Deacon, Paula E. Calvin, 2014-06-04 Through the centuries women have used textiles to express their ideas and political opinions creating items of utility that also function as works of art Beginning with medieval European embroideries and tapestries such as the Bayeux Tapestry this book examines the ways in which women around the world have recorded the impact of war on their lives using traditional fabric art forms of knitting sewing quilting embroidery weaving basketry and rug making Works from the United States Canada Latin America Asia the Middle and Near East and Oceania are analyzed in terms of content and utility and cultural and economic implications for the women who created them are discussed Traditional women's work served to document the upheaval in their lives and supplemented their family income By creating textiles that responded to the chaos of war women developed new textile traditions modified old traditions and created a vehicle to express their feelings      **The Blood Ballad** Rett MacPherson, 2025-08-22 Genealogist and mother of three Torie O Shea is out birding on the cliffs of the Mississippi River as part of New Kassel Missouri's first ever bird watching Olympics when someone starts shooting at her and her partner Disoriented and running for their lives they stumble over an antique trunk and discover a badly beaten dead body stuffed inside Soon after this disturbing event musicologist Glen Morgan shows up at the Kendall House Torie's new textile museum claiming to be Torie's cousin and to have proof that Torie's grandfather secretly may have written a number of popular songs for the Morgan Family Players who were famous country music singers Being a genealogist and the head of the local historical society Torie doesn't appreciate anyone shaking up a family tree that she has spent years putting together but Glen's old recordings are more than she can resist After a little digging in the library and some serious snooping into the shooting Torie starts to uncover secrets about her family and the town that even she didn't know Rett MacPherson's intricate plots and delightful small town characters with long family histories hit all of the right notes in *The Blood Ballad* the newest installment in her terrific Torie O Shea series      *The Journal of Education*, 1922      **Quilting with Style** Gwen Marston, Joe Cunningham, 1993 Provides basic quilting principles patterns tools needed and techniques      **The Arts and the American Home, 1890-1930** Jessica H. Foy, Karal Ann Marling, 1995-07 Between 1890 and 1930 the domestic arts as well as the daily life of the American family began to reflect rapid advances in technology aesthetics and attitudes about American culture Pictorial literary musical and decorative arts from this era all reveal a shift from clutter to clarity and from profusion to restraint as modern conveniences ranging from pre-stamped needlework patterns to central heat were introduced into the domestic environment However the household arts were also affected by an enduring strain of conservatism reflected in the popularity of historically inspired furnishing styles In this collection of essays ten experts in turn of the century popular and material culture examine how the struggle between modernity and tradition was reflected in various facets of the household aesthetic Their findings touch on

sub themes of gender generation and class to provide a fascinating commentary on what middle class Americans were prepared to discard in the name of modernity and what they stubbornly retained for the sake of ideology Through an examination of material culture and prescriptive literature from this period the essayists also demonstrate how changes in artistic expression affected the psychological social and cultural lives of everyday Americans This book joins a growing list of titles dedicated to analyzing and interpreting the cultural dimensions of past domestic life Its essays shed new light on house history by tracking the transformation of a significant element of home life its expressions of art     The New Yorker ,1983
