The Myth of Disenchantment Jason A. Josephson-Storm,2017-05-18 This study of the early human sciences and their deep connections to spiritualism dispenses with the myth that separates magic and modernity Many theorists contend that the defining feature of modernity is our collective loss of faith in spirits myths and magic But in The Myth of Disenchantment Jason A Josephson Storm argues against this narrative showing that attempts to suppress magic have failed more often than not Even the human sciences have been more enchanted than is commonly supposed But that raises the question How did a magical spiritualist mesmerized Europe ever convince itself that it was disenchanting Josephson Storm traces the history of the myth of disenchantment in the births of philosophy anthropology sociology folklore psychoanalysis and religious studies He demonstrates that the founding figures of these mythless disciplines were in fact profoundly enmeshed in the occult and spiritualist revivals of Britain France and Germany It was in response to this milieu that they produced notions of a disenchanting world By providing a novel history of the human sciences and their connection to esotericism The Myth of Disenchantment dispatches with most widely held accounts of modernity and its break from the premodern past The Ancient Magick of Trees Gregory Michael Brewer,2019-10-08 A Comprehensive Field Guide to Over 100 Trees and Their Magical and Medicinal Uses This unique illustrated resource helps you identify more than one hundred common trees across North America and Europe and discover their medicinal and magical properties Gregory Michael Brewer provides detailed information about the mythology and symbolism of trees from around the world along with an abundance of exercises and meditations suitable for Pagans of all skill levels and traditions Featuring over two hundred illustrations this book is the only one you ll need while studying trees Whether you re seeking the scientific characteristics of a particular species or the folk traditions and remedies associated with it this is a must have guide for those who want to enhance their magical practice and their understanding of our relationship with trees The Dictionary of Magic and Mystery Melusine Draco,2012-04-16 Every good reference book is both a product and a reflection of its time The Dictionary of Magic Mystery is
