RODNEY KING AND
O. J. SIMPSON IN
A HOUSE DIVIDED

FOREWORD BY CORNEL WEST, AUTHOR OF *RACE MATTERS*

Race And Justice Rodney King And O J Simpson In A House Divided

Carolyn Boyes-Watson

Race And Justice Rodney King And O J Simpson In A House Divided:

The Mediatization of the O.J. Simpson Case Tatjana Neubauer, 2023-02-06 F Scott Fitzgerald once said Show me a hero and I'll write you a tragedy In the 1990s nobody fell deeper than O J Simpson Once considered a national treasure the athlete was accused of brutally slaying his ex wife Nicole Brown and her friend Ronald Goldman on June 12 1994 Within days the media and public developed an unprecedented obsession with the story turning a murder investigation and trial into a sensationalized reality show Tatjana Neubauer examines the mediatization deliberate manipulation and the simplification of popular criminal trials for profit on television She demonstrates that TV conflated legal proceedings into entertainment programming by commodifying events people and places *Contemporary Controversies and the American Racial Divide* Robert C. Smith, Richard Seltzer, 2000-05-30 *Contemporary Controversies and the American Racial Divide* is a detailed study of some of the most racially divisive issues America has encountered in the past decade Smith and Seltzer employ more than forty surveys to explore race based public opinion differences on high profile controversies including the Rodney King and O J Simpson cases the arrest trial jailing and subsequent reelection of Washington D C Mayor Marion Barry the Million Man March and Louis Farrakhan and the Clarence Thomas Anita Hill controversy The authors also look at race based opinion differences on the inner city crack cocaine epidemic and the spread of AIDS among the American populace The divisions in opinion between blacks and whites on these controversies are explained in terms of the distinctive historical and cultural experiences of the different races and the gaps gulfs and chasms in their contemporary social and economic conditions While also noting significant commonalities in opinion across the color line the book focuses on racial differences and their sources and in a concluding chapter advances suggestions as to how the nation might overcome its racial divisions This innovative study is a unique rich contextualized dynamic analysis of race opinion unlike anything else in literature *Cultural Sutures* Lester D. Friedman, 2004-05-06 A collection of essays on medicine and media from newspapers through film television and computers *Black Nonfiction Books, Their Authors, and Their Publishers* Harry B. Dunbar, 2001-11-06 *Blacks in the American West and Beyond--America, Canada, and Mexico* George H. Junne, 2000-05-30 Almost a century before their arrival in the English New World Blacks appeared alongside the Spanish in what is now the American West Through their families communities and institutions these Western Blacks left behind a long history which is just now beginning to receive systematic scholarly treatment Comprehensively indexing a variety of research materials on Blacks in the North American West Junne offers an invaluable navigational tool for students of American and African American history Entries are organized both geographically and topically and cover a broad range of subjects including cross cultural interaction health art and law Contains a complete compilation of African American newspapers **Crime and Justice** Carolyn Boyes-Watson, 2018-03-08 *Crime and Justice* offers a comprehensive introduction to the U S criminal justice system through fifteen historical and contemporary case studies The third edition has been revised and streamlined throughout featuring

new material on race the war on drugs police violence stand your ground laws and gun laws and more Each chapter opens with an engaging case study followed by an explanatory chapter that teaches core concepts key terms and critical issues The cases serve multiple learning objectives illustrating concepts applied in real life exploring sociological issues of race class gender and power and teaching students the law and processes of the justice system Crime and Justice is excellent for any course that introduces students to the criminal justice system A complimentary Instructor s Manual and Test Bank are available as well as an open access Companion Website for students that includes interactive flashcards links to online video and media and other learning material Visit <http://textbooks.rowman.com/boyes-watson3e> or email textbooks@rowman.com for more information

Culture Wars Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today

The CSI Effect Michele Byers, Val Marie Johnson, 2009-01-01 The CSI Effect Television Crime and Governance demonstrates that CSI s appeal cannot be disentangled from its production as a televisual text or the broader discourses and practices that circulate within our social landscape This groundbreaking interdisciplinary collection bridges the gap between the study of popular culture media and the study of crime and fosters the development of a new set of theoretical languages in which the mediated spectacle of crime and criminalization can be carefully considered

