**Caroline and Papa** Ronald B. Schram, 2008-11 I had the career of a lifetime I was a teacher I began my teaching career believing that one person could make a difference and throughout the years I never lost sight of that conviction Teaching connected me to my students in ways quite humorous as well as heart breaking I hope the reader laughs a lot and cries only a little while walking in my footsteps as an educator Laugh with me as you read about Fred the crusty cockroach we set free to find his wife and eighty seven children In addition there is always my favorite story about the scary monster under the bed holding a student's homework hostage I fed a rooster and his hens bread crumbs for breakfast each morning until they tried to follow me in single file into the school board building one day Some difficult students in summer school mistakenly believed my black patent leather belt to be a black belt in Karate Who was I to tell them differently Coming right on top of the laughs were the times I went home to cry I remember the student new to our school who went home one evening and hung himself his cries for help coming too late I remember with equal sadness the foster child we sponsored in Kenya who died because help did not reach him in time Closer to home was the overage student who was shot and killed while he participated in a home invasion just days after he finished summer school Outside factors reached inside our classroom as well reeking havoc with the emotions of both the children and me The disastrous space shuttle with the teacher on board happened before our very eyes while the greatest tragedy of all was the destruction of the twin towers on 9 11 These stories and many more comprise my educational career and although there was no easy button I would do it all over again I was a teacher

*Jesus, Josiah, and Me* Max Davis, 2021 FROM BEST SELLING AUTHOR AND AWARD WINNING JOURNALIST MAX DAVIS You can know undeniably that Jesus is real and fully present even when your feelings and circumstances scream the opposite Best selling author and journalist Max Davis had his life

turned upside down when he experienced a supernatural encounter with a nine year old nonverbal autistic boy named Josiah Cullen This special boy who lived in Minnesota had prophetic visions and messages from God about Max who lived in Louisiana even though the two had never met or had any contact These messages which Josiah typed with one finger were packed with amazing biblical insight and highly detailed specifics about Max s life details that Josiah could not possibly have known unless they were revealed to him by the Holy Spirit As a skeptical journalist who pursues truth Max gained undeniable evidence that God is real and knows us personally Even more compelling is that the prophetic messages centered around Max s personal prayer life Just like in John 1 48 when Jesus let Nathanael know He saw him praying under the fig tree through Josiah God was letting Max know that He sees us when we pray too even though circumstances often scream the opposite Life can be brutal and we tend to equate pain and struggle with the absence of God Yet nothing could be further from the truth Regardless of how things may appear Jesus is real alive and fully present and living in that awareness changes everything In Jesus Josiah and Me Max Davis shows you that it is possible to encounter the living Jesus in a richer and more tangible way that you can cultivate an awareness of His reality and know your prayers are affecting outcomes More than an amazing account of Max s encounter with an autistic boy that sparks faith and hope it s a story that unveils the mystery of experiencing God s presence and power like never before This book will encourage your faith by showing you that you can encounter the living Jesus in a richer and more tangible way It will unveil the mystery of experiencing God s presence and power like never before

Family Lessons Steven H. Propp, 2006-12-03 Who says it s easy to raise kids these days Certainly not Nana and Papa the proud grandparents and definitely not the parents other grandparents and great grandparents and aunts and uncles of 7 year old Deion and his younger cousins Joshua and Donovan But Life is for learning and that s just what takes place whether it s while going to the park playing on the computer talking a walk making music playing football eating fast food playing board games going to the State Fair or just doing homework not to mention celebrating birthdays and observing holidays such as Valentine s Day Easter Mother s Day the 4th of July Halloween and Christmas The lessons of life may involve the miracle of new birth or the passing away of a loved one but they are always shared in a gentle and loving way Inspired by the real life adventures trials and tribulations of real life kids Family Lessons is a heartfelt celebration of the joy wonder and beauty of children told from the perspective of Nana and Papa Teague who undoubtedly learn more lessons from their grandchildren than they ever impart to them

*Premonitions The Life Of Diana Romano* Anna Lambert, 2011-06-28 For years I have carried the guilt of my grandfather s death If I had told Momma Daddy Nana or even Papa himself about the shadow that I was seeing around him or the bad that I felt coming from him that night when I touched him Then maybe Papa would have lived When I first began to have the Premonitions of Matt s death and when I realized that it was the same as what I saw and felt with Papa that night it scared me more than anything has since Papa left The weekend that this all began I really thought it was my punishment for letting Papa die I thought that I was in some kind of Purgatory Now Purgatory or

even Hell would seem like a picnic in a park With all Matt and I have been through in these months trying to stay together Matt is the love of my life my soul mate my angelic prince he s my breathe my oxygen and my every heartbeat but I sit here waiting to become a fifteen year old widow though our parents have never acknowledged our marriage If I don t fight my fears of Daddy s reaction and do what the voices have told me and the dreams have shown me then Matt will die violently and painfully If Matt dies it is my fault just as it was with Papa
