Even as historians credit Ronald Reagan and Pope John Paul II with hastening the end of the Cold War they have failed to recognize the depth or significance of the bond that developed between the two leaders Acclaimed scholar and bestselling author Paul Kengor changes that In this fascinating book he reveals a singular bond which included a spiritual connection between the Catholic pope and the Protestant president that drove the two men to confront what they knew to be the great evil of the twentieth century Soviet communism Reagan and John Paul II almost didn't have the opportunity to forge this relationship just six weeks apart in the spring of 1981 they took bullets from would be assassins But their strikingly similar near death experiences brought them close together to Moscow's dismay Based on Kengor's tireless archival digging and his unique access to Reagan insiders *A Pope and a President* is full of revelations It takes you inside private meetings between Reagan and John Paul II and into the Oval Office the Vatican the CIA the Kremlin and many points beyond Nancy Reagan called John Paul II her husband's closest friend Reagan himself told Polish visitors that the pope was his best friend When you read this book you will understand why As kindred spirits Ronald Reagan and John Paul II united in pursuit of a supreme objective and in doing so they changed history      *I Love You, Ronnie* Nancy Reagan,2002-02-26 No matter what else was going on in his life or where he was traveling to make movies at the White House or sometimes just across the room Ronald Reagan wrote letters to Nancy Reagan to express his love thoughts and feelings and to stay in touch Through these extraordinary letters and reflections the private character and life of an American president and his first lady are revealed Nancy Reagan reflects with love and insight on the letters on her husband and on the many phases of their life together A love story spanning half a century and the private life of this classic American couple come vividly alive in this rare and inspiring book      **The American Presidency** Kenneth E. public service of President Reagan      *Send Me Some Love in the Mailbox* Cherie M Turlington,2014-04-22 An actual handwritten love letter from one heart to another heart delivered by mail is becoming a rare and exquisite treasure in our fast paced technologically driven world What many do not realize is that this precious abiding record of love and life is becoming lost for future generations Up until the last few decades families and friends communicated by letters and postcards This left an enduring record for their children grandchildren and future historians of their loves joys sorrows successes and failures in life This mode of communication is becoming increasingly rare and we are losing a very personalized way of building deep relationships with our loved ones through the written word I hope you find the joy of putting pen to paper sharing your thoughts loves and the memorable moments of your life with those you hold dear I hope you have a wonderful life filled with love letters from friends and family that hold the memories you cherish I hope you discover the joy of love in the mailbox      **American Presidents** Fenton S.
