Senior Center Design Joe J. Jordan, 1978 *Symbols and Artifacts* Pasquale Gagliardi, 2017-07-05 A selection of 18 papers from an international conference in Milan June 1987 organized by the Standing Conference on Organizational Symbolism. Details how corporate artifacts are invested with meaning are related to control and can be used as cultural indicators in research. Among the topics are office design housing modifications computer systems and the space shuttle. Fairly devoid of specialist jargon.

Visual Delight in Architecture Lisa Heschong, 2021-03-11 *Visual Delight in Architecture* examines the many ways that our lives are enriched by the presence of natural daylight and window views within our buildings. It makes a compelling case that daily exposure to the rhythms of daylight is essential to our health and well being tied to the very genetic foundations of our physiology and cognitive function. It describes all the subtlety beauty and pleasures of well daylit spaces and attractive window views and explains how these are woven into the fabric of both our everyday sensory experience and enduring cultural perspectives. All types of environmental designers along with anyone interested in human health and well being will find new insights offered by *Visual Delight in Architecture*. The book is both accessible and provocative full of personal stories and persuasive research helping designers to gain a deeper understanding of the scientific basis of their designs scientists to better grasp the real world implications of their work and everyone to more fully appreciate the role of windows in their lives.

Office Planning and Design Desk Reference James E. Rappoport, Robert F. Cushman, Karen Daroff, 1992-04-16 Covers all aspects of planning designing and leasing new or retrofitted office space. While the bulk of the material was written for this book selected chapters have appeared before in other Wiley titles and are now updated to reflect specialized aspects of the subject. Topics include determining a client organization's space and cost requirements deciding on a suitable building and space the nitty gritty of design retrofitting for office automation selecting a designer and signing a contract. It makes generous use of tables charts spreadsheets checklists and design workgrids. Features a special lease negotiation list for tenants.
