R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *A Reference Guide for English Studies* Michael J. Marcuse, 2023-11-15 *Religious Imaginaries* Karen Dieleman, 2012-10-02 Explores liturgical practice as formative for how three Victorian women poets imagined the world and their place in it and consequently for how they developed their creative and critical religious poetics This new study rethinks several assumptions in the field that Victorian women s faith commitments tended to limit creativity that the contours of church experiences matter little for understanding religious poetry and that gender is more significant than liturgy in shaping women s religious poetry Exploring the import of bodily experience for spiritual emotional and cognitive forms of knowing Karen Dieleman explains and clarifies the deep orientations of different strands of nineteenth century Christianity such as Congregationalism s high regard for verbal proclamation Anglicanism s and Anglo Catholicism s valuation of manifestation and revivalist Roman Catholicism s recuperation of an affective aesthetic Looking specifically at Elizabeth Barrett Browning Christina Rossetti and Adelaide Procter as astute participants in their chosen strands of Christianity Dieleman reveals the subtle textures of these women s religious poetry the different voices genres and aesthetics they create in response to their worship experiences Part recuperation part reinterpretation Dieleman s readings highlight each poet s innovative religious poetics Dieleman devotes two chapters to each of the three poets the first chapter in each pair delineates the poet s denominational practices and commitments the second reads the corresponding poetry *Religious Imaginaries* has appeal for scholars of Victorian literary criticism and scholars of Victorian religion supporting its theoretical paradigm by digging deeply into primary sources associated with the actual churches in which the poets worshipped detailing not only the liturgical practices but also the architectural environments that influenced the worshipper s formation By going far beyond descriptions of various doctrinal positions this research significantly deepens our critical understanding of Victorian Christianity and the culture it influenced

Christina Rossetti: Faith, Gender and Time Diane D'Amico,1999 *Political Poetry as Discourse* Angela M. Leonard,2010-01-01 Political Poetry as Discourse examines the works of the political poets John Greenleaf Whittier and Ebenezer Elliott drawing comparisons to contemporary hip hoppers who take their words from local newspapers and other discursive sources that they read hear and observe Local presses and news vehicles stand as cultural material forms that supply poets with words particularly words that congeal into patterns of language allowing the creation of a poetic discourse As readers of these poets apply techniques and theories of discourse analysis they reveal how poets borrow lift hijack or resituate words from one or more different genres to use as tools of political change Leonard engages with the critical toolboxes of content analysis semiosis and deconstruction to demonstrate how to critically investigate and interrogate the images sounds and words not just of politically engaged poets but also of any disseminator of culture and news Moving beyond theory into praxis this book becomes a model of its own transgressive premise by thinking analyzing writing and teaching against the grain Its focus on language as unbounded discourse makes this book a relevant and insightful demonstration in democratic pedagogy and in teaching for transformation **Charles Williams** Glen Cavaliero,2007-05-01

Celestial Aspirations Philip Hardie,2022-03 A unique look at how classical notions of ascent and flight preoccupied early modern British writers and artists Between the late sixteenth century and early nineteenth century the British imagination poetic political intellectual spiritual and religious displayed a pronounced fascination with images of ascent and flight to the heavens *Celestial Aspirations* explores how British literature and art during that period exploited classical representations of these soaring themes through philosophical scientific and poetic flights of the mind the ascension of the disembodied soul and the celestial glorification of the ruler From textual reachings for the heavens in Spenser Marlowe Shakespeare Donne and Cowley to the ceiling paintings of Rubens Verrio and Thornhill Philip Hardie focuses on the ways that the history ideologies and aesthetics of the postclassical world received and transformed the ideas of antiquity In England narratives of ascent appear on the grandest scale in Milton s *Paradise Lost* an epic built around a Christian plot of falling and rising and one of the most intensely classicizing works of English poetry Examining the reception of flight up to the Romanticism of Wordsworth and Tennyson Hardie considers the Whig sublime as well as the works of Alexander Pope and Edward Young Throughout he looks at motivations both public and private for aspiring to the heavens as a reward for political and military achievement on the one hand and as a goal of individual intellectual and spiritual exertion on the other *Celestial Aspirations* offers an intriguing look at how creative minds reworked ancient visions of time and space in the early modern era

The English Catalogue of Books Published from January, 1835, to January, 1863, 1864 **Christina Rossetti** Diane D'amico, 1999-12 Since Arthur Symonds's declaration in 1895 in the Saturday Review that Christina Rossetti was among the great poets of the nineteenth century Rossetti's image among critics has undergone permutations as divergent as Victorian culture is from postmodern Now Diane D'Amico redeems Rossetti from the various one-dimensional castings assigned her across the generations those of a saint writing poetry for God of a sexually repressed neurotic woman of minor talent and most recently of a subversive feminist questioning the patriarchy and renders a fuller more intricate understanding of the poet than any to date With flawless logic balance and clarity D'Amico seals her case that Rossetti's faith her gender and the times in which she lived should all be considered to appreciate her poetic voice According to D'Amico the image of Rossetti that can best serve as a guide to her more than one thousand poems reflects the centrality of her faith not as evidence of sexual repression nor necessarily as absolute truth but as absolute truth for Rossetti It will then become apparent how Rossetti's commitment to her Christian faith her experience as a Victorian woman and her poetic vocation are inextricably interwoven

The New Cambridge Bibliography of English Literature: Volume 3, 1800-1900 George Watson, 1969 More than fifty specialists have contributed to this new edition of volume 3 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

The One and the Many R. J. Rushdoony, 2014-06-17 The question of where ultimacy lies should be central to the Christian It is easy to see the social implications of allowing priority to fall to either the one or the many This volume examines in depth the Christian solution to the problem of the one and the many the Trinitarian God Only in the godhead is this dilemma resolved Only in the Trinity does there reside an equal ultimacy of unity and plurality Rushdoony examines the history of Western thought from the standpoint of the one and the many and demonstrates clearly that the most astute thinkers were unable to resolve this philosophical conflict What is needed now is a complete return to the Trinitarian view of God and its implications for a Christian social order
