

The background of the cover is a stylized illustration. A woman with dark hair, wearing a pink top and a long red skirt, is swinging on a swing set. The swing set has a large red canopy. Below her, a cityscape is visible with white buildings, domes, and minarets. A blue palm tree stands on the right. The sky is light blue with a few birds. At the bottom, there is a decorative border with a repeating pattern of red and white stars.

Narodnye Dukhovnye Stikhi:

Russkie narodnye dukhovnye stikhi F. M. Selivanov, 1995 *The Sign of the Cross* Daniel Rancour-Laferriere, 2017-09-08

This book presents a unique effort to create a new understanding of the Christian sign of the cross. At its core it traces the conscious and unconscious influence of this visual symbol through time. What began as the crucifixion of a Jewish troublemaker in Roman occupied Judea in the first century eventually gave rise to a broad spectrum of readings of the instrument used to accomplish such a punishment: a cross. The author argues that Jesus was a provocative, grandiose masochist whose suffering and death initially signified redemption for believers. This idea gradually morphed into a Christian sense of freedom to persecute and wage war against non-believers; however, as can be seen in the Crusades wars of the cross. Many believers even construed the murder of their savior as a crime perpetrated by the Jews, and this paranoid notion culminated in the mass murder of European Jews under the sign of the Nazi hooked cross, Hakenkreuz. Rancour Laferriere's book is expertly written and argued; it will be readable to a large audience because it touches on many areas of controversy, interest, and scholarship. The work is critical but not unfair; it employs psychoanalysis, art history, the study of the symbol of the cross in works of art, religion, and religious texts, and world history generally. The interweaving of these various themes is what gives this work its ability to draw in readers and will ultimately be what keeps the reader interested through the conclusion.

A Handbook of Biblical Reception in Jewish, European Christian, and Islamic Folklores Eric Ziolkowski, 2017-08-21. This first volume of a two-volume Handbook treats a challenging, largely neglected subject at the crossroads of several academic fields: biblical studies, reception history of the Bible, and folklore studies or folkloristics. The Handbook examines the reception of the Bible in verbal folklores of different cultures around the globe. This first volume, complete with a general Introduction, focuses on biblically derived characters, tales, motifs, and other elements in Jewish, Mizrahi, Sephardi, Ashkenazi, Romance, French, Romanian, German, Nordic, Scandinavian, British, Irish, Slavic, East, West, South, and Islamic folkloric traditions. The volume contributes to the understanding of the Hebrew Bible, Old Testament, the New Testament, and various pseudepigraphic and apocryphal scriptures, and to their interpretation and elaboration by folk commentators of different faiths. The book also illuminates the development, artistry, and migration of folktales, opens new areas for investigation in the reception history of the Bible, and offers insights into the popular dimensions of Jewish, Christian, and Muslim communities around the globe, especially regarding how the holy scriptures have informed those communities' popular imaginations.

An Anthology of Russian Folk Epics James Bailey, Tatyana Ivanova, 2015-05-20. An extensive introduction provides basic information about Russian epics: their historical background, their poetics, the history of their collection, their performance context, and their main interpretations. In addition, there is a short introduction to each song explaining its plot, allusions, and interpretations. A glossary of common terms and a selected bibliography of studies about the Russian epic in English and Russian are also included in the volume.

Castration and the Heavenly Kingdom Laura

Engelstein,2018-09-05 Of the many sects that broke from the official Russian Orthodox church in the eighteenth century one was universally despised Its members were peasants from the Russian heartland skilled in the arts of animal husbandry who turned their knives on themselves to become eunuchs for the kingdom of heaven s sake Convinced that salvation came only with the literal excision of the instruments of sin they were known as Skoptsy the self castrated Their community thrived well into the twentieth century when it was destroyed in the Stalinist Terror In a major feat of historical reconstruction Laura Engelstein tells the sect s astonishing tale She describes the horrified reactions to the sect by outsiders including outraged bureaucrats physicians and theologians More important she allows the Skoptsy a say in defining the contours of their history and the meaning behind their sacrifice Her deft handling of their letters and notebooks lends her book unusual depth and pathos and she provides a heartbreaking account of willing exile and of religious belief so strong that its adherents accepted terrible pain and the denial of a basic human experience Although the Skoptsy express joy at their salvation the words of even the most fervent believers reveal the psychological suffering of life on society s margins No foreign tribe or exotic import the sect drew its members from the larger peasant society where marriage was expected and adulthood began with the wedding night Set apart by the very act that guaranteed their redemption these lambs of God became adept at concealing their sectarian identity as they interacted with their Orthodox neighbors Interaction was necessary Engelstein explains since the survival of the Skoptsy depended upon recruitment of new members and on success in agriculture and trade Realizing that some prejudices have changed little over the centuries Engelstein cautions that we must not cast the shadow of our own distress on the story of the Skoptsy Their physical suffering was something they willingly embraced In Castration and the Heavenly Kingdom she has produced a remarkable history that also illuminates the mysteries of the human heart

