Watershed Davy Murrah, 2024-05-28 The Pascagoula River is the largest unobstructed river in the contiguous United States Because of this lack of restraint the river has been left to rise and fall naturally with the seasons overflowing annually into the adjoining bottomland forest This phenomenon makes the Pascagoula River one of the wildest rivers surrounded by some of the most ecologically diverse woodlands in North America Herman Murrah 1935 2002 lived his entire life on the banks and in the swamp surrounding this river in southeast Mississippi Watershed Herman Murrah and the Pascagoula River Swamp recounts pivotal moments in Herman s life and in Mississippi s conservation history more broadly In this book Herman s eldest son Davy details the adventures that continue to inspire young conservationists in the fight to protect our remaining natural ecosystems As a young adult Herman worked as a game warden in the Pascagoula River Swamp When the Pascagoula Hardwood Company then owners of the swamp decided to sell the vast tract of forest for clearcutting Herman was incensed Determined to protect this natural wonder Herman teamed up with other visionaries to persuade the State of Mississippi to purchase the land and preserve it in perpetuity to the benefit of future generations of humans and wildlife alike Eventually the state agreed and finalized the purchase Herman was

appointed area manager for the upper portion of the newly designated Pascagoula River Wildlife Management Area He dedicated the remainder of his life to preserving protecting and improving the swamp for the good of south Mississippi
