"Naked and a Prisoner" ,1980 The First Taint of Civilization Francis X. Hezel, 2021-05-25 Hezel writes clearly and with erudition and commands an impressive body of information His book is a tour de force Not only will it be read eagerly by Pacific scholars but it should find a wide audience among well educated Micronesians hungry for greater understanding of how their islands have become ensuared in world geopolitics Ethnohistory Naked and a Prisoner Edward C. The Sacred Remains Richard J. Parmentier, 1987-11-05 At one level this book is a compilation of political traditions of Belau in Micronesia from the divine foundation of political systems to the present day It offers an analysis of the structures and dynamics of Belauan history identifying several forms of order and some of their potentials for change Also the author develops a critique of standard approaches to history in small scale societies He argues for a semiotic approach that recognizes the historical consciousness of actors in the society under study Native American Whalemen and the World Nancy Shoemaker, 2015-04-27 In the nineteenth century nearly all Native American men living along the southern New England coast made their living traveling the world's oceans on whaleships Many were career whalemen spending twenty years or more at sea Their labor invigorated economically depressed reservations with vital income and led to complex and surprising connections with other Indigenous peoples from the islands of the Pacific to the Arctic Ocean At home aboard ship or around the world Native American seafarers found themselves in a variety of situations each with distinct racial expectations about who was Indian and how Indians behaved Treated by their white neighbors as degraded dependents incapable of taking care of themselves Native New Englanders nevertheless rose to positions of command at sea They thereby complicated myths of exploration and expansion that depicted cultural encounters as the meeting of two peoples whites and Indians Highlighting the shifting racial ideologies that shaped the lives of these whalemen Nancy Shoemaker shows how the category of Indian was as fluid as the whalemen were mobile Submerged Cultural Resources Assessment of Micronesia Toni Carrell, 1991 Strangers in Their Own Land Francis X. Hezel, 2003-09-30 Hezel has written an authoritative and engaging narrative of a succession of colonial regimes drawing upon a broad range of published and archival sources as well as his own considerable knowledge of the region This is a conventional history and a very good one focused mostly on political and economic developments Hezel demonstrates a fine understanding of the complicated relations between administrators missionaries traders chiefs and commoners in a wide range of social and historical settings Pacific Affairs The tale of Strangers in Their Own Land is one of interplay between four sequential colonial regimes Spain Germany Japan and the United States and the diverse island cultures they governed It is also a tale of relationships among islands whose inhabitants did not always see eye to eye and among individuals who fought private and public battles in those islands Hezel conveys both the unity of purpose exerted by a colonial government and the subversion of that purpose by administrators teachers islands and visitors The history is thoroughly supported by archival materials first person testimonies and secondary sources Hezel acknowledges the power of the visual when he ends his book by describing the distinctive flags that now replace Spanish German Japanese and American symbols of rule the scene epitomizes a theme of the book global political and economic forces whether colonial or post colonial cannot erode the distinctiveness each island claims American Historical Review Signs and Society Richard J. Parmentier,2016-10-03 A major voice in contemporary semiotic theory offers a new perspective on potent intersections of semiotic and linguistic anthropology In Signs and Society noted anthropologist Richard J Parmentier demonstrates how an appreciation of signs helps us better understand human agency meaning and creativity Inspired by the foundational work of C S Peirce and Ferdinand de Saussure and drawing upon key insights from neighboring scholarly fields Parmentier develops an array of innovative conceptual tools for ethnographic historical and literary research Parmentier s concepts of transactional value metapragmatic interpretant and circle of semiosis for example illuminate the foundations and effects of such diverse cultural forms and practices as economic exchanges on the Pacific island of Palau Pindar s Victory Odes in ancient Greece and material representations of transcendence in ancient Egypt and medieval Christianity Other studies complicate the separation of emic and etic analytical models for such cultural domains as religion economic value and semiotic ideology Provocative and absorbing these fifteen pioneering essays blaze a trail into anthropology s future while remaining firmly rooted in its celebrated past

keystone of the contemporary syndemic in Oceania The author shows how tobacco consumption particularly cigarette smoking after World War II has become the central interstitial element of a syndemic that produces most of the morbidity and mortality Pacific Islanders suffer This syndemic is made up of a bundle of diseases and conditions a set of historical circumstances and events and social and health inequities most easily summed up as poverty He calls this the tobacco syndemic and argues that smoking is the crucial behavior the glue holding all of these diseases and conditions together Drinking Smoke is the first book length examination of the damaging tobacco syndemic in a specific world region It is a must read for scholars and students of anthropology Pacific studies history and economic globalization as well as for public health practitioners and those working in allied health fields More broadly the book will appeal to anyone concerned with disease interaction the social context of disease production and the full health consequences of the global promotional efforts of Big An Archaeological Investigation of Prehistoric Palauan Terraces Laurie Jo Lucking, The Journal of the Tobacco **Polynesian Society** Polynesian Society (N.Z.), 1988 Vols for 1892 1941 contain the transactions and proceedings of the An Account of the Pelew Islands George Keate, 2002-09-18 In 1783 the East India Company packet the Antelope society was wrecked on the Pelew Islands modern Micronesia Captain Henry Wilson and his crew developed unusually amicable relations with the Palauan inhabitants and when they departed the prince Lee Boo went with them to Britain Lee Boo was a figure of fashionable interest in London at once highly regarded for his intelligence yet treated also as an exotic curiosity His death from smallpox in 1784 occasioned wide regretful comment An Account of the Pelew Islands is based on extensive interviews with Captain Wilson Lee Boo and other participants This new edition reproduces the text and includes essays on its significance for late eighteenth century European culture and on the Micronesian dimensions of the voyage and the book Annotations explain and contextualize points of historical and ethnographic significance and the original fine engraved portraits artifacts and charts as well as clear new maps are included Archaeological Inventory and Oral History Survey of Hatohobei State ,2004 **History of Palau** Elizabeth Diaz Rechebei, Samuel F.
