N G Chernyshevskii:

What Is to Be Done? Nikolai Chernyshevsky, 2014-05-30 No work in modern literature with the possible exception of Uncle Tom's Cabin can compete with What Is to Be Done in its effect on human lives and its power to make history For Chernyshevsky's novel far more than Marx's Capital supplied the emotional dynamic that eventually went to make the Russian Revolution The Southern Review Almost from the moment of its publication in 1863 Nikolai Chernyshevsky's novel What Is to Be Done had a profound impact on the course of Russian literature and politics The idealized image it offered of dedicated and self-sacrificing intellectuals transforming society by means of scientific knowledge served as a model of inspiration for Russia's revolutionary intelligentsia On the one hand the novel's condemnation of moderate reform helped to bring about the irrevocable break between radical intellectuals and liberal reformers on the other Chernyshevsky's socialist vision polarized conservatives opposition to institutional reform Lenin himself called Chernyshevsky the greatest and most talented representative of socialism before Marx and the controversy surrounding What Is to Be Done exacerbated the conflicts that eventually led to the Russian Revolution Michael R Katz's readable and compelling translation is now the definitive unabridged English language version brilliantly capturing the extraordinary qualities of the original William G Wagner has provided full annotations to Chernyshevsky's allusions and references and to the sources of his ideas and has appended a critical bibliography An introduction by Katz and Wagner places the novel in the context of nineteenth century Russian social political and intellectual history and literature and explores its importance for several generations of Russian radicals

What is to be Done? Nikolay Gavrilovich Chernyshevsky, 1961 **A Writer's Diary Volume 1** Fyodor Dostoevsky, 1997-07-20 Winner of the AATSEEL Outstanding Translation Award This is the first paperback edition of the complete collection of writings that has been called Dostoevsky's boldest experiment with literary form it is a uniquely encyclopedic forum of fictional and nonfictional genres The Diary's radical format was matched by the extreme range of its contents In a single frame it incorporated an astonishing variety of material short stories humorous sketches reports on sensational crimes historical predictions portraits of famous people autobiographical pieces and plans for stories some of which were never written while others appeared in the Diary itself **The Mathematical Mind of F. M. Dostoevsky**

Michael Marsh-Soloway, 2024-11-19 The Mathematical Mind of F M Dostoevsky Imaginary Numbers Non Euclidean Geometry and Infinity reconstructs the curriculum and readings that F M Dostoevsky encountered during his studies and connects such sources to the mathematical references and themes in his published works Prior to becoming a man of letters Dostoevsky studied at the Main Engineering School in St Petersburg from 1838 to 1843 After he was arrested submitted to mock execution by firing squad and sentenced to penal servitude in Siberia for his involvement in the revolutionary Petrashevsky Circle in 1849 most of his books and journals from the period of his education were confiscated and destroyed by the Third Section of the Russian Secret Police Although most scholars discount the legacy of his engineering studies the literary

