Remember My Name In Sheboygan People And Places:

Remember My Name in Sheboygan Glenn Martin, **Remember My Name in Sheboygan - Sheboygan Revisited** Glenn W. Martin, 2012-07-17 A few years ago I went back to my home town to attend my 60 year high school class reunion The day after the festivities I took my camera in hand got in my car and spent most of the day on a sentimental journey I drove around the town remembering what it had been like when I was a boy growing up there many many years ago The stories in this book will tell you about the schools and churches I attended the places where members of my family worked and places where my friends and I played You will enjoy the sounds the smels and the social events of a vibrant community You will visit the playgrounds and parks and go to picnics and parades You will go swimming skating and sliding and hear about how we kids had fun back then You will learn about chairs and cheese and other things that were important to the life of our town My first Sheboygan book was about the people who were an important part of my life when I was a boy this book is about how those people lived worked and played It was a different world back then one we sometimes wish we could live over again Welcome back to Sheboygan *Things I Learned Along the Way* Glenn W. Martin, 2005-09-13 Each of us has only one life to live Some lives are long and some are cut too short They can be full of happy times but there can also be sad moments The events that shape our lives are all pieces of our life s puzzle The choices we make the lessons we learn from our life s experiences and the people who share them with us all help to influence who we are and who we will become I have been around for over 80 years and during my long life I have had many experiences and learned many lessons along the way In sharing some of these with you it is not my intention to teach or give advice Nor do I want to tell anyone how they should live what they should believe or what they ought to do Instead I want to share some of the things I learned that proved to be useful to me on my life s journey I hope some of these lessons might also be helpful as you make your way on your own journey through life **Some of the Funniest Things Happen in the Most Unlikely and Unexpected Places** Glenn Martin, 2005-03 This collection of stories was written for only one purpose to make you laugh These stories are not aimed at your mind but at your funny bone They are not supposed to make you smarter or wiser but might keep you from taking yourself and life too seriously When enjoying these stories you may venture into restaurants or churches attend weddings or funerals and spend some time in the Army And you may meet people who did not intend to be funny but did funny things These stories should put a smile on your face and a chuckle in your voice And if you laugh out loud that would be okay too Laughter is not only good for your health but it also does wonders for your spirit and your soul *LIFE* ,1957-05-20 *LIFE* Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *LIFE* ,1957-05-20 *LIFE* Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest
