## Quieter Than Sleep:

Quieter than Sleep Joanne Dobson, 2009-10-14 Karen Pelletier abandoned her life in New York for a professorship at Massachusetts's elite Enfield College. But she quickly learns that New England is not the peaceful enclave she had imagined and that not even the privileged world of academia is immune to murder. Professor Karen Pelletier's prime literary passion is poet Emily Dickinson, a passion she shares with her hotshot colleague Randy Astin. Berger Heir, apparent to the head of Enfield's English department, the pompous Randy is the campus Casanova. That is he was until he was found strangled with his own flashy necktie. The last person to see Randy alive and the first to find him dead, Karen knows she must solve the case before she becomes the prime suspect. But to do that she must first discover the truth behind Randy's final Dickinsonian discovery, a literary bombshell that may well have been to die for. From the Paperback edition **Poems by Emily**

**Dickinson** Emily Dickinson, 2023-08-12 In *Poems by Emily Dickinson* the renowned poet unveils an intricate tapestry of thought that deftly explores themes of love, death, nature, and the self. Dickinson's innovative use of meter and unconventional punctuation creates a unique rhythmic quality that draws readers into her introspective world. Often classified within the American Romantic movement, her work stands out for its rich imagery and profound emotional depth, challenging the literary norms of the 19th century while remaining timeless in its relevancy. Emily Dickinson, a reclusive figure from Amherst, Massachusetts, crafted her poetry in relative solitude, a fact which imbued her works with an intense introspection and a keen awareness of the passing of life. Dickinson's background, including her education and the rigorous intellectual environment of her family, likely influenced her imaginative explorations. Her unique voice bravely tackled subjects often shunned by her contemporaries, allowing her to transcend the constraints of her era. *Poems by Emily Dickinson* is a must-read for anyone seeking to delve into the complexities of human emotion and thought. This anthology not only captures the essence of Dickinson's brilliance but also invites readers to reflect on their own existence through her lens, ensuring its place as a cornerstone of American literature. *A Concordance to the Poems of Emily Dickinson* S. P. Rosenbaum, 2019-06-30

*A Concordance to the Poems of Emily Dickinson* is the third volume in the distinguished series *Cornell Concordances*. Like the others, it was programmed on an IBM 704 electronic computer and provides an alphabetical list of all significant words, each word given in context. In order to provide variants, it was based on Thomas H. Johnson's three-volume edition of all the known texts of Emily Dickinson's poems. Included are an analytical preface by the editor and an index of words in the order of frequency. *Merenstein & Gardner's Handbook of Neonatal Intensive Care E-Book* Sandra Lee Gardner, Brian S.

Teaching American women's literature at New England's prestigious Enfield College has shown Karen Pelletier just how cutthroat the world of academe can be. But nothing in her tenure has prepared her for the perils to come as this bastion of higher learning throws open its doors to a cleverly calculating killer. A battered copy of Charlotte Brontë's *Jane Eyre* leads Professor Karen Pelletier to the long forgotten novels of an obscure writer named Serena Northbury. When she decides to pen the author's biography, she sets off a raging controversy. Everyone from her esteemed colleagues to her tyrannical department head regards Northbury's nineteenth-century writings as trash. But when the intrepid researcher stumbles upon a treasure trove of Northbury's papers including what looks very much like an unpublished novel, Karen knows she cannot quit for what could be more thrilling. Unfortunately, someone takes exception to Karen's penchant for digging up the past. Before long, she is the unlikely suspect in a homicide and the target of an erudite killer who is poised to kill again. From the Paperback edition. **Snoring and Sleep Apnea** Ralph A.