aesthetics of his works communicate an acute awareness of mathematical principles and debates This book unearths subtexts in works by Dostoevsky communicating veins of mathematical thought that evolved throughout Classical Antiquity the Renaissance and the Scientific Revolution **Russian and Western Economic Thought** Vladimir Avtonomov, Harald Hagemann, 2022-10-03 This book examines the interrelations between Russian and European economics from the early 19th century to the present It analyzes how Western economic thinking such as classical economics and the marginal revolution influenced Russian economic thinking and how Western economic ideas were modified and adapted to better reflect the specific Russian circumstances of the time Moreover the contributions in this book show how these modified ideas also influenced Western economists at the end of the 19th century when Russian economics had reached the stage of professionalism and joined the international discourse on the discipline Written by an international selection of respected experts this book provides an overview of the most influential Russian economists and covers a wide range of topics such as the marginal revolution the specific influence of Marxism the evolution of mathematics and statistics in Russia in the 1890s 1920s and the unique experience of building a planned economy in the Soviet Union It is intended for all scholars and students who are interested in the history of economic thought *The Rise of the Russian Novel* Richard Freeborn, 1973-01-04 This introduction to the study of the Russian novel demonstrates how the form evolved from imitative beginnings to the point in the 1860s when it reached maturity and established itself as part of the European tradition Professor Freeborn considers selected novels by Pushkin Lermontov Gogol Dostoyevsky and Tolstoy Extended introductory sections to the studies of Dostoyevsk and Tolstoy deal with their earlier works A final chapter summarises the principal points of contrast between Crime and Punishment and War and Peace and argues that in certain specific ways they represent the peaks in the evolution of the form of the Russian novel Quotations are translated but key passages are also given in the original Professor Freeborn treats the novel as a literary form and avoids the overworked formulae on which much historical writing on Russian literature has been based He is concerned with the literary development of a great form Basic economic law of monopoly capitalism - Transition to Imperialism Erdogan A, 2022-07-19 The definition of imperialism used in order to determine if a country is imperialist or not generally is limited to its economic aspect disregarding the political aspect Lenin in his forward to Imperialism stated that pamphlet was written with an eye to the tsarist censorship Hence he said I was not only forced to confine myself strictly to an exclusively theoretical specifically economic analysis of facts but to formulate the few necessary observations on politics with extreme caution I trust that this pamphlet will help the reader to understand the fundamental economic question that of the economic essence of imperialism **Wages of Evil** Anna Schur, 2012 Anna Schur incorporates sources from philosophy criminology psychology and history to argue that Dostoevsky's thinking was shaped not only by his Christian ethics but also by the debates on punishment theory and practice unfolding during his lifetime **Collected Works, Volume 2** V. I. Lenin, 2018-09-18 Re launch of the Collected Works of the

legendary revolutionary in paperback Among the most influential political and social forces of the twentieth century modern communism rests firmly on philosophical political and economic underpinnings developed by Vladimir Ilyich Ulyanov later known as Lenin For anyone who seeks to understand the twentieth century capitalism the Russian Revolution and the role of Communism in the tumultuous political and social movements that have shaped the modern world the works of Lenin offer unparalleled insight and understanding Taken together they represent a balanced cross section of his revolutionary theories of history politics and economics his tactics for securing and retaining power and his vision of a new social and economic order This second volume contains Lenin s works from 1895 to 1897 Included are Lenin s early economic and political writings as well as his prescriptions for the program and strategy of Russian Marxism **To the Other Shore** Steven Cassedy,2014-07-14 To the Other Shore tells the story of a small but influential group of Jewish intellectuals who immigrated to the United States from the Russian Empire between 1881 and the early 1920s the era of mass immigration This pioneer group of Jewish intellectuals many of whom were raised in Orthodox homes abandoned their Jewish identity absorbed the radical political theories circulating in nineteenth century Russia and brought those theories with them to America When they became leaders in the labor movement in the United States and wrote for the Yiddish Russian and English language radical press they generally retained the secularized Russian cultural identity they had adopted in their homeland together with their commitment to socialist theories This group includes Abraham Cahan longtime editor of The Jewish Daily Forward and one of the most influential Jews in America during the first half of this century Morris Hillquit a founding figure of the American socialist movement Michael Zametkin and his wife Adella Kean both journalists and labor activists in the early decades of this century and Chaim Zhitlovsky one of the most important Yiddish writers in modern times These immigrants were part of the generation of Jewish intellectuals that preceded the better known New York Intellectuals of the late 1920s and 1930s the group chronicled in Irving Howe s World of Our Fathers In To the Other Shore Steven Cassedy offers a broad clear eyed portrait of the early Jewish emigr intellectuals in America and the Russian cultural and political doctrines that inspired them Originally published in 1997 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Fontanka 16 Charles A. Ruud,S. A. Stepanov,1999 Fontanka 16 takes a fresh look at the feared Russian tsarist secret police the Okhranka during the period of the imperial regime leading up to the Revolution of 1917 It is a fascinating account of the development of a secret police organization that wa *Guide-book to the Soviet Union* Sándor Radó,1928 **Materialism and Empirio-criticism** Vladimir Il'ich Lenin,1927 The Russian Intelligentsia Vladimir C. Nahirny, Collected Works of V.I. Lenin Vladimir

