Quiet Places With Mary:

Quiet Places with Mary Isaias Powers,1986 *MARY Did Have a Little Lamb* Elder Pecolia Pearley,2025-04-25 All my childhood I recited or said a nursery rhyme about Mary having a little lamb Somewhere in the back of my mind I wondered or tried to figure out who gave Mary this little lamb As children we wanted to know why his fleece was so white that it was the color of snow We wanted to know why this lamb was so attached to Mary that he would follow her to school Why did all the children laugh and play with this lamb of Mary I wondered when this nursery rhyme was written did the author have in their mind that Mary did have a little lamb That this God seed was incarnation in her by the Holy Ghost That snow is a similarity of his purity of being Jesus the Christ The brightness of his fleece is the illumination of his light His love came to save us all and gave us the freedom to laugh and play as children This inspirational story was given to me by God to make the story of Jesus the Christ plain and simple To help people understand how Jesus became the Lamb of God This book gives you some history and the lifestyle of what was taking place before Jesus was born on earth It informs us of the wickedness and the evil doing of people who believe they are in power how history repeats itself over and over again with the dominant culture ruling It also lets us know that no culture stays on top forever It shows that man will always destroy man just for power and greed This book tells us about the promise and the miracles that are still going on today It lets us know that each one of us has an assignment to fulfill for God It also lets us know that Mary was the chosen one *North and south, by the author of 'Mary Barton'.* Gaskell Elizabeth Cleghorn Gaskell,1898 **Mary Marston** George MacDonald,1881 Mary Marston leaves her father s draper shop in search of a different lifestyle Her unfavourable discoveries awaken new hope for success in returning to her father s shop *The Complete Works of Mary Elizabeth Braddon* Mary Elizabeth Braddon,2023-12-10 The Complete Works of Mary Elizabeth Braddon presents a mesmerizing anthology that captures the quintessence of Victorian literature through the lens of a master storyteller This collection showcases Braddon s adeptness in the sensation novel genre marked by psychological depth intricate plots and socially charged themes Notable for her exploration of female agency and morality Braddon intertwines elements of mystery and romance in works such as Lady Audley s Secret where societal norms collide with personal ambition encapsulating the era s complexities and its fascination with transgressive women s narratives Mary Elizabeth Braddon emerged as a prominent voice in 19th century England a time rife with emerging debates on gender roles and social expectations Growing up amid financial instability her experiences likely fueled her empathy for women s struggles and informed her narrative choices Braddon s diverse career spanned journalism playwriting and novel writing positioning her as a pivotal figure who influenced contemporary and future literary circles Her writings not only reflect her era but also challenge its conventions offering a unique perspective on Victorian society This anthology is an essential read for those intrigued by Victorian literature or the evolution of women s roles in fiction Braddon s works are not merely books they are a historical examination of the human condition making this collection invaluable for scholars students and casual
