Racism And Justice The Case For Affirmative Action:

Racism and Justice Gertrude Ezorsky, 2018-08-06 Affirmative action does it really counteract racism Is it morally justifiable In her timely and tough minded book Gertrude Ezorsky addresses these central issues in the ongoing controversy surrounding affirmative action and comes up with some convincing answers Ezorsky begins by examining the effectiveness of affirmative action as a remedy for institutional racism in the workplace She analyzes the ways in which common practices selection of employees based on personal connections qualification and seniority standards perpetuate the injurious effect of past racial discrimination and she assesses the rationale for such affirmative action measures as objective job related testing numerical goals and preferential treatment for basically qualified blacks To illuminate the social reality in which affirmative action takes place she draws on recent work by social scientists and legal scholars Turning to the moral issues Ezorsky posits two basic justifications for affirmative action first looking backward to provide deserved compensation for past racial injustice that was sanctioned practiced and encouraged by our government second looking forward to promote racial desegregation in the American workplace Unlike some supporters of affirmative action she does not deny that preferential treatment may place an unfair burden on white males Indeed she suggests specific practical measures for spreading that burden more equitably Clear headed well reasoned and persuasive this book will be read eagerly by everyone from students to legislators by anyone concerned with racial justice in America

Affirmative Action Albert G. Mosley, Nicholas

Capaldi, 1996 In this book two distinguished philosophers debate one of the most controversial public policy issues of the late 20th century Each begins by making a case for or against affirmative action laying out the major arguments on both sides Each author then responds to the other's essay Written in an engaging accessible style Affirmative Action is an excellent text for junior level philosophy political theory public policy and African American studies courses as well as a guide for professionals navigating this important debate

Ending Affirmative Action Terry Eastland, 1996-03-21 In this ringing and spirited attack on affirmative action a leading conservative journalist and commentator traces the rise of the race conscious state and the legal and political challenges to it revealing the absurdities of the current system and marshaling the arguments for color blindness

anyone interested in trying to resolve the debate over these important and divisive issues **Racism, African Americans, and Social Justice** Rudolph Alexander Jr.,2005-04-07 One philosopher identified and defined five types of justice interpersonal justice commutative justice distributive justice communal justice and social justice Moving from the end of slavery to the present this book discusses how and why African Americans have received less than equal justice in these five areas This thesis is laid out in chapters discussing the history of race and what some professionals currently call modern racism higher education juvenile justice law enforcement the military economics the reparations for slavery issue and employment discrimination Arguments presented include the differential treatments in the law based on gender and race the false impression about the affirmative action benefits that African Americans allegedly receive in higher education and the issue of reparations Racism in the Criminal Justice System University of Toronto. Centre of Criminology,1995 **Silent Terrorism A Look at American Racism and Hypocrisy** George Foster,2021-07-29 The last six words in the Pledge of Allegiance With liberty and justice for all continue to ring hollow for many Americans and will continue to do so until it becomes clear to all Americans that it is as difficult for the African American community to see justice in the continued murders of unarmed black men at the hands of men and women in blue as it was for white America to see justice in the acquittal of O J Simpson in the murder of Nicole Brown Simpson twenty plus years ago Silent Terrorism A Look at American Racism and Hypocrisy was written in hopes of opening dialogue and stimulating conversation about race in America I have been blessed to travel to many countries outside the United States of America giving me a very good understanding and appreciation of the benefits of being born a citizen of the greatest country in the world As great as this nation is as a whole as honorable as its ideals are the founding fathers left huge holes in its foundation related to race and racism which continue to divide our nation today The tactics techniques and procedures TTPs used by racist men in our society today differ from those of their forefathers Their TTPs continue to evolve change and are embedded in every facet of our lives our justice system and our government which from its inception has been a state sponsor of terrorism racism within its borders One can argue that many of the atrocities committed by the founding fathers and other immigrants from Great Britain were necessary to establish and build this nation that excuse cannot be used to explain the continued racism voter disenfranchisement repealing of the Voting Rights Act many of today s laws and a grand jury system that continues to allow for the murders of unarmed black Americans Supreme Court Justice Antonin Scalia said most of the black scientists in this country do not come from the most advanced schools and black students do better at slower tracked schools Scalia continued to express his racist views from the bench when he said students of color are being pushed into schools that are too advanced for them due to race conscious affirmative action policies **Encyclopedia of Social Problems** Vincent N. Parrillo,2008-05-22 Social problems affect everyone Because so many actual and potential problems confront us it is often difficult to decide which ones affect us most severely Is it the threat of death or injury during a terrorist attack Is it the threat caused by industrial

