Quiet Place:

A Quiet Place Douglas Wood, 2014-04-15 Sometimes a person needs a quiet place A place that s far away from the hustle and bustle of everyday life a place that isn t ringing or talking or roaring or blaring or playing But sometimes that place isn t easy to find You could look under a bush in your own backyard where the world seems far away and you could be a pirate on a desert island Or you could sit on an old stump in the woods amidst the glittering sunlight and mossy shadows and be a timber wolf You could look by the sea or in the desert or in a cool dark cave but if none of these places are right you could come home and discover another quiet place Perhaps the very best quiet place of all the one that s inside of you In poetic and gently philosophical prose acclaimed author Douglas Wood explores what it s like to find that special place where we all can think our own thoughts and feel our own feelings Dan Andreasen brings exquisite imagination and thoughtful wonder to words that will inspire readers of all ages to seek out their very own quiet place The Quiet Place Eddie Kennedy, 1983

Listening Deafly and the Rhetoric of Sound Sarah Mayberry Scott, 2023-10-15 In this book Sarah Mayberry Scott bridges the seemingly insurmountable divide between sound studies and deaf studies by considering the persuasive nature of sound at the intersection of sound rhetoric and deafness Using three contemporary films as critical touchstones *CODA* 2021 *A Quiet Place* 2018 and *Sound of Metal* 2019 Scott investigates how the history and values of Deaf culture provide opportunities for expanding the concepts of voice silence and listening to include a plurality of embodied experiences Through utilizing an innovative rhetorical approach of listening deafly to sound the author asserts that it is possible to understand voice without orality to experience sound without hearing and to listen in multi modal ways to show that all bodies are sound bodies Scholars of deaf studies sound studies and rhetoric will find this book of particular interest

Nosiri,2012-07-17 The grass withers the flowers fade but the word of our God shall stand forever Isaiah 40 8 Living Bible In this book Pauline Nosiri reveals how the Word of God is so powerful for everyday living The Scripture declares that the Word of God must come to pass The Lord said to Moses When did I become weak Now you shall see whether my word comes true or not Yes the Bible is like poetry but the Holy Spirit will make it known to you if you decide to read it daily It is hard for you to befriend someone without knowing who he is God from the beginning wants you to come closer to Him so that you can know Him better If you do not fall in love with God you are not making Him number one in your life To know Him you have to draw near Him You must see God through reading of His Word see your Father through the eye of faith [Church-going, Going, Gone!](#)

Michael Horan,2015-05-11 In Church going Going Gone Michael Horan argues that although the Christian church in Britain may be in terminal decline that is not to be equated with a national decline in spiritual values Most if not all people have some level of awareness of what he calls the Other than oneself even though they have rejected or never accepted the church s now outdated teaching Church going Going Gone is concerned less with teaching than with learning The book provides atheists agnostics and believers in exile as well as those who have given little thought to belief with a framework for collaborating as learners working toward equality peace and reconciliation and dedicated to unselfish and imaginative social action A new movement of the human spirit is beginning *Catalog of Copyright Entries* Library of Congress. hundred and fifty fish tales from fifty years of fishing shared by an avid fisherman who has also spent the last fifty years fishing for men as a small town pastor in New England This accounting of passed fishing trips and fish caught reflects on the spiritual application to the techniques and tactics using in fishing for trout and salmon and a few other species of fish to the biblical application for people Jesus called fishers of men In each of these short stories Pastor Blackstone reveals to his reader the wonderful blessings that come from leading someone to a saving knowledge of his Lord and Savior Jesus Christ The author is convinced that Jesus deliberately chose fishermen to be his earliest disciples men he would call apostles because those Galilean fisherman had the necessary characteristics and qualifications to teach cast his gospel and to share it with the multitudes It is the hope of the writer that this book will not only be of interest to someone that fishes but ultimately will be found profitable to anyone that wants to share his or her faith in Jesus Christ with others *Beauty by the Book*

Nancy Stafford,2002-02-06 From celebrated Hollywood starlets to the covers of Cosmo our society seems obsessed with beauty Actress and Main Floor host Nancy Stafford best known for her starring role as Michelle Thomas on Matlock digs below our culture s fixation on outward appearance to show you that true beauty is more than skin deep Every woman has beauty says Stafford but not everyone sees it I want you to see it In Beauty by the Book she bares her heart to readers laying out the Scriptures promises and truths women need to know to find their true value Her liberating reflections will help you

