Nalla On Sunday:

Monsoon Diary Shoba Narayan, 2007-12-18 Shoba Narayan's Monsoon Diary weaves a fascinating food narrative that combines delectable Indian recipes with tales from her life stories of her delightfully eccentric family and musings about Indian culture Narayan recounts her childhood in South India her college days in America her arranged marriage and visits from her parents and in laws to her home in New York City Monsoon Diary is populated with characters like Raju the milkman who named his cows after his wives the iron man who daily set up shop in Narayan's front yard picking up red hot coals with his bare hands her mercurial grandparents and inventive parents Narayan illumines Indian customs while commenting on American culture from the vantage point of the sympathetic outsider Her characters like Narayan herself have a thing or two to say about cooking and about life In this creative and intimate work Narayan's considerable vegetarian cooking talents are matched by stories as varied as Indian spices at times pungent mellow piquant and sweet Tantalizing recipes for potato masala dosa and coconut chutney among others emerge from Narayan's absorbing tales about food and the solemn and quirky customs that surround it
