The Narrative Life of Frederick Douglass Frederick Douglass, 2019-12-25 Frederick Douglass Narrative Life Of An American Slave This book is fundamentally an autobiography. It's a mind-blowing tale from the time he was brought into the world a captive to the hour of his break to opportunity in the North. But on the other hand, it's a piece with a solid political message. At the point when Douglass composed this book in 1845, slavery was as yet legitimate in a significant part of the United States. Frederick Douglass turned into an open speaker and author to attempt to stop it. He accepted that on the off chance that he indicated individuals what subjugation was truly similar to, they would comprehend why it should have been stopped. What's more, who superior to a previous slave to come clean about slavery? So despite the fact that he needs to reveal to us his own story, he always remembers the bigger objective of nullifying slavery.
