Religious Movements And Social Structure:

Social Structure and Social Interaction Readale Collier, 2018-07-28 The question needs to ponder over as we have entered in the new millennium On what way we are going What is the nature of social transformation What socio economic forces and value systems are emerging in the country Keeping in view the expected consequences of socio economic development as an instrument of change in the structure and culture the present book mainly deals with Social Structure and Social Interaction This book provides valuable insights into social structure and change in a complex society Well researched and lucidly written this volume will be widely welcomed by all those involved in the study of sociology social anthropology and social change This book is of great help and utility to all those who are interested in knowing the changing social structure

Evolution of Social Structures in India through the Ages Mr. Rohit Manglik, 2023-10-23 In this book we will study about caste class gender and kinship structures in India and how these have transformed over ancient medieval and modern periods

A Comparative Study of Social and Religious Movements in Norway, 1780s-1905 Inger Furseth, 2002 This study includes three social movements the Lofthus revolt the Thrane movement and the early labor movement and two religious movements the Hauge movement and Norwegian Methodism The analysis examines how they mobilized resources to reach their goals the external and internal factors that influenced their degrees of success and failure and the interactions and exchanges between them It uses a combination of resource mobilization theory and political process theory for analysis

The Sociology of Religious Movements William Sims Bainbridge, 2021-12-24 Explaining how religion and society transform each other this book explores such movements as Holiness Adventism religious communes Satanism New Age and democratization The Sociology of Religious Movements is the culmination of work begun in *The Future of Religion* the 1986 award winner of the Society for the Scientific Study of Religion and *A Theory of Religion* 1993 award winner of the Pacific Sociological Association Explaining religious schism innovation and conversion to show how religion and society transform each other this book explores such movements as Holiness Adventism religious communes Children of God Satanism New York City Mission Society New Age Asian imports and democratization

Faith Movements and Social Transformation Samta P. Pandya, 2018-12-11 This book examines the role of Hindu inspired faith movements HIFMs in contemporary India as actors in social transformation It further situates these movements in the context of the global political economy where such movements cross national boundaries to locate believers among the Hindu diaspora and others In contemporary neoliberal India HIFMs have become important actors and they realize themselves by making public assertions through service The four pillars of the contemporary presence of such movements are gurus sociality hegemony and social transformation Gurus who spearhead these movements create a matrix of possible meanings in their public discourses which their followers pick up to create messages of personal and social change Sociality is a core strategy of proliferation across such movements and implies social service which is qualified by memories of the guru and what they are

believed to embody Hegemony is reflected in the fact that social service in such movements often ominously imbibes right wing or far right Hinduism They propose a model of Hindu inspired social transformation involving faith building into and transforming the civil society The book discusses in a nuanced way several Hindu inspired faith movements of various hues which have made national and international impact This topical book is of interest to students and researchers in the fields of sociology anthropology social work and social psychology with a special interest in the study of religious movements

Social Structure & Person Talcott Parsons, 2010-05-11 A Collection of essays which studies the theoretical problem of relationships between social structure and personality and how these different relationships merit distinct treatment for particular purposes Parsons concludes that in the larger picture their interdependencies are so intimate that bringing them together in an interpretive synthesis is imperative if a balanced understanding of the complex as a whole is to be attained