Chekhov and Russian Religious Culture Julie W. De Sherbinin,1997 Chekhov and Russian Religious Culture is an innovative study of the Virgin Mary and the saintly harlots Mary of Egypt and Mary Magdalene as a cultural paradigm encoded in Chekhov s prose De Sherbinin establishes the authority of the Marian paradigm in nineteenth century Russian culture with a comprehensive overview of salient religious and literary texts then offers critical readings of more than fifteen Chekhov stories including key works such as Peasants Peasant Women and My Life De Sherbinin argues that Chekhov inverts and displaces the Christian meanings of Marian texts in order to reveal a vasy array of problematized relationships to the canonized figures This illuminating semiotic reading of Chekhov explores questions of female identity as it probes the mindset of Russian Orthodox popular culture

The Oxford Handbook of Mary Chris Maunder,2019-08-07 The Oxford Handbook of Mary offers an interdisciplinary guide to Marian Studies including chapters on textual literary and media analysis theology Church history art history studies on devotion in a variety of forms cultural history folk tradition gender analysis apparitions and apocalypticism Featuring contributions from a distinguished group of international scholars the Handbook looks at both Eastern and Western perspectives and attempts to correct imbalance in previous books on Mary

towards the West The volume also considers Mary in Islam and pilgrimages shared by Christian Muslim and Jewish adherents While Mary can be a source of theological disagreement this authoritative collection shows Mary's rich potential for inter faith and inter denominational dialogue and shared experience It covers a diverse number of topics that show how Mary and Mariology are articulated within ecclesiastical contexts but also on their margins in popular devotion Newly commissioned essays describe some of the central ideas of Christian Marian thought while also challenging popularly held notions This invaluable reference for students and scholars illustrates the current state of play in Marian Studies as it is done across the world

Last Judgment Iconography in the Carpathians John-Paul Himka, 2018-10-11 Few subjects in Christianity have inspired artists as much as the last judgment Last Judgment Iconography in the Carpathians examines images of the last judgment from the fifteenth century to the present in the Carpathian mountain region of Ukraine Poland Slovakia and Romania as a way to consider history free from the traditional frameworks and narratives of nations Over ten years John Paul Himka studied last judgment images throughout the Carpathians and found a distinctive and transnational blending of Gothic Byzantine and Novgorodian art in the region Piecing together the story of how these images were produced and how they developed Himka traces their origins on linden boards and their evolution on canvas and church walls Tracing their origins with monks he follows these images increased popularity as they were commissioned by peasants and shepherds whose tastes so shocked bishops that they ordered the destruction of depictions of sexual themes and grotesque forms of torture A richly illustrated and detailed account of history through a style of art Last Judgment Iconography in the Carpathians will find a receptive audience with art historians religious scholars and slavists

The New Third Rome Jardar Østbø, 2016-05-03 Drawing on theories of political myth and concepts of nationalism Jardar Østbø analyzes the content and ideological function of the myth of Russia as a Third Rome Through case studies of four prominent nationalist intellectuals Østbø shows how this messianic myth was used to reinvent Russia and its allegedly rightful place in the world after the collapse of the Soviet Union Though it exists in many radically different versions the Third Rome myth in general embodies particularism and rabid anti Westernism At best it portrays Russia as an essentially isolationist country At worst it casts the country as superior to all other nations divinely elected to rule the world

The Bathhouse at Midnight William Francis Ryan, 1999-01-01 The title of this book refers to the classic time and place for magic witchcraft and divination in Russia The Bathhouse at Midnight by one of the world's foremost experts on the subject surveys all forms of magic both learned and popular in Russia from the fifth to the eighteenth century While no book on the subject could be exhaustive The Bathhouse at Midnight does describe and assess all the literary sources of magic witchcraft astrology alchemy and divination from Kiev Rus and Imperial Russia and to some extent Ukraine and Belorussia Where possible Ryan identifies the sources of the texts usually Greek Arabic or West European and makes parallels to other cultures ranging from classical antiquity to Finnic He finds that Russia shares most of its magic and divination with the rest of Europe Subjects covered include the Evil Eye the Number of the Beast

omens dreams talismans and amulets plants gemstones and other materials thought to possess magic properties The first chapter gives a historical overview and the final chapter summarizes the political religious and legal aspects of the history of magic in Russia The author also provides translations of some key texts The Bathhouse at Midnight will be invaluable for anyone student teacher or general reader with an interest in Russia magic or the occult It is unique in its field and is set to become the definitive study of Russian magic