see yourself as God sees you worthy lovable and beautiful Mirror Mirror on the Wall What do you see when you look in the mirror Do you see a unique individual created in the image of Beauty itself one chosen Cherished and valued in the eyes of God If not you may be looking in the wrong mirror one distorted by emotional wounds lies from your past or the unrealistic standards of our culture Everyone has beauty and worth says Nancy Stafford but not everyone sees it I want you to see it Nancy shares her own poignant story and holds up the true mirror of God's Word inviting you to see yourself as God sees you to absorb His truth and to know beyond a shadow of a doubt that the King is enthralled by your beauty *Hope Beyond Bars* Jedidiah Duaya, 2018-06-23 Being behind bars doesn't make you as an inmate less of a human being Therefore do not identify yourself with your temporary situation But since you are behind bars you need to take responsibility And while taking responsibility you need to forgive yourself and forgive those who might have done you wrong And once you forgive then you need to live life in jail in prison or under house arrest by following rules and demonstrating good behavior to help make your sentence easier and maybe shorter And until you get free do not waste your time in a cell doing nothing of value instead put your potential abilities and gifts to use And lastly mentally prepare yourself to live life beyond bars by applying every single lesson learned from the cell The church and society need to address the issue of ex inmates reentry as partners and complement each other in facing this issue The society and the church need to understand that just because these individuals are behind bars that doesn't make them any less human than everybody else They have a right to live a right to be forgiven and a right to be accepted back into society These individuals are called inmates while serving time but once they have paid their dues and are set free that name changes to ex inmates and should eventually switch to citizens Where society falls short the church needs to pick up the slack and serve these citizens And where the church falls short society needs to step in and help these citizens We cannot afford to let these ex inmates live in a life cycle where they go in and out of jail prison and house arrest We have to prove the statistics wrong Society can provide programs to help these citizens reintegrate much more smoothly The church can finally become what it was intended to be and provide a safe environment in which these restored citizens will live a life worthy of being called citizens and not return to old behavior and a life back behind bars

Thompson,2007-12 A Stranger s Journey brings you a novel way to have a group study and fellowship with your friends After years of leading his men s bible study group David Thompson became convicted that there was a lack of material for those who want to study and have fellowship on a regular basis Taking his thoughts and true life situations David has written short devotionals that are thought provoking and guaranteed to create conversation His use of humor and satire will hold your interest and give you insight into one stranger s life journey You may agree or disagree with his thought process but at least it will make you think David W Thompson in his own words is the most unusual bank president in the United States Besides being a banker for over 30 years David is an ordained minister church elder and men s bible study leader Other accomplishments include a black belt in Tae Kwon Do and qualifying to carry a concealed weapon Mr Thompson holds a Bachelors degree in Psychology from Southwest Baptist University in Bolivar Missouri But above all else David is a sold out totally dedicated follower of Jesus Christ Insight and Imagination Howard F. Stein,2007-05-30 Insight and Imagination explores the primacy of the self in organizational research consulting and management leadership Contesting the radical dichotomy between objective and subjective understanding and the devaluation of the latter Professor Howard F Stein argues that the imagination of the observer informed by his or her unconscious can lead to a greater understanding of the psychological reality of the workplace and in turn to better informed problem solving Insight emerges from the disciplined use of the imagination rather than its repudiation The book brings countertransference to center stage as a tool for understanding the emotional experience of organizational life and for formulating interventions One often neglected use of the imagination is the capacity to not have to know beforehand what one needs to learn what poet John Keats called negative capability Insight and Imagination proposes the use of the humanities as a means of expanding and deepening one s access to the inner life of organizations The author draws from the art created by others and from his own poetry written and often

used during an organizational consultation Among the specific contexts discussed in this book are the experience of organizational downsizing helping organizations to grieve after change and loss recognizing red herrings in organizational decision making the language of organizational change recognizing hidden agendas in meetings and reflective practice in organizational life *The Diamond Cutter* Geshe Michael Roach, Lama Christie McNally, 2009-09-01 With a unique combination of ancient and contemporary wisdom from the Tibetan Buddhist tradition The Diamond Cutter presents readers with empowering strategies for success in their work and personal lives Geshe Michael Roach one of the great teachers today of Tibetan Buddhism has richly woven The Diamond Cutter in three layers The first is a translation of selections from the Diamond Sutra itself an ancient text comprised of conversations between the Buddha and his close disciple Subhuti Considered a central work by Buddhists throughout the world the Diamond Sutra has been the focus of much interpretation over the centuries In the second layer Geshe Michael quotes from some of the best commentaries of the Tibetan tradition In the main text the third layer he uses both sutra and commentary as a jumping off point for presenting his own teaching Geshe Michael gives fresh insight into ancient wisdom by using examples from his own experience as one of the founders of the Andin International Diamond Corporation which was started with capital of fifty thousand dollars and which today has annual sales in excess of one hundred million dollars Much of the success of Andin has come from applying the business strategies presented in The Diamond Cutter Geshe Michael s easy style and spiritual understanding make this work of timeless wisdom an invaluable source for those already familiar with and those unfamiliar with Tibetan Buddhism
