Napoleon Iii And The Second Empire:

Napoleon III and the Second Empire Roger D. Price, 2002-09-11 In *Napoleon III and the Second Empire* Roger D Price considers the mid century crisis which provided Louis Napoleon Bonaparte with the opportunity to gain elective office as President The author outlines the objectives of Napoleon III and provides A historiographical review of the ruler and his regime Details of changing historical attitudes to the period A survey of Napoleon III s economic social and political impact An outline of the man s reign and his achievements *Louis Napoleon and the Second Empire* J. M. Thompson, 2017-07-11 An excellent one volume portrait of Napoleon III and the short lived second French Empire which was brought to ruins by the 1870 Franco Prussian war ONCE again J M Thompson has given us a colorful arresting and interpretative account of a period of French history this time of the Second Empire In this instance as in previous works the author makes the biography of a man Louis Napoleon the vehicle for a history of a period thereby infusing the warmth of a very human personality throughout the history of a complex and fateful era Thus we follow the life of a man who followed his star of fate from youthful refugee to insurrectionist prisoner president emperor economic reformer arbiter of a continent prisoner of war and alas to refugee again until death Nothing of the romance the contrasts the shaded significances is lost by the author s telling Those who have read his French Revolution and Napoleon Bonaparte cannot fail to discern and appreciate the same trenchant pen and deft brush which restore life and odor to a much told tale of the past While Mr Thompson does not attempt to conceal the faults and mistakes of the man in the main he joins with some current revisionists in understanding not justifying the crime of December 2nd and crediting Napoleon Ili with constructive policies at home and abroad and exonerating him of the major responsibility for the outbreak of the war of 1870 The author rightly blames Bismarck and French public opinion of all classes for pushing Louis Napoleon into the war p 272 rather than just a small war party and the empress Lynn M Case