Il'ich Lenin,1927 **Dostoevsky in Love** Alex Christofi,2021-01-21 A daring and mesmerizing twist on the art of biography Douglas Smith author of Rasputin The Biography Anyone who loves Dostoevsky s novels will be fascinated by this book Sue Prideaux author of I Am Dynamite A Life of Friedrich Nietzsche Dostoevsky s life was marked by brilliance and brutality Sentenced to death as a young revolutionary he survived mock execution and Siberian exile to live through a time of seismic change in Russia eventually being accepted into the Tsar s inner circle He had three great love affairs each overshadowed by debilitating epilepsy and addiction to gambling Somehow amidst all this he found time to write short stories journalism and novels such as Crime and Punishment The Idiot and The Brothers Karamazov works now recognised as among the finest ever written In Dostoevsky in Love Alex Christofi weaves carefully chosen excerpts of the author s work with the historical context to form an illuminating and often surprising whole The result is a novelistic life that immerses the reader in a grand vista of Dostoevsky s world from the Siberian prison camp to the gambling halls of Europe from the dank prison cells of the Tsar s fortress to the refined salons of St Petersburg Along the way Christofi relates the stories of the three women whose lives were so deeply intertwined with Dostoevsky s the consumptive widow Maria the impetuous Polina who had visions of assassinating the Tsar and the faithful stenographer Anna who did so much to secure his literary legacy Reading between the lines of his fiction Christofi reconstructs the memoir Dostoevsky might have written had life and literary stardom not intervened He gives us a new portrait of the artist as never before seen a shy but devoted lover an empathetic friend of the people a loyal brother and friend and a writer able to penetrate to the very depths of the human soul Lenin Beryl Williams,2014-06-17 Drawing on the flood of new material to emerge from Russian and Western sources in recent years Beryl Williams focuses on Lenin s years in power and provides first rate introduction to the life ideology and impact of one of the formative figures of the 20th century Within an overall chronological framework Williams examines topics such as cultural revolution foreign policy and expansion As well as being an examination of Lenin s life and work this is an up to date evaluation of recent historiographical debates and literature in the context of the period **Collected Works of V. I. Lenin: Materialism and empirio-criticism [2d ed** Vladimir Il'ich Lenin,1927 **An Introduction To Nineteenth-century Russian Slavophilism** Peter K. Christoff,2019-03-07 This book is written based on vigorous and prolonged debates between the Slavophiles and proponents of Russian Slavophilism s principal ideological rival Westernism in the mid nineteenth century It presents the analysis and evaluation of Iu F Samarin s dissertation The Positive Hero in Russian Literature Rufus W. Mathewson,2000 The positive hero was defined by the Soviets as one who set an example for the reader s behavior As early as 1860 the merits of this ideal model were a central issue in the war between literary imagination and ideological criticism that raged in Russia for a hundred years In The Positive Hero in Russian Literature Rufus W Mathewson Jr brings a period of Russian literature to life and demonstrates how the battles over the positive hero reappeared with dramatic clarity in the dissident literary movement that developed after Stalin s death Mathewson argues

that the true continuity between nineteenth and twentieth century Russian prose was to be found in this persistent conflict between contrary views of the real nature and proper uses of literature This new edition of a widely acclaimed work first published in 1958 and covering literary developments through 1946 includes chapters on Belinsky Pasternak Solzhenitsyn and Sinyavsky Book Jacket

N G Chernyshevskii Introduction

In today's digital age, the availability of N G Chernyshevskii books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of N G Chernyshevskii books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of N G Chernyshevskii books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing N G Chernyshevskii versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, N G Chernyshevskii books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing N G Chernyshevskii books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for N G Chernyshevskii books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, N G Chernyshevskii books and manuals for download have transformed the way we access information. They provide a cost-effective and

convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of N G Chernyshevskii books and manuals for download and embark on your journey of knowledge?

FAQs About N G Chernyshevskii Books

What is a N G Chernyshevskii PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a N G Chernyshevskii PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a N G Chernyshevskii PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a N G Chernyshevskii PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a N G Chernyshevskii PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not

be legal depending on the circumstances and local laws.
