Wetherell, 2018-01-30 For the first time together *River Trilogy* combines three classic works on fly fishing by W D Wetherell Contained here are some of Wetherell s most poetic pieces a combination of spontaneous journal entries reflections on contemplative excursions and outright fishing tales Each passage is filled with moving imagery describing the beauty of the river and the natural world that surrounds it The first book in the collection *Vermont River* is an elegy to the author s love of fly fishing in his native Vermont Selected by *Trout* magazine as one of the thirty finest works on fly fishing *Vermont River* will move readers with its radiant descriptions of Wetherell s beloved sport and region In *Upland Streams* Wetherell explores the meandering streams and crooked creeks that dot New England s landscape the mighty rivers that flow through the Southwest and the crags and lochs that fill the countryside of Scotland Conveyed with characteristic humor and introspection *Upland Streams* chronicles moments of life lived close to nature in all its majesty One *River More* the final volume in the collection begins as a traditional chronicle of

trout fishing in Vermont and Montana It quickly however becomes a rich exploration of some of the most essential human experiences love of nature and love of family **A Window to Heaven** Patrick Dean,2021-03-02 The captivating and heroic story of Hudson Stuck an Episcopal priest and his team's history making summit of Denali In 1913 four men made a months long journey by dog sled to the base of the tallest mountain in North America Several groups had already tried but failed to reach the top of a mountain whose size occupying 120 square miles of the earth's surface and position as the Earth's northernmost peak of more than 6 000 meters elevation make it one of the world's deadliest mountains Although its height from base to top is actually greater than Everest's it is Denali's weather not altitude that have caused the great majority of fatalities over a hundred since 1903 Denali experiences weather more severe than the North Pole with temperatures of forty below zero and winds that howl at 80 to 100 miles per hour for days at a stretch But in 1913 none of this mattered to Hudson Stuck a fifty year old Episcopal priest Harry Karstens the hardened Alaskan wilderness guide Walter Harper and Robert Tatum both just in their twenties They were all determined to be the first to set foot on top of Denali In *A Window to Heaven* Patrick Dean brings to life this heart pounding and spellbinding feat of this first ascent and paints a rich portrait of the frontier at the turn of the twentieth century The story of Stuck and his team will lead us through the Texas frontier and Tennessee mountains to an encounter with Jack London at the peak of the Yukon Goldrush We experience Stuck's awe at the rich Aleut and Athabascan indigenous traditions and his efforts to help preserve these ways of life Filled with daring exploration and rich history *A Window to Heaven* is a brilliant and spellbinding narrative of success against the odds

Cavalryman : Or, Sketches of Regular Army Life on the Texas Frontier, Twenty Odd Years Ago H. H.

McConnell,1888 Personal narrative of army life from approximately 1867 1871 Includes appendices The cowboy's verdict by R G Carter pages 301 306 and Cattle thieving in Texas by WWW pages 307 313 *One River More* W. D. Wetherell,1998 Part autobiography part seasonal journal and part fishing log *One River More* follows a typical year of fishing in Vermont and Montana Whether writing of his home waters in northern New England or the classic trout rivers of the West Wetherell honors those traditional values of his sport the intimacy the quiet the solitude that have been threatened by the tremendous surge in fly fishing's popularity over the past decade At the same time his speculations push the limits of conventional fly fishing prose so that what starts out as an exploration of fishing often turns out to be an exploration of much more from the love that binds a family together to the discipline and craft of a novelist's art Coming after two memorable books on fly fishing *One River More* forms the final in Wetherell's trilogy on rivers and streams and yet stands alone as a testament to

what one fly fisher still finds in the rivers he so passionately loves

Grizzlies & White Guys Clayton Mack,Harvey Thommasen,1993 The extraordinary life story of Clayton Mack 1910 1993 a legendary hunting guide from the Nuxalk Nation Bella Coola is told in his own words. To Clayton Mack who loved the wilderness and whose most precious memories were of the days when people got around without roads told time without watches and took planks from giant cedars without axes the two most mysterious creatures on earth were grizzly bears and Q'umsciwas white men from Crooked Jaw the Indian Agent to the rich and famous men who hired him to guide them on their trophy hunts. The tales are told by a natural storyteller who as a child was carried as a prop in Native ceremonial dances and who later found himself dining in Hollywood restaurants with California's most powerful people. His stories are wild and bawdy and funny and tragic and they reach back through history. They are like native ritual dances in that it's impossible to separate the magic from the realism at the end you will wonder what was real and what was dream. The amazing thing is it's all true.
