Exploring Gender and Sikh Traditions Doris R. Jakobsh, 2021-09-01 This volume gathers scholars who focus on gender through a variety of disciplines and approaches to Sikh Studies The intersections of religion and gender are here explored based on an understanding that both are socially constructed Far from being static as so often presented in world religions textbooks religious traditions are constantly in flux responding to historical cultural and social contexts So too is the Sikh tradition in terms of practices ideologies rituals and notions of identity We here conclude that a Sikh tradition does not exist instead there are numerous forms thereof In this volume Sikhism is presented as a collection of Sikh traditions Gender studies in line with women's liberation masculine and feminist studies have long examined and have long deconstructed the patriarchy but also move to identify other subordinate dominant relations between individuals Indeed there are numerous forms of discrimination and power structures that simultaneously create a multiplicity of oppression Intersectionality has become the basis of an increasingly systematized production of contemporary discourses on feminism and gender analysis as is evidenced by the varied contributions in this volume

The A to Z of

Sikhism W. H. McLeod, 2009-07-24 Contrary to popular opinion there is more to Sikhism than the distinctive dress First of all there is the emergence of Guru Nanak the founder of Sikhism and the long line of his successors There are the precepts many related to liberation through the divine name or nam There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and resist external domination that continues to this day There is also more recently the dispersion from the Punjab throughout the rest of India and on to Europe and the Americas With this emigration Sikhism has become considerably less exotic but hardly better known to outsiders This reference is an excellent place to learn more about the religion It provides a chronology of events a brief introduction that gives a general overview of the religion and a dictionary with several hundred entries which present the gurus and other leaders trace the rather complex history expound some of the precepts and concepts describe many of the rites and rituals and explain the meaning of numerous related expressions All this along with a bibliography provides readers with an informative and accessible guide toward understanding Sikhism

Guru Gobind Singh (1666-1708) J. S. Grewal, 2019-07-25 The unifying theme in the life of Guru Gobind Singh was confrontation with the Mughals which culminated in a struggle for political power This fact is brought into sharp focus when we consider the Guru's life and legacy simultaneously in the contexts of the Mughal Empire its feudatory states in the hills and the Sikh movement The creation of the Khalsa in 1699 as a political community with the aspiration to rule made conciliation or compromise with the Mughal state almost impossible Their long struggle ended eventually in the declaration of Khalsa Raj in 1765 Using contemporary and near contemporary sources in Gurmukhi Persian and English J S Grewal presents a comprehensive study of this era of Sikh history The volume elaborates on the life and legacy of Guru Gobind Singh and explores the ideological background of the institution of the Khalsa and its larger political context Grewal however emphasizes that the legacy of the Khalsa was also social and cultural This authoritative volume on the tenth Guru is a significant addition to the field of Sikh studies

^**Acherished Five in Sikh History** Louis E. Fenech, 2021-01-14 Despite the centrality of this group to modern Sikhism scholarship on the Panj Piare has remained sparse Louis Fenech's new book examines the Khalsa and the role that the Panj Piare have had in the development of the Sikh faith over the past three centuries **Historical Dictionary of Sikhism** Louis E. Fenech, W. H. McLeod, 2014-06-11 Sikhism traces its beginnings to Guru Nanak who was born in 1469 and died in 1538 or 1539 With the life of Guru Nanak the account of the Sikh faith begins all Sikhs acknowledging him as their founder Sikhism has long been a little understood religion and until recently they resided almost exclusively in northwest India Today the total number of Sikhs is approximately twenty million worldwide About a million live outside India constituting a significant minority in the United Kingdom Canada and the United States Many of them are highly visible particularly the men who wear beards and turbans and they naturally attract attention in their new countries of domicile This third edition of Historical Dictionary of Sikhism covers its history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 1000 cross referenced entries on key persons organizations the principles precepts and practices of the religion as well as the history culture and social arrangements This book is an excellent access point for students researchers and anyone wanting to know more about Sikhism **Sikhism** Doris Jakobsh, 2012-03-02 This volume offers a comprehensive overview of Sikhism which originated in India's Punjab region five hundred years ago As the numbers of Sikhs settling outside of India continues to grow it is necessary to examine this religion both in its Indian context and as an increasingly global tradition While acknowledging the centrality of history and text in understanding the main tenets of Sikhism Doris Jakobsh highlights the religion's origins and development as a living spiritual tradition in communities around the world She pays careful attention to particular events movements and individuals that have contributed to important changes within the tradition and challenges stereotypical notions of Sikh homogeneity and stasis addressing the plurality of identities within the Sikh tradition both historically and within the contemporary milieu Extensive attention is paid to the role of women as well as the dominant social and kinship structures undergirding Punjabi Sikh society many of which have been widely transplanted through Sikh migration The migration patterns are themselves examined with particular focus on Sikh communities in the U S Canada and the U K Finally the volume concludes with a brief exploration of Sikhs and the Internet and the future of Sikhism Violence and Resistance in Sikh Gendered Identity Jaspal Kaur Singh, 2020-04-30 This book examines the constructions and representations of male and female Sikhs in Indian and diasporic literature and culture through the consideration of the role of violence as constitutive of Sikh identity How do Sikh men and women construct empowering identities within the Indian nation state and in the diaspora The book explores Indian literature and culture to understand the role of violence and the feminization of baptized and turbaned Sikh men as well as identity formation of Sikh women who are either virtually erased from narratives bodily eliminated through honor killings or constructed and represented as invisible It looks at the role of violence during critical junctures in Sikh history including the Mughal rule the