Conspiracy Culture Dr Peter Knight, Peter Knight, 2013-04-15 Conspiracy theories are everywhere in post war American culture From postmodern novels to The X Files and from gangsta rap to feminist polemic there is a widespread suspicion that sinister forces are conspiring to take control of our national destiny our minds and even our bodies Conspiracy explanations can no longer be dismissed as the paranoid delusions of far right crackpots Indeed they have become a necessary response to a risky and increasingly globalized world in which everything is connected but nothing adds up Peter Knight provides an engaging and cogent analysis of the development of conspiracy culture from 1960s countercultural suspicions about the authorities to the 1990s where a paranoid attitude is both routine and ironic Conspiracy Culture analyses conspiracy narratives about familiar topics like the Kennedy assassination alien abduction body horror AIDS crack cocaine the New World Order as well as more unusual ones like the conspiracies of patriarchy and white supremacy Conspiracy Culture shows how Americans have come to distrust not only the narratives of the authorities but even the authority of narrative itself to explain What Is Really Going On From the complexities of Thomas Pynchon s novels to the endless mysteries of The X Files Knight argues that contemporary conspiracy culture is marked by an

infinite regress of suspicion Trust no one because we have met the enemy and it is us

Our Cannibals, Ourselves

Priscilla L. Walton, 2010-10-01 Why does Western culture remain fascinated with and saturated by cannibalism Moving from the idea of the dangerous Other Priscilla L Walton's *Our Cannibals Ourselves* shows us how modern day cannibalism has been recaptured as in the vampire story resurrected into the human blood stream and mutated into the theory of germs through AIDS Ebola and the like At the same time it has expanded to encompass the workings of entire economic systems such as in consumer cannibalism *Our Cannibals Ourselves* is an interdisciplinary study of cannibalism in contemporary culture It demonstrates how what we take for today's ordinary culture is imaginatively and historically rooted in very powerful processes of the encounter between our own and different often threatening cultures from around the world Walton shows that the taboo on cannibalism is heavily reinforced only partly out of fear of cannibals themselves instead cannibalism is evoked in order to use fear for other purposes including the sale of fear entertainment Ranging from literature to popular journalism film television and discourses on disease *Our Cannibals Ourselves* provides an all encompassing insightful meditation on what happens to popular culture when it goes global

Preserving Privilege Jewelle Taylor Gibbs, Teiahsha Bankhead, 2001-03-30 Gibbs and Bankhead examine the history and current situation in California as it struggles to deal with the ethnic and racial change that will make it the first American state to have a non white majority in the first decade of the 21st century From shock and denial to bargaining to change the outcome they analyze the impact in California and what this may mean for the rest of the country They begin by tracing the major historical social economic and political events of the past 50 years that laid the foundation for the impetus of such ethnically and racially divisive initiatives as the efforts to strengthen anti crime measures remove illegal immigrants limit affirmative action measures and eliminate bilingual education Each of these ballot propositions is examined detailing the pro and con arguments of their advocates and opponents their major financial contributors campaign strategies ethnic voting patterns implications of implementation and their impact on people of color Gibbs and Bankhead then look at parallels from a national and international perspective They conclude with a discussion of the values that should guide public policy debates in a multiethnic multicultural society and they propose specific policy alternatives to address the issues of crime prevention and control illegal immigration affirmative action and bilingual education A thoughtful analysis that will be of value to concerned citizens as well as policy makers scholars and students of contemporary American issues

Black Conservatives in the United States Godfrey Mwakikagile, 2006 This work is an examination of the black conservative phenomenon in the United States in contemporary times The author looks at the role black conservatives play in American politics and at their attempts to have an impact on the lives of black Americans also known as African Americans Subjects covered include perspectives black conservatives share on issues such as affirmative action racism poverty self reliance welfare drugs crime and illegitimacy among blacks the criminal justice system and how it affects blacks and why black conservatives differ with other blacks on those issues It is

also a critique of The Bell Curve a book that has inflamed passions especially among blacks and of the views some black conservatives have expressed on racial IQ differences which have fueled debate on this highly explosive subject The author also looks at the policy and philosophical differences and at differences in perceptions between black conservatives and their brethren in the black community Why do black conservatives oppose affirmative action Why do they support the Republican party Why don t they have much support in the black community Those are just some of the issues addressed in this book The author writes from personal experience after living and interacting with African Americans of all ideological stripes for more than 30 years His interest in Black America spans the ideological spectrum and covers other aspects of life including relations between Africans and African Americans He has written a book about those relations in which he also addresses the black conservative phenomenon in the United States Like all his others books **The Cosby Cohort** Cherise A. Harris,2013-02-14 The Cosby Cohort examines the childhood experiences of second generation middle class Blacks who grew up in mostly White spaces during the 1980s and 1990s This probing book explores their journey to upward mobility including the discrimination they faced in White neighborhoods and schools the extraordinary pressures placed upon them to achieve the racial lessons imparted to them by their parents their tenuous relationships with Black children of other classes and the impact that all of these experiences had on their adult racial identities At young ages this generation of middle class Blacks whom Harris coins as the Cosby Cohort was faced with racial displacement frustration and the ever present pressure to emerge victorious against the pull of downward mobility Even in adulthood they continue to negotiate the tensions between upward mobility and maintaining ties to the larger Black community and culture While these young Blacks may have grown up watching The Cosby Show as the book reveals their stories indicate a much more complex reality than portrayed by the show

