The Revolt of the Primitive Howard Schwartz, 2017-09-29 The Revolt of the Primitive explores the psychological dynamics of political correctness and gender warfare Author Howard Schwartz argues that perceptions of men as abusers sexual predators and deadbeat dads have become firmly entrenched in our culture due to fantasy rather than solid objective facts This volume delves into the psychological forces that have given rise to these ideas and reveals the hard facts about men and women in our society Schwartz illustrates how feminists have taken the most vulgar stereotype of men and pronounced it a universal and inviolable cultural norm He then examines his thesis in the context of work and the work organization discussing how the feminization of the workplace has been driven by the archetypal need to remake it into a maternal world banishing the limitations that shape survival and progress He examines the traditional sexual division of labor and its alleged oppressive nature He also discusses the psychological forces that drive the idea of placing women in combat roles in the military Howard S Schwartz is a professor of organizational behavior in the School of Business Administration at Oakland University in Rochester Michigan and is one of the founders of the International Society for Psychoanalytic Study of Organizations IPSO

The Leader on the Couch Manfred F. R. Kets de Vries, 2011-01-31 Despite the proven benefits of emotional intelligence organizational life has typically been hostile to the inner world of feeling Rationality is deemed superior to feeling which can contaminate judgment But without feeling there is no passion and no action This book sets out to change people and organizations for the better by revealing the dark side of leadership behaviour and its impact on performance Tapping into the startling parallels between the journey to emotional intelligence the process of psychoanalysis the practice

of leadership coaching and the Zen journey to enlightenment renowned thinker Manfred Kets de Vries helps executives consultants and coaches to peel back the layers of self deception and reveal how inner personality largely hard wired since early childhood affects the way they lead and manage others **Being a Systems Psychodynamic Scholar** Frans Cilliers, 2019-12-17 This Festschrift has been compiled by Sanchen Henning in honour of the work of Professor Frans Cilliers On behalf of colleagues and friends in South Africa and abroad she illustrates their appreciation and respect for his role as scholar in Systems Psychodynamics He produced various pioneering research projects in Organisational Psychology as his field of study through the Systems Psychodynamic lens A specific feature and contribution of the book is the application of Systems Psychodynamics to organisational matters and leadership consulting as well as to the lived experiences of postgraduate students and academics The chapters include themes relevant on individual group and organisational levels and are intended to contribute to the body of knowledge in the field