The ^AOxford Handbook of New Religious Movements James R. Lewis, Inga B. Tollefsen, 2016-04-12 In this second volume James R Lewis and Inga B Tollefsen bring together established and rising scholars of New Religious Movements Studies for a collection that expands upon the topics covered in the first volume of *The Oxford Handbook of New Religious Movements* and incorporates new theoretical approaches **Social, Political, and Religious Movements in the Modern Americas** Pablo A. Baisotti, 2021-12-30 This volume explores several notable themes related to social political and religious movements in Latin America and offers insightful historical perspectives to understand national regional and global issues from the beginning of the twentieth century to the present day This volume s collected chapters focus on the Latin American society and are divided into three sections The first section Social presents some cultural demographic and urban changes that have occurred with increasing frequency in Latin America from the early twentieth century onward The second section Political shows migratory political and identity movements that in recent decades have re emerged with force Finally the third section Religious analyzes various Latin American religious visions with their particular characteristics From the religious hegemony of Catholicism a change in the religious panorama in the last decades can be seen intermingled with politics history and society **The Social System** Talcott Parsons, 2013-08-21 This book brings together in systematic and generalized form the main outlines of a conceptual scheme for the analysis of the structure and processes of social systems It carries out Pareto s intention by using the structural functional level of analysis New Religious Movements and Rapid Social Change James A. Beckford, 1986-11-01 The book shows how rapid social change gives rise to novel religious interpretations and how new religious movements in turn try to influence the process of change This analysis is illustrated by studies of the advanced societies of North America and Europe of Japan during the first phase of industrialization and of countries and regions in the developing world New religious movements are revealed as a normal aspect of social life and as critical indicators of social change This is reflected in each movement s social composition teachings values religious practices and organizational structures as well as their engagement in politics business and their structuring of social

relationships Publisher's description **What is a Social Movement?** Hank Johnston, 2014-04-10 Social movements play a central role in the scope and direction of social change. They were instrumental in the creation of the modern state and today are major forces in politics and culture. Environmentalism, gay rights, alterglobalization, and Islamic fundamentalism are all movements with far-reaching impacts on contemporary society. What is a Social Movement traces how the study of movements such as these of their structures, their ideas, and their repertoires of protest have grown in recent years to become a major focus in the social sciences. It deftly navigates the organizational, ideational, and cultural complexity of political and social movements and offers a succinct but comprehensive overview of the hows, whys, and wheretofores of studying them. The book analyzes how politics and culture frequently intersect as people participate in movements that call for change and pursue group interests. By focusing on movement organizations and networks on what they do and how they articulate their ideas of justice and collective interests. What is a Social Movement lays the essential groundwork for understanding this significant and exciting field of research where it came from and where it is headed. Teaching New Religious Movements David G. Bromley, 2007-05-25 Since its inception around 1970, the study of New Religious Movements (NRMs) has evolved into an established multidisciplinary field. At the same time, both the movements and the scholars who study them have been the subjects of intense controversy. In this volume, a group of senior NRM scholars who have been instrumental in the development of the field will offer pivotal essays that present the basics of NRM scholarship along with guidance for teachers on classroom use. The book is organized topically around subjects that are both central to the study of NRMs and likely to be useful to non-specialists. Part I contains examinations of the definitional boundaries of the area of study, varying disciplinary perspectives on NRMs, unique methodological and ethical problems encountered in the study of NRMs, and the controversies that have confronted scholars studying NRMs and the movements themselves. Part II examines a series of topics central to teaching about NRMs: the larger sociocultural significance of the movements, their distinctive symbolic and organizational features, the interrelated processes of joining and leaving NRMs, the organization of gender roles in NRMs, media and popular culture portrayals of the movements, the occurrence of corruption and abuse within movements, and violence by and against NRMs. Part III provides informational resources for teaching about NRMs, which are particularly important in a field where knowing the biases of sources is crucial. With its interdisciplinary approach, the volume provides comprehensive, accessible information and perspectives on NRMs. It is an invaluable guide for instructors navigating this scholarly minefield. The Oxford Handbook of Religion and Violence Mark Juergensmeyer, Margo Kitts, Michael K. Jerryson, 2015-11 Violence has always played a part in the religious imagination, from symbols and myths to legendary battles from colossal wars to the theater of terrorism. The Oxford Handbook of Religion and Violence surveys intersections between religion and violence throughout history and around the world. The forty original essays in this volume include overviews of major religious traditions showing how violence is justified within the literary and theological foundations of the tradition.

