Close Encounters Carolyn Keene, 2012-05-22 Could aliens actually exist in small town Vermont Nancy suspects not Nancy Bess and George have driven from River Heights to northern Vermont to visit a friend of George and her mom's who owns a quaint touristy small restaurant caf in a town near a major ski resort They are amazed that though it is past the

height of foliage season and barely ski season there is a traffic jam of cars waiting to catch a ferry they decide to drop out of line and drive to a local diner When they question the waitress about what is going on she is surprised they haven't heard but there have been repeated and credible UFO sightings over the border in ski country in Vermont George jokes about little green men in snowsuits Bess suggests the men are red but wearing green snowsuits Nancy simply cracks up but grows serious when the waitress reveals that even Federal government investigators have been called in Vermont is turning into a North Country Roswell New Mexico It's been great for business here and throughout northern Vermont particularly for the town at the foot of the ski resort but we're all getting a little tired of the crowds the waitress confides Getting Burned Carolyn Keene,2012-05-22 Another great installment in a New York Times bestselling series In 20 Getting Burned the local animal shelter burns down and if it doesn't find the money to rebuild Rackham Industries will buy the land and build another warehouse Nancy is sure the fire was arson even though police and fire chiefs agree it's merely a case of faulty wiring She's determined to save the shelter and there are only two ways to do it 1 prove that someone from Rackham Industries caused the fire or 2 raise enough money so the shelter can afford a new building **Pit of Vipers** Carolyn Keene,2012-05-15 This New York Times bestselling girl detective has one hot summer ahead River Heights is in an uproar when the local zoo reports that one of its exotic venomous snakes has been snake napped It's only a matter of hours though before an anonymous tip leads the police to the missing critter in the home of Nancy's friend Charles Adams Nancy isn't sure what to think of all this until Charles appeals to her to help him prove his innocence She can't resist taking the case If he really is innocent perhaps she can help clear his name If he's guilty she'll be able to satisfy herself to that fact as well **Riverboat Ruse** Carolyn Keene,2012-05-08 How about a seat at a mystery dinner on a riverboat Yes please I jumped at the invitation to go along with Bess George and George's mom who was hired to cater the dinner It's all fun until there's an actual theft and there's nothing like a good crime to stop a party Since I've got the magnifying glass it's up to me to catch sticky fingers before this dinner's sunk *Secret of the Spa* Carolyn Keene,2012-05-01 When I scored tickets to the grand opening of a new spa in town I knew I had to take Bess George came along too but she's been acting so weird I knew this wouldn't be her idea of a total blast but she's just been no fun at all It's unlike her to be such a grouch But then this new spa isn't turning out to be much fun either Deirdre's here for starters And someone's tampering with the food and trying to take the luxury out of this otherwise luxurious place Something stinks in this spa and if I can't sniff it out my name's not Nancy *Identity Revealed* Carolyn Keene,2009-03-24 **IDENTITY REVEALED** My online sleuthing has led my friends and me down the Internet rabbit hole After joining BetterLife an online community to try to stop a case of cyberbullying from the inside the bullies turned on me And now I'm close to revealing their true identities in real off line life All the clues I've found have pointed me in one direction but is it a false trail Before I can expose the madmen behind the mayhem I need to be absolutely sure that they're the ones wreaking havoc all over BetterLife But how can I be sure when nothing on the Internet is as it seems Catching this

crook might be more difficult than even I anticipated *The Perfect Escape* Carolyn Keene,2012-06-12 Nancy is held hostage and it s up to Bess and George to save the day and their friend What started out as a simple undercover mission at a beauty pageant in New York City has turned into complete chaos The pageant s sponsor Pretty Face Cosmetics knows that Nancy has uncovered a big secret about their product and now she s in serious trouble They want to keep her quiet no matter what it takes **Perfect Cover** Carolyn Keene,2011-10-18 My friends and I are headed to the Big Apple George Bess and I continue our investigation of the Miss Pretty Face Beauty Pageant in New York City where the next round of competition is being held When I get there Pretty Face Cosmetics seems creepier than ever Suspicious security men animal rights protesters and a mysterious scientist make this the craziest case I ve ever investigated And when someone suddenly goes missing I realize it just might be the most dangerous