British colonial period the Partition of India the 1984 anti Sikh riots in India and the terror of 9 11 in the United States The author analyzes how violence reconstitutes gender roles and sexuality within various cultural and national spaces in India and the diaspora She also highlights questions related to women s agency and their negotiation of traumatic memories for empowering identities The book will interest scholars researchers and students of postcolonial English literature contemporary Indian literature Sikh studies diaspora studies global studies gender and sexuality studies religious studies history sociology media and films studies cultural studies popular culture and South Asian studies *Sikhism*

Nikky-Guninder Kaur Singh,2011-02-22 Almost from the moment some five centuries ago that their religion was founded in the Punjab by Guru Nanak Sikhs have enjoyed a distinctive identity This sense of difference forged during Sikhism s fierce struggles with the Mughal Empire is still symbolised by the Five Ks panj kakar in Punjabi those articles of faith to which all baptised Sikhs subscribe uncut hair bound in a turban comb special undergarment iron bracelet and dagger or kirpan the unique marks of the Sikh military fraternity the word Sikh means disciple in Punjabi Yet for all its ongoing attachment to the religious symbols that have helped set it apart from neighbouring faiths in South Asia Sikhism amounts to far more than just signs or externals Now the world s fifth largest religion with a significant diaspora especially in Britain and North America this remarkable monotheistic tradition commands the allegiance of 25 million people and is a global phenomenon In her balanced appraisal Nikky Guninder Kaur Singh reviews the history theology and worship of a community poised between reconciling its hereditary creeds and certainties with the fast paced pressures of modernity She outlines and explains the core Sikh beliefs and explores the writings and teachings of the Ten Sikh Gurus in Sikhism s Holy Scriptures the Sri Guru Granth Sahib more usually called just the Granth Further chapters explore Sikh ethics art and architecture and matters of gender and the place of women in the tradition The book attractively combines the warm empathy of a Sikh with the objective insights and acute perspectives of a prominent scholar of religion **The Silent Voices and the Creation of a**

New Universe Pratibha Chawla,2024-09-24 Investigates the ideological attitudes of Sikh Gurus toward women and their resulting social impact This book is an analytical study of the Sikh Gurus perception of women and their societal roles with an emphasis on the impact of religious ideology on gender dynamics Sikhism stands apart in its respectful attitudes towards women This book explores how these religious perspectives shaped the social relations and evolution of the Sikh community Sikh Panth and whether there existed major differences in the views and ideologies of Sikh Gurus contemporary Bhakti saints and Guru Nanak himself The book also examines the influence of Sikh Gurus on patriarchal ideology and whether their normative beliefs were reflected in operative realities Delving into the Sikh ideological history so as to fully ascertain and comprehend the nuanced message of the Sikh Gurus who advocated for a more gender sensitive society this work will help connect past and present shedding new light on faultlines in our understanding which have occurred over the centuries and have led us where we are today **Young Sikhs in a Global World** Knut A. Jacobsen,Kristina Myrvold,2016-03-09 In

attempting to carve out a place for themselves in local and global contexts young Sikhs mobilize efforts to construct choose and emphasize different aspects of religious and cultural identification depending on their social setting and context Young Sikhs in a Global World presents current research on young Sikhs with multicultural and transnational life styles and considers how they interpret shape and negotiate religious identities traditions and authority on an individual and collective level With a particular focus on the experiences of second generation Sikhs as they interact with various people in different social fields and cultural contexts the book is constructed around three parts family and home public display and gender and reflexivity and translations New scholarly voices and established academics present qualitative research and ethnographic fieldwork and analyse how young Sikhs try to solve social intellectual and psychological tensions between the family and the expectations of the majority society between Punjabi culture and religious values

am vs fm difference and comparison diffen - Jun 17 2023

web the disadvantage of fm signal is that it is more local and cannot be transmitted over long distance thus it may take more fm radio stations to cover a large area moreover the presence of tall buildings or land masses may limit the coverage and quality of fm

advantages and disadvantages of amplitude and frequency modulation - Dec 11 2022

web advantages and disadvantages of amplitude and frequency modulation am may be less noisy than fm a b but fm may allow coordinated expression of many genes c d 15 19

