## **Narcibistic Giving A Study Of People Who Cheat In Relationships:**

**Narcissistic Giving** Gerald Alper, 1996-04 In *Narcissistic Giving* Gerald Alper chronicles the unconscious defenses gambits and strategies by which frightened people seek to escape the imagined terrors of relating to one another and to themselves

**Knowing If It's the Real Thing** Gerald Alper, 2004 In this exciting and original work Gerald Alper illuminates the crucial elements that together constitute intimacy *Knowing If It's the Real Thing* offers a radical departure from today's popular yet mythological belief that if two people stay together in an adaptive productive and moderately mutually enhancing way they will achieve the most a relationship can offer Some issues discussed in the book are the basic ingredients and rudimentary ground rules of postmodern intimacy how to discover the arena in which one feels most comfortable in expressing intimate feelings the many ways that sincere efforts to connect can completely misfire and how to build up defenses dodge self reproach and retain one's dignity and sense of trust following a serious break up

**Marketing** Michael John Baker, 2001

**Consumption: Disciplinary approaches to consumption** Daniel Miller, 2001

**Consumer Behavior: Possessions, brands and the self** Margaret K. Hogg, 2006 Contains classic and contemporary writings including some of the most provocative and influential contributions to the field from across the social sciences thus representing the increasing interdisciplinary richness of research in consumer behavior

**Consumer Behavior II: Possessions, brands and the self** Margaret K. Hogg, 2006

**Like a Movie** Gerald Alper, 2004-03-03 *Like a Movie* uses films as a stepping stone window and metaphor to explore fundamental interpersonal issues And what better metaphor than images over 60 feet high elevated to the status of pop icon that mirror and beckon us from every nook and cranny of our image loving surface worshipping culture

**Portrait of the Artist as a Young Patient** Gerald Alper, 1997-07 *Portrait of the Artist as a Young Patient* the first book of non fiction written by Gerald Alper is also the first serious attempt to explore in depth the dynamics of the yet to be recognized unfulfilled and usually perplexed fledgling artist The artist tries to live in two separate worlds a factual linear banal reality driven outer world that is best kept at arm's length and a creatively organized aesthetically orchestrated dramatically engaging inner world that is forever being obsessively cultivated Indeed facilitating the patient in his or her efforts to forge a usable bridge between these generally discontinuous worlds is no small part of the task of the therapist who elects to work with such young artists

**Power Plays** Gerald Alper, 1998 *Power Plays* is a brilliant depiction of what happens when there is a covert attempt to impose rules on the behavior of the other rules moreover which regardless of how they are rationalized are patently meant to benefit only one person As such it may be the first phenomenological treatment of power transactions between people from a psychodynamic and interpersonal framework A major theme throughout is that the power plays that are not politicized are as abusive if not more so than those that are if only because they often go unrecognized