Gallagher,Cameron D. Lippard,2014-06-24 How is race defined and perceived in America today and how do these definitions and perceptions compare to attitudes 100 years ago or 200 years ago This four volume set is the definitive source for every topic related to race in the United States In the 21st century it is easy for some students and readers to believe that racism is a thing of the past in reality old wounds have yet to heal and new forms of racism are taking shape Racism has played a role in American society since the founding of the nation in spite of the words all men are created equal within the Declaration of Independence This set is the largest and most complete of its kind covering every facet of race relations in the United States while providing information in a user friendly format that allows easy cross referencing of related topics for efficient research and learning The work serves as an accessible tool for high school researchers provides important material for undergraduate students enrolled in a variety of humanities and social sciences courses and is an outstanding ready reference for race scholars The entries provide readers with comprehensive content supplemented by historical backgrounds relevant examples from primary documents and first hand accounts Information is presented to interest and appeal to readers but also to support critical inquiry and understanding A fourth volume of related primary documents supplies additional reading and resources for research **Justice, Luck & Responsibility in Health Care** Yvonne Denier,Chris Gastmans,Antoon

Vandeveldel,2012-12-24 In this book an international group of philosophers economists and theologians focus on the relationship between justice luck and responsibility in health care Together they offer a thorough reflection on questions such as How should we understand justice in health care Why are health care interests so important that they deserve special protection How should we value health What are its functions and do these make it different from other goods Furthermore how much equality should there be Which inequalities in health and health care are unfair and which are simply unfortunate Which matters of health care belong to the domain of justice and which to the domain of charity And to what extent should we allow personal responsibility to play a role in allocating health care services and resources or in distributing the costs With this book the editors meet a double objective First they provide a comprehensive philosophical framework for understanding the concepts of justice luck and responsibility in contemporary health care and secondly they explore whether these concepts have practical force to guide normative discussions in specific contexts of health care such as prevention of infectious diseases or in matters of reproductive technology Particular and extensive attention is paid to issues regarding end of life care A History of Sin John Portmann,2007-05-25 Traces changing conceptions of sin through history and analyzes the role that sin and our understanding of it plays society

Making the Human Corinne Mitsuye Sugino,2024-11-15 From

the debate over affirmative action to the increasingly visible racism amidst the COVID 19 pandemic Asian Americans have emerged as key figures in a number of contemporary social controversies In *Making the Human Race Allegory* and *Asian Americans* Corinne Mitsuye Sugino offers the lens of racial allegory to consider how media institutional and cultural narratives mobilize difference to normalize a white Western conception of the human Rather than focusing on a singular arena of society Sugino considers contemporary sources across media law and popular culture to understand how they interact as dynamic sites of meaning making Drawing on scholarship in Asian American studies Black studies cultural studies communication and gender and sexuality studies Sugino argues that Asian American racialization and gendering plays a key role in shoring up abstract concepts such as meritocracy family justice diversity and nation in ways that naturalize hierarchy In doing so *Making the Human* grapples with anti Asian racism s entanglements with colonialism antiblackness capitalism and gendered violence Contemporary Supreme Court Cases Donald E. Lively,D. Scott Broyles,2016-02-22 With its blend of accessible writing and actual excerpts from Court opinions this book serves to explain the legal and cultural underpinnings of landmark U S Supreme Court decisions of the past 35 years and to illuminate how these decisions have shaped the trajectory and character of modern American society As the nation s law defines society society defines the law As the nation s fundamental law the U S Constitution is the overarching statement of the people s will Interpreting the Constitution however is no simple task This book examines more than 100 landmark Supreme Court cases from 1973 to the present providing readers with insights into decisions that have had a profound impact on American politics commerce culture and life Organized categorically this book serves readers either as a comprehensive review of modern constitutional law or as a ready reference source It includes entries on Supreme Court decision making regarding high interest issues such as abortion *Roe v Wade* 1973 *Gonzales v Carthart* 2007 climate change *Massachusetts v EPA* 2007 voting rights *Bush v Gore* 2000 free speech *Texas v Johnson* 1989 the death penalty *Roper v Simmons* 2005 immigration *Arizona v United States* 2012 campaign financing *Citizens United v FEC* 2010 gun control *District of Columbia v Heller* 2008 the Affordable Care Act *National Federation of Independent Business v Sebelius* 2012 and gay marriage *United States v Windsor* 2013 The book not only interprets key Court decisions but also provides critical context and perspective that makes the subject matter easier to understand and more meaningful especially for readers without an extensive background in Constitutional law Bibliographies are provided at the end of each case to direct those seeking to delve more deeply into specific topics **Racism** Carter A. Wilson,1996-08-20 An explanation of the phenomenon of racism throughout history is sought in this book Carter A Wilson draws on and integrates the considerable literature on racism which has originated from economic political and cultural realms In doing so he addresses four major goals to resolve the major debates surrounding racism to demystify racism to provide an understanding of how racism has been sustained in various historical eras and to discuss how racism takes on different forms throughout history From Social Justice to Criminal Justice William C. Heffernan,John Kleinig,2000-04-20

The economically deprived come into contact with the criminal court system in disproportionate number This collection of original interactive essays written from a variety of ideological perspectives explores some of the more troubling questions and ethical dilemmas inherent in this situation The contributors including well known legal and political philosophers Philip Pettit George Fletcher and Jeremy Waldron examine issues such as heightened vulnerability indigent representation and rotten social background defenses

Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Racism And Justice The Case For Affirmative Action : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Racism And Justice The Case For Affirmative Action : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Racism And Justice The Case For Affirmative Action : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
