money just to keep the lights on Humiliated and broken Ken reached his limit But when opportunity returned Ken didn't shout it from the rooftops he vanished With his daughter by his side and a new life in place he left behind the woman who had once sworn forever Now Megan wants him back But what happens when the man you took for granted becomes the man you can't reach A gripping tale of emotional betrayal quiet revenge and a man who rises from rock bottom to reclaim his power This time he's not saving the house He's saving himself *Pride and Toil* Chinedu Nnadi, 2025-08-06 Lila and Liam were born side by side but life would drag them in opposite directions When a tragic accident claims their parents the twin siblings are left with nothing but each other and a decaying house clinging to memory Lila grounded and relentless rolls up her sleeves and faces the world head on She scrubs floors sells vegetables and sacrifices her dreams all to keep her and her brother alive Every sunrise she fights with calloused hands and quiet courage Liam charming but entitled refuses to soil his pride with menial work He scoffs at Lila's grit convinced he's destined for greatness despite having no plan no income and no intention of trying Years pass Lila finds love and a second chance at the education she gave up Before she leaves she hands Liam her last savings a final act of sisterly hope But hope runs out fast Liam spirals into desperation clinging to excuses as everything else slips away Pride kept him from work Now it can't save him from hunger When their paths cross again it's on opposite ends of the street Lila a determined student chasing a future Liam a broken man with an empty bowl *Pride and Toil* is a haunting story of love labor and the cruel price of ego In a world where dreams are earned not given one sibling rises through sacrifice while the other sinks under the weight of wasted chances Will regret come too late Or can rock bottom spark redemption *The Oracle of Wall Street* Chinedu Nnadi, 2025-07-28 He rose like a rocket He fell like a legend Lucas Carter was the golden boy of Wall Street a self-made financial prodigy who clawed his way from a cramped apartment to billion-dollar boardrooms With charm instinct and an uncanny ability to see market trends before they happened he transformed his firm into a powerhouse and himself into a media darling They called him The Oracle of Wall Street And he believed them But greatness demands risk and Lucas was never afraid to bet big When a mysterious biotech startup unveils what they claim is a cure for Alzheimer's Lucas sees his next empire in the making He goes all in draining his firm's reserves leveraging personal assets even persuading his elite clients to follow his lead For a brief dazzling moment it looks like he's won again Until the trials fail In a single night Lucas's fortune vanishes Lawsuits Margin calls Betrayals The king of Wall Street is dethroned humiliated bankrupt and alone Back in his childhood apartment Lucas must confront the truth behind his ambition the cost of his pride and the emptiness of a life built on numbers But from the ashes of collapse something unexpected begins to rise wisdom purpose and perhaps redemption *The Oracle of Wall Street* is a riveting tale of ambition excess and the haunting price of chasing glory in a world ruled by risk *Webster's Complete Dictionary of the English Language* Noah Webster, Chauncey Allen Goodrich, Noah Porter, Carl August Friedrich Mahn, 1877 **Grow Happiness From Within: Small Joys That Multiply Naturally** Okechukwu Divine Obioma, 2025-09-13 Happiness doesn't come from

My World MICHAEL JEAN NYSTROM-SCHUT,2004-05-19 Let me tell you how much fun it is to be a book writer One of my friends recently said to me I dont even know anyone whos ever READ a book let alone WRITE one I was amused Well you know its really not so hard to write a book You just talk about what you feel and organize your thoughts along the way At some point as you stay determined to make it happen the book comes into the world For me now having compiled over 30 book length manuscripts of various topics and subject matter I have become more and more inclined to share the way I see the world with others along the way You might call what I like to write about as having to do with personal philosophy or individual world view Everyone has a way they see their world this book is part of how I see mine It seems that all kinds of people have something to say about what life is and is not I am like most people so am no exception I have come to enjoy giving such opinions and points of view with just about anyone who will listen I wrote this book MY WORLD The First 50 Years because I wanted to be sure and document the way life appeared to be to me at the half century mark in my personal growth and evolution I did it in a way that enables you to read right through it or if you prefer you can take it slowly over a one year span of time and think about the ideas and thoughts carefully How you read the book is entirely up to you Ten years earlier I had written a similar book Earth Dwelling An Owners Manual for Life in order to share thoughts about the meaning and purpose of life It is amazing the difference that ten years can make I like to think that I am growing Gee Could that be I

sure hope so People from the worlds of philosophy religion and the popular culture are anxious to share the way they see the world with others I have a passion to do that also and so I wrote this book in order to summarize how things in life appeared to me I could be way off you decide for yourself At any rate my world is MY way of seeing life in YOUR world you will see it your special way and that is part of the beauty of this life Each person is free to see it differently and that is our basic right to do so I like that I actually feel so strongly about what I am saying here that I created a web site which is called HowIseetheworld com to talk about and share ideas with others Take a look at it some time Thoughts are powerful and have a tendency to either make you great or even destroy you before your time So think good thoughts And enjoy the book as well