how it is used symbolically and in ritual practice and how social acts of violence and warfare have been justified by religious ideas The essays also examine patterns and themes relating to religious violence such as sacrifice and martyrdom which are explored in cross disciplinary or regional analyses and offer major analytic approaches from literary to social scientific studies The contributors to this volume innovative thinkers who are forging new directions in theory and analysis related to religion and violence provide novel insights into this important field of studies By mapping out the whole field of religion and violence The Oxford Handbook of Religion and Violence will prove an authoritative source for students and scholars for years to come

The Psychoanalytic Study of Society, V. 12 L. Bryce Boyer, Simon A. Grolnick, 2022-01-26 Volume 12 includes chapters on the hermeneutics of structuralism and psychoanalysis H van Velzen prophetic initiation in Israel and Judah D Merkur the cult phenomenon and the paranoid process W Meissner the ego and adaptation P Parin male adolescent initiation rituals L Rosen gender identity in a New Guinea people E Foulks and the film Cabaret S Bauer

Religion and the Making of Nigeria Olufemi Vaughan, 2016-12-09 In Religion and the Making of Nigeria Olufemi Vaughan examines how Christian Muslim and indigenous religious structures along with the legacies of British colonial rule have provided the essential social and ideological frameworks for the construction of contemporary Nigeria

The Centrality of Religion in Social Life Eileen Barker, 2021-11-18 James A Beckford s work is internationally acclaimed not only in the sociology of religion but also in other fields of the social sciences Beckford has long been arguing that the barriers that have grown up between the different sub disciplines should be broken down with those specialising in religion becoming more cognisant of new theoretical developments and sociologists in general becoming more aware of the significance of developments in the religious scene This book is a collection of essays written in Beckford s honour drawing on a number of religious themes that have been central to Beckford s interests whilst also offering a significant contribution to our understanding of the wider society A central theme is modernity and its relation to the post modern and how religion affects and is affected by the dynamics of contemporary society with the primary focus of many of the chapters being a concern with how society copes with the minority religions that have become visible with the globalising tendencies of contemporary society The contributors who come from America Asia and various parts of Europe are all internationally renowned scholars Beckford s most important publications are listed in an Appendix and the volume opens with a short account of his contribution to sociology by Eileen Barker the editor and James T Richardson

Religious Movements in Contemporary America Irving I. Zaretsky, Mark P. Leone, 2015-03-08 Contemporary religious movements in America vary greatly in their organization goals methods and membership Reflecting the striking diversity of the current religious movement the papers in this volume consider three categories of religious movements native American churches recently founded religious groups and syncretistic groups based on imported cults The general aim is to understand the varieties of human behavior within these institutions and to point out their relationship to society in the United States Originally published in 1975 The Princeton Legacy Library uses the latest

print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Society, Spirituality, and the Sacred Donald Swenson, 2009-01-01 This work makes a much needed contribution to teaching and learning about the various forms of religious belief and action in our world Kevin J Christiano University of Notre Dame

Social Identity and Sectarianism in the Qumran Movement Jutta Jokiranta, 2012-12-03 Identity and sectarianism two crucial and frequently used concepts in Qumran studies are here problematized appraised and redefined Two social scientific theories inform the investigation of the serakhim rule documents and pesharim commentaries The sociology of sectarianism is presented in retrospect in order to identify appropriate methodological tools for speaking about sectarianism in the ancient context and for comparing sectarian stances in the serakhim Furthermore a social psychological perspective into identity is introduced for the first time for appreciating the dynamic and context dependent nature of a person's social identity The final chapter takes a fresh approach to the study of the pesharim arguing for the need to read each Peshar as a whole It analyses the prototypical teacher and brings forward new interpretations of this captivating and cloudy figure

Social Science and the Cults John A. Saliba, 2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults

Religious Movements And Social Structure Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religious Movements And Social Structure has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religious Movements And Social Structure has opened up a world of possibilities. Downloading Religious Movements And Social Structure provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religious Movements And Social Structure has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religious Movements And Social Structure. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religious Movements And Social Structure. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religious Movements And Social Structure, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religious Movements And Social Structure has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religious Movements And Social Structure Books

1. Where can I buy Religious Movements And Social Structure books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
