You Don't Have to Be a Star to Shine Shanna Lee James, 2021-01-18 You Don't Have to be a Star to Shine was written to inspire and awaken those who have read endless books by others yet may be overlooking the story you have yet to tell Could it be within your heart or imagination you have something to contribute to the literary world As long as we have breath to breathe if we can imagine we can put our thoughts on paper and see them through from print to publication For the writer of fiction imagination is the wings that carry them far beyond limitations to soar like an eagle But to the writer of non fiction such as memoir autobiography memory is the powerful tool allows those faded memories to live again just like an old photograph to be cherished and not forgotten This book is rich in anecdotal examples of how to say it better and say it best along with tips to deliver a pitch that is so compelling readers will want to read See how word enhancement can turn mediocre writing into powerful writing so the reader feels they are right there
