Blythe has plenty of drama to keep her busy every single day But no amount of that drama could change the family s beloved annual summer trip to Nantucket Blythe has always treasured the months spent at her island home away from home and has fond memories of her children growing up there But this summer s getaway proves to be much more than she bargained for Yes there are sunny days enjoyed at the beach But Blythe must contend with teenage angst her ex mother in law s declining health and a troubling secret involving her ex husband Meanwhile Blythe reconnects with her first love her former high school sweetheart Aaden But their second time around romance becomes complicated when another intriguing man enters the picture It s all a bit out of Blythe s comfort zone This particular island summer may not be as relaxing as Blythe had hoped but she s never felt that life has given her more than she can handle especially when she has the love and support of her family around her
