What kind of friend are you?

Friendship is important. We all need friends to help us
experience life. But friendship can mean different things to
different people. What kind of friend are you, and what kind of friend do
you want? Answer these questions with your partner.

1. If a friend tells you a secret, do you ever tell anyone?
2. Do you ever lie to protect your friend?
3. After you argue with a friend, do you apologise first?
4. If a friend asks you for money, do you give them?
5. Do you think your friend trusts you?
6. Do you ever go to lunch with your old school friend?
7. If you think a friend is wrong, do you tell them?
8. Do you ever feel jealous of your friend?

Money is not a big part of your life. However,
things are more important to you. However,
the careful thought you should take money
a little more seriously. After all, what would
you be without it?

You seem to have a healthy attitude towards
money. It is important to you, but it does not
rule your life.

Oh dear. You seem to think about money all
the time! Perhaps you value money even more
than your family and friends. There are other
things in life, you know. Try to get a more
balanced view.
