and ethics These seemingly disparate topics are tied together by his view of a Spirit inspired Bible ordering a Spirit enlivened body composed of Spirit filled believers Readers will gain a more holistic view of Henry the role of the Spirit in his life and thought and early neo evangelical theology **Worshipping with the Anaheim Vineyard** Park et al,2017 Using narrative testimonies from leaders and members and photographs this book tells the story and explains the remarkable influence of the Vineyard Church of Anaheim on both the early years of the Vineyard movement and the emergence of contemporary worship in the broader church Not only does this volume present an in depth look at the congregation s pastor John Wimber and the church s first several years it also tells an inspiring story of revival and renewal for people hungering for deeper knowledge of God With interviews sermon excerpts sidebars timelines and a glossary of terms to enhance the text *Worshipping with the Anaheim Vineyard* addresses core issues about knowing God intimately for all Christians **Miracles : 2 Volumes** Craig S. Keener,2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports *The Liberating Spirit* Eldin Villafane,2021-03-23 This book takes a giant step both in theology and in social ethics It forces theologians to examine the worship and spirituality of Hispanic Pentecostals as a source of theological construction and pushes the Pentecostalists themselves to see the broader social implications of their own faith expressions With both Hispanic peoples and Pentecostalists forming a larger and larger portion of the American cultural and religious reality this is a vital book indeed an indispensable one for any person knowledgeable about our society to read and ponder Harvey Cox Harvard Divinity School Here is a pioneering book Villafane works a synthesis of the cultural and the spiritual and celebrates the capacity of Pentecostalism to appeal to Hispanic Americans The time is ripe for this important book which delves into the very passion of the human heart and offers an ethic of hope and liberation It should be read by anyone interested in the spiritual condition of Hispanics in a pluralistic society Jesse Miranda Azusa Pacific University *The Liberating Spirit* should be required reading for anyone interested in the study of

social ethics Pentecostal theology or Hispanic American theology Dr Villafane has broken the long standing bifurcation of the profane and the sacred so often associated with Pentecostal theology The Liberating Spirit introduces us to a new and liberating way of being Christians led by the spirit in the modern world Samuel Solivan Andover Newton Theological School Fully aware of the pitfalls and promises of oral theology Villafane approaches his topic from inside an Hispanic Pentecostal understanding of the Spirit vividly describing the pains and joys of an Hispanic Pentecostal in the United States After reading this book it is impossible to paint the whole Pentecostal movement with the brush of right wing theological and political conservatism Walter Hollenweger University of Birmingham England The Image of God: Lost and Recreated Otis Gouty, 2019-09-27 This is a book that demonstrates how a person can get the image of God Adam and Eve were created in the image of God but lost it They were given freedom of choice Unfortunately they rejected God and chose the way of Satan which has been passed on to all of us down through the centuries from parent to child The Bible is accepted as truth Every step of the way taken here is documented by the Bible Scientific discoveries are introduced to form a basis for understanding and to compliment biblical references Children born after Seth were born in the evil image of Adam and Eve God was so deeply grieved by the evil intentions of Seth s descendants that he sent the flood to destroy all of mankind Noah was favored by God but even so he was still of the lineage of Seth The Old Testament is filled with the sinful acts of God s chosen children but the faithful unchanging God had a plan which He brought to pass in the person of Jesus This book provides a penetrating and dramatic picture of how God has implemented His plan to the present time The Evangelicals Robert Krapohl, Charles H. Lippy, 1999-04-30 The different facets of American religious life are more thoroughly understood with an awareness of the Evangelical heritage that intersects the different denominational boundaries Since Evangelicalism is not confined to one religious denomination or group it has associations with a number of American religious movements such as Fundamentalism Pentecostalism the Charismatic Movement and Revivalism This study modeled after the popular Greenwood Denominations in America series analyzes the people institutions and the religious culture of modern American Evangelicals Divided into three sections the book presents a history of American Evangelicalism discusses themes and issues in modern American Evangelicalism and provides a biographical dictionary of modern American Evangelical leaders The combination of critical narrative and reference will appeal to religion scholars and American culture scholars alike Separate bibliographies unique to the history section and to the themes and issues section provide valuable resources for further research Equally helpful is the bibliographic material that completes each entry in the biographical dictionary section of the book The three part organization makes this an accessible research tool clearly organized for easy cross referencing *Confronting the Predicament of Belief* James W. Walters, Philip Clayton, Steven Knapp, 2020-09-11 Instead of suppressing doubts about religious claims what if we engage them head on Imagine theologians who welcome the uncomfortable questions rather than immunizing their proposals from criticisms What happens when discussions of the deepest issues God and science faith and