Saints and Revolutionaries Marcia A. Morris,1993-02-04 An examination of literary works spanning more than seven centuries this volume studies the ascetic hero and asceticism exploring the elusive interplay between religion politics and belles lettres in Russia The first part places works including the thirteenth century Kievan Crypt Patericon and Life of Avraamii Smolenskii Epifanii s Life of Sergii Radonezhskii and other lives written in the north of Russia in the context of crucial religious doctrines such as apocalypticism and deification The author shows how Old Russian literature plays a major cultural role in the continuing development of these doctrines on Russian soil The second part traces a revival of the Russian fascination with themes of apocalypse and perfectibility to the nineteenth and early twentieth centuries Morris also documents the development of a divergence in ideological approach between Russian writers who continued to view apocalypticism and deification as religious phenomena and those who used them as tools of social and political struggle Works by Gogol Tolstoy Dostoevsky Chernyshevsky and Gorky as well as classic novels of the socialist realist tradition are analyzed as evidence of the underlying unity of the literary manifestations of this ostensibly bifurcated intellectual tradition

Essays on Anton P. Chekhov Robert Louis Jackson,2023-05-30 This long awaited collection brings together in one volume the definitive essays on Anton Chekhov by renowned Chekhov scholar Robert Louis Jackson including work that has never appeared in English as well as brand new essays published here for the first time The volume offers a series of slow readings that yield insight after exquisite insight They also model fruitful ways of discerning the rich complexity of Chekhov s deceptively simple work The volume s introduction by Robin Feuer Miller captures beautifully what Jackson undertakes in his careful scrutiny of Chekhov s text The editor s afterword by Cathy Popkin includes passages from the editorial correspondence in which Jackson reflects on his work and articulates his aspirations the authorial voice thus resounds in the section Jackson expected to write himself The editor also outlines the arguments and insights of Jackson s remarkable unfinished essays Finally an appendix provides the full text of his virtually complete but still open ended treatment of On Official Business the story Jackson returned to repeatedly for decades the previously unpublished culmination of his life s work on Chekhov

Essays on Anton P Chekhov Close Readings is fully accessible to readers without knowledge of Russian while also providing complete documentation for scholars in the field

Spaces and Meanings Olga Lavrenova,2019-03-25 This book examines the problem of relationships between culture and space Highlighting the use of semiotics of culture as a basic concept of research it describes the power of the cultural landscape in the context of culture philosophical research Opening with a discussion of the existence of culture in space it establishes basic concepts such as

noosphere and pneumatosphere The author acknowledges the early contributions of thinkers like Vladimir Vernadsky and Pierre Teilhard de Chardin who first observed that human activity has become a geological force Introducing time and space to the discussion the author then describes the nature of mythological time eternity versus timelessness and the semantics of sacred landscapes space and ritual These concepts are further developed in discussions of the metaphorical nature of cultural landscape and the city as metaphor The book explores semiotics in the cultural landscape examining the genesis of concepts from geographical images to signs and the axiological dimension of geographical images In her approach to the idea of cultural landscape as text she provides detailed examples including the Russian landscape as agent provocateur of the text and the culture philosophical aspects and semantics of travel It establishes the cultural landscape as a phenomenon of culture that is fixed in geographical space with the help of semiotic mechanisms a specific area of culture of life possessing functional and ontological self sufficiency This book appeals readers and researchers interested in the philosophy of culture semiotics of space and the philosophical dimensions of culture and geography

Apocalypse Now Damien Tricoire, Lionel Laborie, 2022-08-03 Eschatology played a central role in both politics and society throughout the early modern period It inspired people to strive for social and political change including sometimes by violent means and prompted in return strong reactions against their religious activism From the fifteenth to the eighteenth century numerous apocalyptic and messianic movements came to the fore across Eurasia and North Africa raising questions about possible interconnections Why were eschatological movements so pervasive in early modern times This volume provides some answers to this question by exploring the interconnected histories of confessions and religions from Moscow to Cusco It offers a broad picture of Christian and to a lesser extent Jewish and Islamic eschatological movements from the fifteenth to the eighteenth century thereby bridging important and long standing gaps in the historiography Apocalypse Now will appeal to both researchers and students of the history of early modern religion and politics in the Christian Jewish and Islamic worlds By exploring connections between numerous eschatological movements it gives a fresh insight into one of the most promising fields of European and global history
