Race To The Altar:

Race to the Altar Patricia Hagan, 2012-05-15 Liz Mallory may have been a whiz at public relations But when it came to a NASCAR driver hotshot named Rick Castles Liz had her hands full For Rick proved to be the epitome of alpha maleness and smooth seduction a dangerous combination for a woman trying to get her life back on track And it wasn't at all the right time for Liz to be finding herself falling in love She was one heck of a woman all right Rick thought And under different circumstances he would let nothing stand in the way of making Liz Mallory his But his career hurt relationships Could he risk her being the one with whom he could finish the ultimate race to the altar Race to the Altar Judy Duarte, 2009-08-01

When race car driver Chase Mayfield found himself recovering from a car accident at a small town hospital the last thing he expected was to fall for the local Florence Nightingale Who would have thought demure nurse Molly Edwards the complete opposite of a man who lives on the edge could lose her heart to a famous playboy But after cautious Molly succumbed to a single night of passion both she and Chase crashed headlong into a life changing surprise she's pregnant Can Chase convince his favorite nurse that he's a risk well worth taking for her and their baby This reporter bets that Chase will soon be carrying his new bride over the finish line **Race to the Altar** Patricia Thayer, 1997-09-01 *Race to the Altar* Judy Duarte, Gina Wilkins, 2009

Bridge of the Untiring Sea Elizabeth R. Gebhard, Timothy E. Gregory, 2015-12-31 Pindar's metaphor of the Isthmus as a bridge spanning two seas encapsulates the essence of the place and gives a fitting title for this volume of 17 essays on the history and archaeology of the area The Isthmus best known for the panhellenic Sanctuary of Poseidon attracted travelers both before and after Pausanias's visit in the 2nd century A D but only toward the end of the 19th century were the ruins investigated and a half century later finally systematically excavated More recently archaeologists have surveyed the territory beyond the sanctuary compiling evidence for a varied picture of activity on the wider Isthmus and the eastern Corinthia The essays in this book celebrate 55 years of research on the Isthmus and provide a comprehensive overview of the state of our knowledge Topics include an Early Mycenaean habitation site at Kyras Vrysi the settlement at Kalamianos the Archaic Temple of Poseidon domestic architecture of the Rachi settlement dining vessels from the Sanctuary of Poseidon the Temple Deposit at Isthmia and the dating of Archaic and Early Classical Greek coins terracotta figurines from the Sanctuary of Poseidon the Chigi Painter arms from the age of Philip and Alexander at Broneer's West Foundation on the road to Corinth new sculptures from the Isthmian Palaimonion an inscribed herm from the Gymnasium Area of Corinth Roman baths at Isthmia and sanctuary baths in Greece Roman buildings east of the Temple of Poseidon patterns of settlement and land use on the Roman Isthmus epigraphy liturgy and Imperial policy on the Justinianic Isthmus and circular lamps in the Late Antique Peloponnese **Satanic Diversion of the Black Race** DR. D. K. OLUKOYA, 2015-01-29

Satanic Diversion of the Black Race So what exactly is wrong with the black man Why do they tell us strange stories Why do people make statements like these Why do some people also say the average black man is stupid organization wise What is the

explanation for our treasures that are being misused Why should someone bring a piece of mirror and with it collect fifty slaves What is God s purpose for the black man according to the Scriptures And what has kept the black man from fulfilling this purpose What are the forces behind this satanic diversion In the Bible whenever the world has been in a crisis God has always made a black person to appear on the scene to show the way Whenever God has a major step to take in spiritual history a black man has always come along Read through this book and gain knowledge **Athletics in Ancient Athens** Donald G. Kyle,1993-01-01 **Race in John's Gospel** Andrew Benko,2019-04-08 Directly or indirectly race makes many appearances in the Fourth Gospel What is the meaning of all this attention to ethnic labels Race in John s Gospel investigates how John reflects the racialized ideas current in its milieu challenging some and adapting others Ultimately John dismisses race as valid grounds for prejudice or discrimination devaluing the very criteria on which race is based The cumulative effect of this rhetoric is to undermine the category itself exposing earthly race as irrelevant and illusory However John s anthropology is layered and looks beyond this unimportant earthly level Above it John constructs a heavenly level of racial identity based on one s descent from either God or the devil **Greek Sacred Law** Eran Lupu,2004-11-01 This work contains two parts Part I constitutes a guide to the corpus of Greek sacred law and its contents A discussion of the history of the corpus and the principles governing its composition is followed by a detailed review of its contents in which the evidence is classified according to subject matter Part II contains inscriptions published since the late 1960s from all around the Greek world excluding Cos and Asia Minor checklists for these are appended The text of each inscription is presented alongside restorations epigraphical commentary translation and a comprehensive running commentary Most of the inscriptions are illustrated The volume should prove useful to scholars of Greek religion historians and epigraphists **Race and Religion in American Buddhism** Joseph Cheah,2011-10-28 While academic and popular studies of Buddhism have often neglected race as a factor of analysis the issues concerning race and racialization have remained not far below the surface of the wider discussion among ethnic Buddhists converts and sympathizers regarding representations of American Buddhism and adaptations of Buddhist practices to the American context In Race and Religion in American Buddhism Joseph Cheah provides a much needed contribution to the field of religious studies by addressing the under theorization of race in the study of American Buddhism Through the lens of racial formation Cheah demonstrates how adaptations of Buddhist practices by immigrants converts and sympathizers have taken place within an environment already permeated with the logic and ideology of whiteness and white supremacy In other words race and religion Buddhism are so intimately bounded together in the United States that the ideology of white supremacy informs the differing ways in which convert Buddhists and sympathizers and Burmese ethnic Buddhists have adapted Buddhist religious practices to an American context Cheah offers a complex view of how the Burmese American community must negotiate not only the religious and racial terrains of the United States but also the transnational reach of the Burmese junta Race and Religion in American Buddhism marks an

important contribution to the study of American Buddhism as well as to the larger fields of U S religions and Asian American studies

The Race of a Lifetime: Second Wind Michael Layne,2016-07-27 In Romans 10 9 once youve confessed with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead you are saved And its amazing to know that youre sealed as a child of God forever but its not over Were just like the disciples of Jesus He had to take them on a journey of growth on so many levels but most importantly He had to grow them spiritually Their journey was packed with many highs and lows but at the end theres a living hope in Jesus Christ Im on the same journey with life being packed with highs and lows In the meantime Im still on the right path being conformed to the image of Christ

A Pneumatology of Race in the Gospel of John Rodolfo Galvan Estrada III,2019-11-28 How do the Greco Roman views of ethnicity inform our reading of the Spirit in the Fourth Gospel This study not only reviews the role of ethnicity and race in the ancient world it also proposes a bold new understanding of Johannine pneumatology From an ethnocritical perspective this study argues that the Spirit was articulated for an ethnically diverse Johannine community that was dealing with the issues of race relations The Spirit is the divine breath of God that commissions Jesus for the redemption of all ethnicities The Spirit is involved in the maternal birth of all ethnic members who are in the family of God The Spirit draws all people despite their ethnic lineage and heritage And the Spirit is actively involved as an advocate for the minoritized community undergoing synagogue violence Will the members of the Johannine community still hold onto ethnic ideologies of dehumanization that were prevalent of their age Can the Johannine community still have the Spirit and support ideologies of ethnic division and hate This study seeks to answer these questions
