Every willing man has the Master's promise of power. But every man does not possess the promised power. And many it is to be feared never will. Many a man's life to day is utterly lacking in power. Some of us will look back at the close of life with a sense of keen disappointment and of bitter defeat. And the reason is not far to seek nor hard to see through. If we do not have power it is because we are not willing to pay the price.
