**Narcissism and Entitlement** David R. Champion, 2003 Champion's research relates narcissism Machiavellianism and entitlement to sexual aggression and explores the implications for criminology Champion examines the premise that sexually aggressive men possess distinct cognitively structured belief systems and sexual aggressors tend to be more narcissistic Machiavellian and sexually experienced than other men Champion postulates that entitling personality structures are associated with sexual aggression and speculates on the implications of this for future criminological study **Narcissism and Entitlement** David R. Champion, 2003 Champion's research relates narcissism Machiavellianism and entitlement to sexual aggression and explores the implications for criminology Champion examines the premise that sexually aggressive men possess distinct cognitively structured belief systems and sexual aggressors tend to be more narcissistic Machiavellian and sexually experienced than other men Champion postulates that entitling personality structures are associated with sexual aggression and speculates on the implications of this for future criminological study *The Life of I* Anne Manne, 2015-08-03 Far from being the work of a madman Anders Breivik's murderous rampage in Norway was the action of an extreme narcissist As the dead lay around him he held up a finger asking for a Band Aid Written with the pace of a psychological thriller *The Life of I* is a compelling account of the rise of narcissism in individuals and society Manne examines the Lance Armstrong doping scandal and the alarming rise of sexual assaults in sport and the military as well as the vengeful killings of Elliot Rodger in California She looks at narcissism in the pursuit of fame and our obsession with making it She goes beyond the usual suspects of social media and celebrity culture to the deeper root of the issue how a new narcissistic character type is being fuelled by a cult of the self and the pursuit of wealth in a hypercompetitive consumer society *The Life of I* also offers insights from the latest work in psychology looking at how narcissism develops But Manne also shows that there is an alternative how to transcend narcissism to be fully alive to the presence of others how to create a world where love and care are no longer turned inward **Handbook of Sexuality-Related Measures** Terri D. Fisher, Clive M. Davis, William L. Yarber, 2013-09-13 This classic and invaluable reference Handbook written for sex researchers and their students has now been completely revised in a new edition complete with its own companion website It remains the only easy and efficient way for researchers to learn about evaluate and compare instruments that have previously been used in sex research In this third edition of the Handbook 218 scales complete with full descriptions and psychometric data are made available with additional information provided at the companion website for this volume **Sex in College** Richard McAnulty, 2012-03-30 Experts address key issues from attitudes and behaviors to harassment and homophobia related to sexuality among college students With essays by a wide range of knowledgeable contributors *Sex in College The Things They Don't Write Home About* draws on recent research to examine just about every aspect of its intriguing subject The book begins with general chapters that offer historical cross cultural and theoretical perspectives on college students sexual

attitudes and behaviors One chapter offers a framework for understanding the unique developmental perspective of young adults Another chapter explores the research methods used to study college students sexual practices Subsequent chapters cover dating and intimacy on campus the perspective of young adults about love sexuality education and classes and sexual orientation The darker side of college sexuality is also examined in chapters centering on such topics as infidelity in college dating relationships homophobia and sexual harassment on campus sexual risk taking and sexually transmitted infections sexual problems and dysfunction among young adults and sexual assault among college students

**Sexual Assault Prevention on College Campuses** Matt J. Gray,Christina M. Hassija,Sarah E. Steinmetz,2016-07-28 Sexual assault continues to be a problem on college campuses despite greater attention to reducing rates of assault and an increased presence in the public discourse Programming has been historically directed towards women by providing them with information about how to keep themselves safe rather than confronting a climate conducive to sexual violence This important volume illuminates the urgency of combating sexual violence on college campuses The authors depict in detail empirically supported approaches to combating climates conducive to sexual violence and ways to empower all members of the campus community to actively prevent sexual violence

*The New Campus Anti-Rape Movement* Caroline Heldman,Alissa R. Ackerman,Ian Breckenridge-Jackson,2018-05-29 After 40 years of activists working to reduce sexual violence on college campuses in 2014 the new Campus Anti Rape Movement CARM finally put this issue on the national policy agenda President Barack Obama credited an inspiring wave of student led activism for catapulting campus rape into public consciousness This book positions the new CARM within a long history of anti sexual violence activism in the U S The authors describe the major events of this new movement and how it coalesced The authors also analyze the new CARM through a social movement lens and examine the role of new laws and social media in facilitating movement successes The book argues that the new CARM laid the groundwork for the emergence of MeToo the highest profile campaign against sexual harassment violence to date in U S history

**Unmasking the Sexual Offender** Veronique N. Valliere,2022-12-30 This book unmasks the sexual offender by providing clear comprehensible information about the motivations techniques and dynamics of sexual offenders and their behavior It not only explores the biases and myths that the reader may rely upon to understand deviance but also explains pathways to offending the distorted thinking and relating that offenders engage in and the ways offenders manipulate and exploit others Sexual offenders are surrounded by mythology fascination and revulsion People who commit sexual offenses present difficult and complicated issues interpersonally as well as in treatment and management denial victim blaming aggression and blatant chronic deception are inherent in interactions with them Unfortunately the failure to truly understand their motives and techniques helps provide excuses for and further camouflage of their deviance The first part of the text explores the presumptions commonly adopted about sexual offenders and shows how misinformation supports the inappropriate behavior of the sexual offender The second section focuses on exposing the sexual offender using

straightforward language and tangible examples A final third section includes safety and management strategies for dealing with sex offenders for those both inside and outside the realms of law enforcement and offender supervision This book is intended for anyone interested in learning about sexual offenders It is useful for both professionals and non professionals including students paralegals victim advocates and others involved in the criminal justice system or mental health field

Sam Human,2023-06-01 Most serial murderers undeniably spring from abusive or neglected childhoods and or are potentially predisposed to various genetic sociopathic or schizophrenic afflictions rendering the root cause of their murderous behaviour a complex lethal combination of factors What is less credited however is the role of pathological narcissism and narcissistic personality disorder NPD in the making of a serial killer Narcissistic rage sexual narcissism necrophilia and cannibalism are all driven by a need to control and satisfy a grandiose sense of entitlement for personal pleasure and of those narcissistic rage is possibly the most dangerous factor of all in the understanding of serial rape and

murder In this riveting book the author explores the role of NPD through the lived experiences of various serial murderers and showcases the profiles of both infamous and lesser known serial offenders from South Africa and around the world From the blatant callous criminality of the likes of Jason Rohde Dr Wouter Basson and Henri van Breda to the unspeakable cruelty of serial rapists and murderers like Ted Bundy Jeffrey Dahmer Kobus Geldenhuys the Norwood killer and Don Steenkamp the Griekwastad murderer this book reveals the role pathological narcissism might have played in some of the most notorious and gruesome criminal cases of our times Just one warning Don t read this book at night *Handbook of Psychopathy* Christopher J.
