Alien Times - Book 1, Revelation Don Viecelli,2023-02-26 A Top Secret U S special black operations group has been covering up alien visitations and secret alien UFO research projects for decades This time they went too far They are holding a real live alien captive at Area 51 and will

do anything to prevent this alien from meeting with the President and going public finally proving once and for all that extraterrestrials do exist This Top Secret organization is called Extraterrestrial Counter Threat Group ECTG It is run by a high ranking Pentagon Chief of Staff Space Force general who heads a secret team of scientists tasked with reverse engineering advanced UFO spacecraft held at Area 4 which is part of the highly restrictive Area 51 military base in Nevada The ECTG will do anything to prevent this alien from meeting with the President of the United States including murdering a Washington Post investigative reporter in the name of National Security With help from a woman staff reporter for the Washington Post and a special agent for the Airborne Object Identification Group AOIG the alien finally escapes captivity and meets with the President of the U S at Camp David The alien has an important message and offer of help for the President and the people on this planet The question becomes will people listen to the message or ignore the peril the world is facing in this time of extreme environmental crises Spirit and Nature Steven C. Rockefeller, John C. Elder, 1992-06-05 As featured in Bill Moyers s PBS special Spirit and Nature leaders from major traditions around the world speak out in this volume about what spiritual resources we may turn to in our age of unprecedented danger to the planet *Can Marketing Save the Planet?* Michelle Carvill, Gemma Butler, 2024-01-04 An exploration of some of the most high profile environmental and sustainability challenges facing businesses and consumers and 101 of the most practical solutions from the world of marketing In our fast moving and consumer driven world in which more than 10 million people are Marketers social and environmental issues are increasingly being moved to the top of boardroom agendas Each and every company and therefore every marketer has a responsibility to learn about the changing landscape in which they operate and to adapt their skills creativity and influence accordingly From the authors of Sustainable Marketing awarded Highly Commended at the Business Book Awards 2022 Can Marketing Save the Planet is the ultimate guidebook for this journey taking a deep dive into some of the most high profile subjects and solutions that every marketer needs to know about It details the main priorities that companies should consider and provides a 101 topic directory of the practical and realistic ways in which marketers can drive positive impact showing that even in the age of consumerism marketing CAN be a force for good **The Green Revolution** Kirkpatrick Sale, Eric Foner, 1993 The Green Revolution recaptures the past thirty years of one of the most powerful movements in American history The concern for the environment goes back more than a century surely but Kirkpatrick Sale shows that not until 1962 when Rachel Carson s Silent Spring electrified the country did we begin to realize the terrible danger of man made threats to our natural world Our national environmental organizations and leading scientists have given us a new lexicon acid rain toxic wastes biodiversity the greenhouse effect Even the word green has taken on a new meaning Tragic events at Bhopal Love Canal Three Mile Island Chernobyl that once would have been thought of as ephemeral are unforgettable warnings Congress has responded with major legislation to protect the land our forests wildlife water and the air we breathe Even so as Sale reminds us these years have not been an unmitigated triumph The perils to the

earth remain and in some ways are even more ominous But never in the annals of social change has a movement gained as much popular support never has it had such legislative and regulatory impact never has it become so embedded in an entire culture It may not save the world but what else will Why Women Will Save the Planet Bloomsbury Publishing,2018-03-01 Big cities don't have to mean a dystopian future They can be turned around to be powerhouses of well being and environmental sustainability if we empower women This book is a unique collaboration between C40 and Friends of the Earth showcasing pioneering city mayors key voices in the environmental and feminist movements and academics The essays collectively demonstrate both the need for women's empowerment for climate action and the powerful change it can bring A rallying call for the planet for women for everyone Energy of the Future Angela Royston,2008 Examines possible alternative sources of energy for the future discussing the problems of global warming and the methods that could be used to obtain energy from wind water the Sun the atom and gas hydrogen *State of the World* Lester Russell Brown,1993 If You Love This Planet: A Plan to Save the Earth (Revised and Updated) Helen Caldicott,2009-09-30 Helen Caldicott has the rare ability to combine science with passion logic with love and urgency with humor Naomi Klein From the leader and spokeswoman of the antinuclear movement comes a revised and updated edition of this groundbreaking widely acclaimed classic Exploring dangerous global trends such as ozone depletion global warming toxic pollution food contamination and deforestation Helen Caldicott presents a picture of our world and the forces that threaten its existence As always she gives a prescription for a cure and cause for hope rallying readers to action with the contention that our fight for the planet will draw its strength from love for the Earth itself Community Discussion Guide for Race to Save the Planet ,1990