Enemies Within Robert Alan Goldberg,2008-10-01 divdivThere is a hunger for conspiracy news in America Hundreds of Internet websites magazines newsletters even entire publishing houses disseminate information on invisible enemies and their secret activities subversions and coverups Those who suspect conspiracies behind events in the news the crash of TWA Flight 800 the death of Marilyn Monroe join generations of Americans from the colonial period to the present day who have entertained visions of vast plots In this enthralling book Robert Goldberg focuses on five major conspiracy theories of the past half century examining how they became widely popular in the United States and why they have remained so In the post World War II decades conspiracy theories have become more numerous more commonly believed and more deeply embedded in our culture Goldberg contends He investigates conspiracy theories regarding the Roswell UFO incident the Communist threat the rise of the Antichrist the assassination of President John Kennedy and the Jewish plot against black America in each case taking historical social and political environments into account Conspiracy theories are not merely the products of a lunatic fringe the author shows Rather paranoid rhetoric and thinking are disturbingly central in

America today With media validation and dissemination of conspiracy ideas and federal government behavior that damages public confidence and faith the ground is fertile for conspiracy thinking DIV DIV Narrative Impact Melanie C.

Green,Jeffrey J. Strange,Timothy C. Brock,2003-01-30 The impact of public narratives has been so broad including effects on beliefs and behavior but extending beyond to emotion and personality that the stakeholders in the process have been located across disciplines institutions governments and indeed across epochs Narrative Impact draws upon scholars in diverse branches of psychology and media research to explore the subjective experience of public narratives the affordances of the narrative environment and the roles played by narratives in both personal and collective spheres The book brings together current theory and research presented primarily from an empirical psychological and communications perspective as well as contributions from literary theory sociology and censorship studies To be commensurate with the broad scope of influence of public narratives the book includes the narrative mobilization of major social movements the formation of self concepts in young people banning of texts in schools the constraining impact of narratives on jurors in the court room and the wide use of education entertainment to affect social changes Taken together the interdisciplinary nature of the book and its stellar list of contributors set it apart from many edited volumes Narrative Impact will draw readership from various fields including sociology literary studies and curriculum policy Providing new explanatory concepts this book is the first account on the psychology of narrative persuasion and brings together the relevant conceptualizations from within various sectors of psychology together with the major issues that concern cognate disciplines outside of psychology focuses on understanding the mechanisms that underlie the power of public narratives to achieve broad historical and social changes offers breakthroughs to the future the role of presence in virtual reality narratives the role of zines in females fashioning of their selves and the central role of imagery in transportation into narrative worlds explains varying roles of emotion in narrative immersion and addresses the growing blurring of fact and fiction mechanisms and implications for beliefs and behavior

Rehumanizing Law Randy D. Gordon,2011-01-01 Originally presented as the author s thesis Ph D University of Edinburgh 2009 Finding Grace Shirlee Taylor Haizlip,2004 Shirlee Taylor Haizlip struck a chord with The Sweeter the Juice an unflinching look at how gradations of skin color caused her mother s family to choose sides She continues her journey through the labyrinth of race with Finding Grace **Anthropology of Los Angeles** Jenny Banh,Melissa King,2017-01-23 The Anthropology of Los Angeles Place and Agency in an Urban Setting questions the production and representations of L A by revealing the gray spaces between the real and imagined city Contributors to this urban ethnography document hidden histories that connect daily actors within cultural systems to global social formations This diverse collection is recommended for scholars of anthropology history sociology race studies gender studies food studies Latin American studies and Asian studies *Encyclopedia of African American History* Leslie M. Alexander,Walter C. Rucker,2010-02-09 A fresh compilation of essays and entries based on the latest research this work documents African

American culture and political activism from the slavery era through the 20th century Encyclopedia of African American History introduces readers to the significant people events sociopolitical movements and ideas that have shaped African American life from earliest contact between African peoples and Europeans through the late 20th century This encyclopedia places the African American experience in the context of the entire African diaspora with entries organized in sections on African European contact and enslavement culture resistance and identity during enslavement political activism from the Revolutionary War to Southern emancipation political activism from Reconstruction to the modern Civil Rights movement black nationalism and urbanization and Pan Africanism and contemporary black America Based on the latest scholarship and engagingly written there is no better go to reference for exploring the history of African Americans and their distinctive impact on American society politics business literature art food clothing music language and technology **Lines of Narrative** Molly Andrews, Shelley Day Sclater, Corinne Squire, Amal Treacher, 2002-11-01 This volume brilliantly advances our understanding of the use of narrative in the social sciences It brings together contemporary work on narrative theory and methods and presents a fascinating range of case studies from Princess Diana s Panorama interview to the memoirs of the wives of US nuclear scientists
