Race For A New Life:

Race and Reunion David W. BLIGHT, 2009-06-30 No historical event has left as deep an imprint on America's collective memory as the Civil War. In the war's aftermath, Americans had to embrace and cast off a traumatic past. David Blight explores the perilous path of remembering and forgetting, and reveals its tragic costs to race relations and America's national reunion.

Politics and Society Roland L. Warren, 2020-04-03 This carefully selected and integrated series of discourses on the central issues of political life presents Robert M. MacIver's views on ethics and politics, society and the state, government and political change, war and peace, and the conditions of a viable international order. It is both a key to the astonishing scope and versatility of MacIver's mind and a major contribution to political thought. *Politics and Society* elucidates some of the major themes and essential problems of political theory. Here are incisive essays on the nature of understanding in social and political science, on the discontinuities between ethics and politics that render difficult yet imperative the ordering of a multigroup society, and on the ever-present tensions between liberty and authority, private interests and the common good. Here too are MacIver's assessments of the forces that make for social change and the transformations requisite to the establishment of a viable international order. And here, with sensitivity and wisdom, are MacIver's articulations of relevant ends and their realization through appropriate means. David Spitz provided a lengthy introduction to this volume on its first publication in 1969, assessing the importance of MacIver's teachings as well as relating these essays within the broader context of MacIver's political and social thought. The republication of this collection now attests to Spitz's conclusion: The rewards that await the reader of these essays support my conviction that MacIver's eminent achievements in both method and vision stamp him as the most distinguished of our social and political theorists. Robert M. MacIver (1882-1970) was Lieber Professor of Political Philosophy and Sociology at Columbia University (1929-1950) and held many other academic posts, directorships, and honorary degrees, and in 1962 came out of retirement to be chancellor of the New School for Social Research. Among his most important books were *Social Causation and Community: A Sociological Study*. David Spitz was professor of political science at Columbia University. He was the author, among other books, of *The Liberal Idea of Freedom*. The David and Elaine Spitz Prize is awarded every year for the best book in liberal and/or democratic theory by the International Conference for the Study of Political Thought in his honor.

The Riches of His Glory Magnus Williams, 2014-11-04 The book's title is captivating; all will want to know his glory and the content of his riches. The book is written in five parts in a lucid and clear language. The content is well researched; all the information is Bible-based. Most impressive is part five: Christians should believe the report of the Lord embedded in the Bible. His written word, as the author asserted, is the author's style. It is also impressive as he brought his personal testimony right at the end, only to buttress his experience in participating in various modes of worship by the main denominations: Anglican, Methodist, Roman Catholic, and Charismatic. In a subtle way, he corrected critics who are biased or prejudiced about other modes of worship. To quote: All

denominations in Christianity worship God in a slightly different way but rather each does it in accordance with God's word. In no way can these denominations operate in the same order of worship because the Bible makes a clear distinction on the different methods of worship which I believe is the order of Heaven. He was able to bring out the diversified talents in which Christians made music a thing of joy in God's house, each unique to its own task. The book is informative, inspirational, and stimulating. It is highly recommended for theologians, students, as well as lay people. It can be appealing to Christians and Non-Christians as all will be exposed to the wonderful revelation of The Riches of the Glory of God. Blanche O. O. Macauley, Director, Institute of Educational and Extra Mural Studies, Fourah Bay College, University of Sierra Leone. As I read this book, my trust, confidence, and belief in the finished work of Jesus Christ on the cross increased considerably. Salvation plan is so explicit in this book that I believe that whosoever reads this book, his faith and trust in the finished work of Christ will be increased. Victor B. Macauley, Retired Engineer, National Power Authority, Freetown, Sierra Leone. Riches of His Glory, a rich text of God's assurance of love in showing how He rescued man from darkness into His marvellous light. Olivet C. R. Williams, Editor, Mum, Sydney, Australia. The author clearly explained in this masterpiece work of the art of writing the eternal plan of God in rescuing mankind from the state of eternal condemnation to eternal victory in Christ. His message is so clear and direct that whosoever reads it would be in the position to make a decisive change in the way of life in order to attain glory both now and in heaven with God. It is a book of eternal value not to be missed. Marjorie B. R. J. Hughes, Retired self-employed, Freetown, Sierra Leone. The book is informative, inspirational, and stimulating. It is highly recommended for theologians, students, as well as lay people. It can be appealing to Christians and Non-Christians as all will be exposed to the wonderful revelation of The Riches of the Glory of God. Blanche O. O. Macauley, Director, IEES, FBC, USL, Sierra Leone. Man disobeyed God Almighty who created him and hence he suffered agony and misery. However, God in His mercy sent Jesus to redeem man and grant him eternal life if he accepts what God has done. The story of mercy and restoration is worth reading. Magnus Williams has not only made new the timeless story of sin but has also reminded readers that salvation though free is available if they fully accept God in their lives. The story of salvation is never old. Dr. Stephen N. Macauley, Coordinator of Learning, Lowell Bennion Center, University of Utah, USA. Xenophobe Resurrection Leonard Rich, 2019-05-03. Orbiting this forgotten tenement of clay is a small science ship with its own personal hell. Dr. Sherry Lee, a twenty-five year old Asian female in her long white lab coat ran frantically down the dark corridor toward the ship's bridge. Not long before she was grabbing a nightcap with some friends in the ship's galley. Sherry had planned to get some rest that night but things didn't go as she planned. Reality had become fantasy and she was tossed into a living nightmare. **The Mercersburg Review**, 1868. *Young Clergy* Donald Capps, 2014-03-05. Five historic ministers, five formative career paths which path are you on?
