Narrow Pass A Study Of Kierkegaards Conc:

The Narrow Pass George Henry Price,1963 **Being and Existence in Kierkegaard's Pseudonymous Works** John W. Elrod,2015-03-08 In this study John W Elrod demonstrates that Kierkegaard s pseudonymous writings have an ontological foundation that unites the disparate elements of these books The descriptions of the different stages of human development are not fully understandable the author argues without an awareness of the role played by this ontology in Kierkegaard s analysis of human existence Kierkegaard contends that the self is a synthesis of finitude and infinitude body and soul reality and ideality necessity and possibility and time and eternity Each of these syntheses reveals a particular and unique aspect of individual being not disclosed in the others Part One shows that ontology is central to the discussion of the self in the pseudonyms The author notes that spirit as a synthesis of the expressions of the self develops as consciousness and freedom In Part Two he indicates the relationship between notions of being and existence He notes that existence in Kierkegaard s thought grows out of the life of the spirit the different stages of existence are concrete modes that develop in the spirit s striving to unify the self as a synthesis These existential expressions of spirit are dialectically related in that each step requires the preceding stages of spiritual development Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Kierkegaard's Pseudonymous Authorship Mark C. Taylor,2019-04-23 This book deals with a central problem in the writings of Soren Kierkegaard the themes of time and the self as developed in the pseudonymous writings Arguing that a most effective way to grasp the unity of Kierkegaard s dialectic of the stages of existence is to focus on the dramatic presentation of time and the self that appears at each stage Mark C Taylor pursues these themes from the viewpoints of theology philosophy psychology and related areas of study The author works from the original texts and makes much use of untranslated primary and secondary material His concluding evaluation offerse a critical perspective from which to view Kierkegaard s interpretation of time and selfhood and indicates the importance of Kierkegaard s work for our time Mark C Taylor teaches religion at Williams College Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **European Existentialism** Nino Langiulli,2018-01-18 European Existentialism is a rich collection of major texts and is made all the

more significant by the range and depth of its contributions This book aims to give greater intelligibility to existentialism by providing samples from antecedents of and influences upon it Although existentialism is regarded as an example of twentieth century philosophizing the book presents nineteenth century thinkers such as Kierkegaard and Nietzsche as its forerunners Thinkers such as Dilthey Husserl and Scheler frequently associated with other trends in philosophy such as historicism and phenomenology are included because of their influence upon existentialism Informative biographies of each author represented are also included European Existentialism includes a broad range of philosophers working in the existentialist mode not only French and German but also Spanish Italian Jewish and Russian philosophers This volume is also distinctive in that it omits existentialists from the literary world While Dostoevsky is often included in other existentialist collections Langiulli represents Russian philosophy with a selection by Berdyaev In his new introduction Langiulli discusses how the themes of existentialism have led to contemporary aberrations He uses the language of political rights as an example whereas we once referred to freedom of speech we have transformed that phrase into a much wider category freedom of expression Langiulli also examines various trends that have derived from existentialism postmodernism deconstructionism and multiculturalism Langiulli's introduction and the contributions place existentialism as a genuine tradition in the history of philosophy European Existentialism is an invaluable collection for philosophers educators and all those interested in the existentialist tradition

Kierkegaard as Humanist Arnold B. Come, 1995-07-05 Kierkegaard as Humanist is an extensive analysis of Kierkegaard's concepts of self freedom possibility and necessity Topics examined include the essential and continuing duality of the self the process by which the self becomes self consciousness freedom as the dialectical tension between necessity and possibility and between temporality and eternity the indeterminate determinate leap as freedom's form and love as freedom's content Come finds in Kierkegaard's writings an anthropological ontology that is derived by a phenomenological method and distinct from those Kierkegaardian materials that are clearly theological in a Christian sense he concludes that Kierkegaard's anthropological ontology is independent of his Christian theology

THE RAY S ANDERSON COLLECTION by WIPF STOCK PUBLISHERS Ray Sherman Anderson 1925 2009 worked the soil and tended the animals of a South Dakota farm planted and pastored a church in Southern California and completed a PhD degree in theology with Thomas F Torrance in New College Edinburgh He began his professional teaching career at Westmont College and then taught and served in various administrative capacities at Fuller Theological Seminary for thirty three years retiring as Professor Emeritus of Theology and Ministry While teaching at Fuller he served as a parish pastor always insisting that theology and ministry go hand in hand The pastoral theologian who began his teaching career in middle age penned twenty seven books Like Karl Barth Prof Anderson articulated a theology of and for the church based on God's own ministry of revelation and reconciliation in the world As professor and pastor he modeled an incarnational evangelical passion for the

healing of humanity by Jesus Christ who is both God's self-revelation to us and the reconciliation of our broken humanity to the triune God. His gift of relating suffering and alienated humans to Christ existing as community. Dietrich Bonhoeffer is a recurrent motif throughout his life, ministry, and works. The Ray S. Anderson Collection comprises books by Ray Anderson, an introductory text to his theology by Christian D. Kettler, two edited volumes that celebrate his distinguished academic career: *Incarnational Ministry: The Presence of Christ in Church, Society, and Family* and *On Being Christian and Human*, and a reprint of an *Evangelicalism* volume that focuses on Ray Anderson's contributions to the field of Christian Psychology. A word of gratitude is due to The Society of Christian Psychology and its parent organization, The American Association for Christian Counselors, for their permission to make the *Evangelicalism* issue available in book form. Jim Tedrick of Wipf and Stock Publishers deserves a special word of thanks for publishing many of Ray Anderson's books and commissioning this collection of works to continue his legacy. Todd H. Speidell, General Editor.