frequency modulation definition equation applications advantages - Jul 06 2022

web in radio transmission frequency modulation has a good advantage over other modulation it has a larger signal to noise ratio meaning it will reject radio frequency interferences much better than an equal power amplitude modulation am signal due to this major reason most music is broadcasted over fm radio fm modulators

advantages and disadvantages of am and fm am fm rf - Aug 19 2023

web following are the advantages of fm frequency modulation in fm recovered voice depends on frequency and not amplitude hence the effects of noise are minimized in fm fm bandwidth covers all the frequency range which humans can hear hence fm radio has better quality of sound in comparison with am radio disadvantages of fm

fm and amplitude modulation advantages and disadvantages - Apr 03 2022

web fm and amplitude modulation advantages and disadvantages low switching frequency modulation schemes for multi level inverters sep 25 2022 multi level inverters mlis are widely used for conversion of dc to ac power this book provides various low switching frequency lsf modulation schemes conventional and improved which can

what is amplitude modulation types advantages disadvantages - Aug 07 2022

web advantages disadvantages of amplitude modulation the advantages of amplitude modulation include the following amplitude modulation is economical as well as easily obtainable it is so simple to implement and by using a circuit with fewer components it can be demodulated

frequency modulation university of california berkeley - Sep 08 2022

web frequency modulation fm is a so called angle modulation scheme it was inspired by phase modulation but has proved to be more useful partly for its ease of generation and decoding the main advantages of fm over am are improved signal to noise ratio about 25db w r t to man made interference

frequency modulation vs amplitude modulation vedantu - Oct 09 2022

web oct 14 2023 the frequency modulation is often called fm as we know a modulating signal is the transmitting of information or message after being converted into an electronic signal $m(t) = A_m \cos \omega_m t + \Theta$ where $m(t)$ is the modulating signal A_m is the amplitude modulating signal ω_m is the angular frequency Θ is the phase of the

amplitude modulation vs frequency modulation am vs fm advantages - Mar 14 2023

web jan 3 2018 why fm is better than am following reasons make the frequency modulation fm better than amplitude modulation am 1 fm broadcasts operate in upper vhf very high frequency and uhf ultra high frequency ranges while mf medium frequency and hf high frequency ranges are used by am broadcasts this

advantages and disadvantages of amplitude modulation - May 16 2023

web advantages and disadvantages of amplitude modulation amplitude modulation is the basis of the advanced communication techniques being used these days this article will provide a brief introduction to amplitude modulation and then discuss its advantages and disadvantages table of content introduction to amplitude modulation

frequency modulation vs amplitude modulation byju s - Jul 18 2023

web disadvantages of frequency modulation over amplitude modulation the equipment needed for fm and am systems is different the equipment cost of an fm channel is more since the equipment is much more complex and involves complicated circuitry as a result fm systems are costlier than am systems

advantages and disadvantages of amplitude modulation over - Mar 02 2022

web the followings are the advantages and disadvantages of amplitude modulation over frequency modulation advantages of amplitude modulation over frequency modulation simpler to implement amplitude modulation or am is easier to put into practice than frequency modulation or fm this is because it uses less complex

amplitude modulation the concept advantages disadvantages - Feb 13 2023

web nov 16 2019 advantages of amplitude modulation it is simple to implement demodulation of am signals can be done using simple circuits consisting of diodes am transmitters are less complex am receivers are very cheap as no specialized components are needed am waves can travel a longer distance am waves have low bandwidth

what is amplitude modulation vs frequency modulation - Apr 15 2023

web aug 11 2023 pros and cons of amplitude modulation amplitude modulation is cheaper and simpler to implement and it has a broader coverage area however it is highly susceptible to noise and interference and offers lower sound quality when compared to fm pros and cons of frequency modulation

advantages and disadvantages of frequency modulation - Sep 20 2023

web the amplitude of the pm and fm wave is constant fm provides high quality received signals while pm provides low quality received signals the signal to noise ratio is better in fm compared to pm frequency modulation and amplitude modulation comparison in am modulation in amplitude occurs while in fm modulation in frequency occurs

frequency modulation definition of fm advantages applications - Jun 05 2022

web may 3 2021 frequency modulation definition advantages and applications frequency modulation fm is that form of angle modulation in which the instantaneous frequency $f_i(t)$ is varied linearly with the baseband signal $m(t)$ as shown by $f_i(t) = f_c + k_f m(t)$ frequency modulation fm is commonly known as fm that we hear in

frequency modulation fm advantages and disadvantages - Jan 12 2023

web frequency modulation fm advantages and disadvantages when the frequency of carrier wave is changed in accordance with the intensity of the signal the process is called frequency modulation in frequency modulation the amplitude and phase of the carrier wave remains constant

amplitude modulation applications advantages electricalvoice - Nov 10 2022

web sep 12 2017 amplitude modulation am contents show amplitude modulation am advantages disadvantages application the process of varying amplitude of the high frequency or carrier wave in accordance with the intelligence code voice or
