Inner Landscapes Ron Mottram, 1984 Sam Shepard has so often been called the preeminent playwright of his generation that the statement goes almost unchallenged today Some have gone further in their praise Partisan Review for example has described him as one of the two greatest dramatists of the American theater the other being Eugene O'Neill But despite that praise and despite the fact that his plays have won numerous awards including the Pulitzer Prize there have been until now no extended studies of his work Although primarily giving literary and dramatic analysis Mottram also constructs a biographical context for the plays that is a blend of straightforward fact and Shepard's imaginative recreations of significant events in his own life Shepard once wrote I'm taking notes in as much detail as possible on an event that's happening somewhere inside me that event fueled by what Shepard has called a library of stored images and experiences constitutes an inner landscape that is expressed throughout the plays as well as in his collections of prose and poetry This study traces some of the prominent features of that inner landscape showing that Sam Shepard like Walt Whitman before him celebrates himself while simultaneously projecting a vision of America that is often profoundly disturbing

Sam Shepard Laura J. Graham, 1995 One of the most exciting and produced American playwrights of the second half of this century Sam Shepard's writing career began in 1964 and continues today This book examines the playwright's canon first from the perspective of dramatic analysis and intertextuality in terms of theme and performance vocabulary then from the director's perspective in interpretation for performance The book is useful to the scholar the theatre professional and the theatre goer Shepard's dramaturgy is analyzed both in terms of dramatic and cinematic influences and of its originality The author examines how Shepard has synthesized these influences into the unique contemporary dramatic form which Graham terms Metarealism

Sam Shepard's Metaphorical Stages Lynda Hart, 1987-01-13 A wonderfully helpful survey of the drama of Sam Shepard It is bound to find many eager readers among those who are either intrigued or baffled or both by the plays of this still young playwright whom many think contemporary America's finest Choice America's most highly acclaimed contemporary playwright continues to puzzle critics even as his reputation grows and his imagination seeks new creative channels Finding the dramatist difficult to classify critics and scholars continue to search for the central direction of Shepard's creative

development Lynda Hart's study which focuses on ten representative plays is the first book to examine Shepard's growth and development as a dramatist within and against the historical tradition. Offering a unified critical perspective the author considers the plays from both a literary standpoint and as texts for performance. Resources include a bibliography that offers the most complete listing of relevant critical writings. *American Dreams* Bonnie Marranca, 1981. The standard critical work on the author features two dozen essays and miscellaneous pieces by leading theatre critics, directors and actors on the plays and productions of Shepard from the beginning of his career. A special section by the author on his own work is also included.

Eugene O'Neill and American Society Ivonne Shafer, 2011-11-28. En su duodécimo libro Yvonne Shafer se centra una vez más en Eugene O'Neill. Su libro anterior *Performing O'Neill* presentaba información fascinante sobre los actores James Earl Jones, Jason Robards etc. que crearon sus papeles. *Eugene O'Neill and American Society* se aparta del análisis biográfico familiar de las obras hacia aspectos como su actitud antibélica, su interacción con los afroamericanos, su sorprendente amor por los musicales y su caracterización de mujer. Shafer, que ha participado en el mundo del teatro como actriz, directora crítica y erudita, ha impartido clases y conferencias en lugares como China, Noruega y Bélgica. Su representación de Eugene O'Neill *On Stage* ha deleitado al público de Alemania, Estados Unidos y la Universitat de València entre otros lugares de España.

Creating the Self in the Contemporary American Theatre Robert J. Andreach, 1998. Exploring the theatre from the 1960s to the present, Robert J. Andreach shows the various ways in which the contemporary American theatre creates a personal, theatrical and national self. Andreach argues that the contemporary American theatre creates multiple selves that reflect and give voice to the many communities within our multicultural society. These selves are fragmented and enclaved, however, which makes necessary a counter movement that seeks through interaction among the various parts to heal the divisions within and between them. The Late Work of Sam Shepard Shannon Blake Skelton, 2016-04-21. Hailed by critics during the 1980s as the decade's Great American Playwright, Sam Shepard continued to produce work in a wide array of media including short prose, films, plays, performances and screenplays until his death in 2017. Like Samuel Beckett and Tennessee Williams in their autumnal years, Shepard relentlessly pressed the potentialities and possibilities of theatre. This is the first volume to consider Shepard's later work and career in detail and ranges across his work produced since the late 1980s. Shepard's motion picture directorial debut *Far North* (1988) served as the beginning of a new cycle of work. He returned to the stage with the politically engaged *States of Shock* (1991), which resembled neither his earlier plays nor his family cycle. With both *Far North* and *States of Shock*, Shepard signaled a transition into a phase in which he would experiment in form, subject and media for the next two decades. Skelton's comprehensive study includes consideration of his work in films such as *Hamlet* (2000), *Black Hawk Down* (2001), *The Assassination of Jesse James by the Coward Robert Ford* (2007) and *Brothers* (2009), issues of authenticity in the film and screenplay *Don't Come Knocking* (2005) and the play *Kicking a Dead Horse* (2007), of memory and trauma in *Simpatico*.
