Naked Bodies - Profile of Secret Fantasies Damelus Ezechiel Petit-Bois, 2003-03 **Secret Body** Jeffrey J. Kripal, 2017-11-14 An academic memoir addresses topics as diverse as Hindu Tantra Christian mysticism American counterculture and the history of the paranormal Los Angeles Review of Books Over the course of his twenty five year career Jeffrey J Kripal s study of religion has had two major areas of focus the erotic expression of mystical experience and the rise of the paranormal in American culture This book brings these two halves together in surprising ways through a blend of memoir manifesto and anthology drawing new connections between these two realms of human experience and revealing Kripal s body of work to be a dynamic whole that has the potential to renew and reshape the study of religion Kripal tells his story biographically historically and politically contextualizing each of the six books of his Chicago corpus from Kali s Child to Mutants and Mystics all the while answering his censors and critics and exploring new implications of his thought In the process he begins to sketch out a speculative new comparativism in twenty theses The result is a new vision for the study of religion one that takes in the best of the past engages with outside critiques from the sciences and the humanities and begins to blaze a new positive path forward A major work decades in the making Secret Body will become a landmark in the study of religion Kripal presents us with a compilation of theories cultural references and anecdotes making up an impassioned thesis about the future of religious studies and what human beings may become For all its eccentricities Kripal s work is playful engaging and original Times Higher Education **Every Girl's Secret Fantasy** Robyn Grady, 2010-11-01 Mechanic Pace Brodrick has stepped straight out of prim Phoebe s wildest fantasy oil slicked and dangerously sexy he s her perfect Mr Right Now Phoebe s long overdue on some excitement and Pace s wicked smile guarantees she ll have the thrill of her life Then Pace discovers the temptress behind Phoebe s good girl facade She drives him wild but will she want their fling to last forever when she discovers Pace has been lying to her all along For this bad boy is actually a secret millionaire *Fantasies of Gender and the Witch in Feminist Theory and Literature* Justyna Sempruch, 2008-03-01 In *Fantasies of Gender and the Witch in Feminist Theory and Literature* Justyna Sempruch analyzes contemporary representations of the witch as a locus for the cultural negotiation of genders Sempruch revisits some of the most prominent traits in past and current perceptions in feminist scholarship of exclusion and difference She examines a selection of twentieth century US American Canadian and European narratives to reveal the continued political relevance of metaphors sustained in the archetype of the witch widely thought to belong to pop cultural or folkloristic formulations of the past Through a critical rereading of the feminist texts engaging with these metaphors Sempruch develops a new concept of the witch one that challenges traditional gender biased theories linking it either to a malevolent hag on the margins of culture or to unrestrained feminine sexual desire Sempruch turns instead to the causes for radical feminist critique of feminine sexuality as a fabrication of logocentric thinking and shows that the problematic conversion of the hag into a superwoman can be interpreted today as a therapeutic performance

translating fixed identity into a site of continuous negotiation of the subject in process Tracing the development of feminist constructs of the witch from 1970s radical texts to the present Sempruch explores the early psychoanalytical writings of Cixous Kristeva and Irigaray and feminist reformulations of identity by Butler and Braidotti with fictional texts from different political and cultural contexts **Family and Relationships in Ian McEwan's Fiction** Tomasz Dobrogoszcz,2018-02-23

The book provides a lucid analysis of all Ian McEwan fiction published to date from his 1975 debut short stories up to the 2016 novel Nutshell spanning forty years of his literary career Apart from a general discussion of McEwan s works the study offers a uniform focal point it concentrates on one of the key issues taken up by the writer the aspect of relationships between partners and between family members As the book demonstrates the novelist employs interpersonal relations to establish a pertinent context in which he can dramatically portray the process of identity formation in his characters Throughout his fiction McEwan consistently uses references to psychoanalysis either veiled or direct The proposed book investigates the novelist s oeuvre through the lens of the psychoanalytic theory developed by Jacques Lacan The approach used makes the book useful both for readers well familiar with this apparatus and for those who need introduction to Lacanian psychoanalysis and such of his concepts as desire fantasy the symbolic order or the Name of the Father **The**
