Ellory, 2014-05-22 Kansas 1959 When a travelling carnival appears overnight the townsfolk of Seneca Falls are entranced But the circus brings more than just magic and illusion to the small town a dead man is discovered beneath the carousel For FBI Special Agent Michael Travis the world is clear cut But there are a lot of grey areas in this case The carnival folk are unwilling to answer a straight question and they begin to challenge Travis's once unshakeable faith in solid facts and hard evidence As the investigation turns ever more disturbing Travis is forced to question everything he believes in as a dark and horrifying conspiracy comes to light **Parables of Parenthood** Andrew Taylor-Troutman, 2014-01-22 Jesus told simple stories about common items yet his parables profoundly address our hearts and minds We offer an interpretation not only about what we read but also what we think and feel Parables of Parenthood presents modern biblical scholarship in an accessible writing style in order to model how these ancient stories continue to enrich life in the twenty first century Andrew

Taylor Troutman closely analyzes each parable with deep appreciation before applying these interpretations to his life because he believes the genius of the parables offers a glimpse of the kingdom of heaven in our everyday experience By interpreting from the author s head and heart *Parables of Parenthood* gives new luster to well known narrative gems about sowing seeds and lost sheep through personal insights about anxiety and hope Lessons about wise builders and wicked tenants are illustrated with anecdotes about a baby s food and a grandmother s rocking chair Through interpretations of other parables moments as diverse as a beach trip and an ultrasound appointment invite movement from fear to faith Through the combination of his informed Bible study and practical life experience Taylor Troutman empowers readers to connect the teachings of Jesus to our world in comforting and challenging ways *Directory of Public Elementary and Secondary Schools in Selected Districts* ,1970 *The Linguistic Turn of the English Renaissance* Shirley Zisser,2023-11-16

The Linguistic Turn of the English Renaissance A Lacanian Perspective examines a selection of cultural phenomena of the English Renaissance all of which include a focus on language from a Lacanian perspective The book examines four inter related cultural symptoms of the English Renaissance the paucity of painting the interest in rhetoric the emergence of a literary style focusing on form and a fascination with the myth of Orpheus The book argues that the English Renaissance an apex of rhetorical theory can offer psychoanalysis further knowledge concerning the intrication of language and flesh especially where feminine jouissance is at stake These language centred phenomena emerge against the backdrop of a peculiar configuration of the visual field which in contrast to other cultures of the European Renaissance is largely barren of painting other than portraiture The book will be of interest to psychoanalysts scholars of Renaissance culture and those interested in the psychoanalytic study of culture *Official Army and Air Force Register* United States.
