Napoleon and the Revolution D. Jordan,2012-07-24 This new study of Napoleon emphasizes his ties to the French Revolution his embodiment of its militancy and his rescue of its legacies Jordan s work illuminates all aspects of his fabulous career his views of the Revolution and history the artists who created and embellished his image and much of his talk about himself and his achievements Ruthless Rulers C.S. Denton,2016-07-29 Throughout history all monarchs have lived with the same dichotomy of simultaneously being human and more than human In our time when monarchs seem little more than tourist curiosities and democracy is taken for granted it is easy to forget just how much power pre democratic rulers once wielded The rulers and holders of political power in this book were all possessed of vast in many cases absolute power power which was often exercised arbitrarily and unjustly What unites the figures in this book is that they all in one way or another failed to live up to the extravagantly high hopes invested in them and as a consequence have been judged harshly by history A few such as George III might have been remembered more kindly were it not for mental illness changing their status from that of hero to villain Some like Louis XVI were unfairly transformed into monsters by hostile propaganda while others such as Pete the Great have been both celebrated as heroes and denounced as tyrants often in the same breath Finally there are those rulers who like Caligula or Ivan the Terrible may well fully deserve their evil reputations Ruthless Rulers is a study in how often rulers were carried away or overwhelmed by their exalted status while a few were even driven over the edge into madness **Emperor of His Mind** Pasquale De Marco,2025-05-18 Napoleon Bonaparte is one of the most iconic figures in history His rise to power his military conquests and his eventual downfall have been the subject of countless books articles and films In this groundbreaking new biography historian Pasquale De Marco offers a fresh perspective on Napoleon s life and legacy Drawing on new research and sources Pasquale De Marco paints a vivid portrait of a complex and fascinating man Pasquale De Marco explores Napoleon s military genius his political acumen and his personal life He also examines Napoleon s impact on France Europe and the world Pasquale De Marco argues that Napoleon was a brilliant military leader who revolutionized warfare He was also a gifted administrator who modernized France and laid the foundation for the modern nation state However Napoleon s ambition ultimately led to his downfall His invasion of Russia in 1812 was a disaster and he

was eventually defeated at the Battle of Waterloo in 1815 Despite his downfall Napoleon s legacy is complex and enduring He was a man of great talent and ambition but he was also flawed and capable of great cruelty He left a lasting impact on France and the world and his story continues to fascinate people to this day Emperor of His Mind is a must read for anyone interested in Napoleon Bonaparte or in the history of France and Europe Pasquale De Marco offers a fresh and insightful perspective on one of the most important figures in history If you like this book write a review on google books