doubt suffering and evil death and resurrection are guided by the real life challenges of believing and living in today's world The probing queries and constructive replies published here for the first time invite you into the living experience of doubt and faith the spiritual quest of our age They invite readers to consider not only what they believe but also how they hold their beliefs and what they do with them in everyday life

Introducing World Missions (Encountering Mission) A. Scott Moreau, Gary R. Corwin, Gary B. McGee, 2015-06-09 This bestselling textbook by leading missionary scholars offers an engaging introduction to the work of missions in the contemporary world It provides a broad overview of the biblical theological and historical foundations for missions It also considers personal and practical issues involved in becoming a missionary the process of getting to the mission field and contemporary challenges a mission worker must face Sidebars charts maps and numerous case studies are included This new edition has been updated and revised throughout and features a full color interior Additional resources for professors and students are available online through Baker Academic's Textbook eSources

Word and Power Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber's unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today

Jesus, Deliver Us Willard M. Swartley, 2019-06-04 Deliver us from the evil one is the heart's cry from the Lord's Prayer Evil wears many faces in our modern world This book connects the Lord's Prayer to troubles of our times be it attacks from Satan the wars around the world the scourge of racism or the mass shootings of our time The subtitle of the book identifies the scope This book blends

both deliverance from demonic bondage and witness to the powers in relation to political policies and government While the book aims to be a biblical theology on these topics it seeks also to address the praxis how these evils are confronted through healing deliverance ministries and what people of God say and do in witness to the powers The two streams of response to evil are really one as a faithful response to the saving work of the Lord God Almighty through Jesus Christ s victory over Satan sin evil and death Love your enemy confronts evil with power to transform

The Westminster Handbook to Evangelical Theology Roger E. Olson, 2004-01-01 The Westminster Handbook to Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism s distinctive theological vision in its unity and diversity Roger Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organizations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians These books are intended to help students and scholars find concise and accurate treatments of important theological terms

Health, Healing and the Church's Mission Willard M. Swartley, 2012-08-02 Does the Christian community have the resources to develop a coherent response to today s health care challenges In a comprehensive survey covering the full scope of the Bible and three millennia of Christian belief and practice Willard Swartley fleshes out the central place of health care in the church s mission

The Healing Myth J. Keir Howard, 2013-09-09 What is the role of the church in ministering to the sick This book argues that it is not what is now called the healing ministry with its frequent claims of remarkable cures from physical illness Little critical attention seems to have been paid to the validity of these claims which if genuine would be producing clearly observable effects on the levels of morbidity and mortality in society Similarly the important ethical and moral questions the movement raises have also been very largely ignored A huge edifice of muddled theology together with highly questionable practice has been built upon very shaky foundations It is the purpose of this book to examine seriously the dubious claims and teaching of the modern healing movement as well to expose its very real dangers in order to encourage Christian people both ordained and lay to exercise a more critical approach to the healing movement The book concludes by outlining a framework for a return to a more biblical emphasis on proper pastoral care in the church s ministry to the sick

Why We Belong Anthony L. Chute, Christopher W. Morgan, Robert A. Peterson, 2013-06-30 Denominations The mention of the word is often enough to spark strong reactions regardless of whether one is for or against them This hopeful new volume made up of contributions from prominent evangelical leaders argues for the importance of denominations highlighting their significant strengths while acknowledging potential weaknesses Contributors from a variety of backgrounds Anglican Presbyterian Baptist Pentecostal Lutheran and Methodist share their own personal stories related to why they identify with a particular

tradition and yet still maintain a robust sense of evangelical unity across denominational lines Far from merely highlighting differences this book celebrates the unity that believers enjoy in the gospel for the purpose of fostering productive dialogue and increased understanding within the fragmented landscape of modern evangelicalism
